Independent Auditor's Report

To the Plan Trustees and Participants of the
Private Education Employers' Trust
St. Louis, Missouri

Opinion on the 2025 Financial Statements

We have audited the financial statements of the *Private Education Employers' Trust* (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the *Private Education Employers' Trust* as of June 30, 2025, and the changes in net assets available for benefit for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the *Private Education Employers' Trust* and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (Held at End of Year) For Investment Purposes as of June 30, 2025 and the Schedule of Reportable Transactions for the year ended June 30, 2025 (collectively, “supplemental schedules”) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Auditor’s Report on the 2024 Financial Statements

The 2024 financial statements of the *Private Education Employers’ Trust* were audited by predecessor auditors whose report dated June 24, 2025, expressed an unmodified opinion on those financial statements and included an other-matter paragraph that provided an opinion that the information in the 2024 supplemental schedules were fairly stated in all material respects in relation to the financial statements as a whole.

PRIVATE EDUCATION EMPLOYERS' TRUST

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of the *Private Education Employers' Trust* Welfare Benefit Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a more complete description of the Plan.

General

The Plan provides health benefits to eligible employees of the employers participating within the Plan and their covered dependents. At June 30, 2025 and 2024, nine employers were participating within the Plan. Certain Plan assets are held in a voluntary employees' beneficiary association ("VEBA") trust. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 as amended ("ERISA").

Contributions to the Plan

Participating employers pay an amount equal to the premiums for all covered employees, an allocable share of administrative expenses and an additional amount to establish and maintain a premium stabilization reserve. Participating employers may, at their sole discretion, require their employees to contribute toward the required contribution. Employer contributions were \$9,596,413 and \$9,267,009 for the years ended June 30, 2025 and 2024 less board of trustee approved refunds back to the schools in the amount of \$102,502 and \$0, respectively, netting to \$9,493,911 and \$9,267,009 for the years ended June 30, 2025 and 2024.

Employees of participating employers may be required to contribute towards their premiums, depending on coverage selected. Employee contributions to the plan were \$3,659,222 and \$3,522,765 for the years ended June 30, 2025 and 2024. Employees of participating employers are immediately eligible for benefits, as there is no minimum age or service requirement.

Insured Benefits

The Plan provides health (medical and prescription drug) benefits. Currently such benefits are provided on a fully insured basis. The Plan purchases an annual insurance contract for these insured benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA") if they so elect. At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums may change. Insurance premiums for all insured benefits were \$13,255,635 and \$12,789,774 for the years ended June 30, 2025 and 2024, respectively, and were paid from the general assets of the participating employers.

NOTES TO FINANCIAL STATEMENTS (*CONTINUED*)
JUNE 30, 2025 AND 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the valuation policies and reports to the Trustees of Private Education Employers' Trust. See Note 4 for discussion of fair value measurements.

Benefit Obligations

Health care costs incurred by participants and their beneficiaries and dependents are covered by insurance contracts maintained by the Plan. The Plan does not provide for post-retirement benefits, except as provided by COBRA, and is at the expense of the retiree.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from the financial statements of the Plan. Expenses related to various service providers of the plan may be paid out of Plan assets and amounted to \$23,501 and \$20,504 for the years ended June 30, 2025 and 2024, respectively.

Subsequent Events

Management has evaluated the impact on the financial statements, if any, of subsequent events through April 6, 2026, the date the financial statements were available to be issued.

3. PREMIUM STABILIZATION RESERVE

The premium stabilization reserve balance by employer as of June 30, 2025 and 2024 is as follows:

	Amended Balances by School - Reserve Balance as of <u>6/30/2024</u>	Refunds to Member <u>Schools</u>	Net Income (Loss) <u>Allocation</u>	Reserve Balance as of <u>6/30/2025</u>

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

PRIVATE EDUCATION EMPLOYERS' TRUST
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025 AND 2024

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan did not have any investments meeting these valuation criteria.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at June 30, 2025 and 2024. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2025 and 2024:

<u>June 30, 2025</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds - Financial Square Government	\$ 286,286	\$ 286,286	\$ -	\$ -
Total Investments at Fair Value	<u>\$ 286,286</u>	<u>\$ 286,286</u>	<u>\$ -</u>	<u>\$ -</u>
<u>June 30, 2024</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Total Investments at Fair Value	<u>\$ 375,279</u>	<u>\$ 375,279</u>	<u>\$ -</u>	<u>\$ -</u>

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan utilizes an insurance broker, Cammon Company, to contract with an insurance carrier. Commission and fees of \$299,635 and \$315,592 were paid by the insurance carrier to Cammon Company for the years ended June 30, 2025 and 2024, respectively.

PRIVATE EDUCATION EMPLOYERS' TRUST
NOTES TO FINANCIAL STATEMENTS (*CONTINUED*)
JUNE 30, 2025 AND 2024

6. INCOME TAXES

The trust established under the Plan to hold the Plan's net assets is qualified, pursuant to Internal Revenue Code Section 501(c)(9), and accordingly, the trust's net investment income is exempt from income taxes. The Plan's trustees believe that the trust, as amended, remains qualified and operating as designed.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2025 and 2024, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. CONCENTRATIONS

For both years, as of June 30, 2025 and 2024, the Plan's premium stabilization reserve included four participating schools, whose concentrated year-end balance was 10% or more. During both years ended June 30, 2025 and 2024, the Plan received contributions from four participating schools totaling 73% and 74% of total contributions, respectively.

9. TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Plan's Board of Trustees has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner.
