Independent Auditors' Report

To the Board of Directors of Comunilife, Inc.
as Sponsor of the Comunilife, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Comunilife, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended June 30, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMUNILIFE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Comunilife, Inc. Retirement Plan (the "Plan"), provides only general information. Readers should refer to the Plan document for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a defined contribution plan covering all eligible employees of Comunilife, Inc. (the "Sponsor"), was established on July 1, 1994, and was subsequently amended as of January 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

B. **Contributions**

Rollover Contributions

The Plan accepts rollovers from another qualified retirement plan or an IRA.

Elective Deferrals Including Roth 401(k) Deferrals

Each year, participants may elect to make pre-tax or Roth 401(k) deferrals of their total compensation, to be deducted each pay period, up to the maximum amount allowed under the Internal Revenue Service ("IRS") rules. Participants who have attained age 50 or older before the end of the Plan year, and are making maximum contributions, are eligible to make catch-up contributions, up to the maximum as permitted by the Internal Revenue Code ("IRC"). Employees hired on or after January 1, 2019 are automatically enrolled at three percent of eligible compensation.

Effective January 1, 2025, as part of the Secure Act 2.0 of 2022, the Plan has implemented super catch-up contributions. This permits catch-up contributions for eligible participants who will attain ages 60-63 as of the close of the taxable year. For such participants, the catch-up limit is the greater of \$10,000 per year or 150% of the regular catch-up contribution limit in effect for 2025. Regular catch-up contribution amounts will apply to eligible participants who attain ages 50-59, and ages 64 and over as of the close of the taxable year.

Employer Profit-Sharing Contributions

Each year, the Sponsor may make a discretionary profit-sharing contribution to eligible participants' accounts. The Sponsor's Board of Directors approved for 2025 and 2024, contributions of \$546,229 and \$760,487, respectively. This amount was remitted to the Plan subsequent to year-end and has been reflected as employer contributions receivable in the accompanying statements of net assets available for benefits.

- C. **Participant Accounts** – Each participant's account is credited with the participant's contributions and allocations of (a) any Sponsor discretionary matching and/or profit-sharing contributions, and (b) Plan earnings, and charged with an allocation of administrative expenses.
- D. **Eligibility** – Employees who do not fall under any of the excluded employee categories are eligible to participate in the Plan. Excluded employee categories are employees who are non-resident aliens who do not receive any compensation from U.S. sources. To participate in profit-sharing contributions, the employee must have completed two years of eligible service, meaning the employee must have worked at least 1,000 hours during each 12-month eligibility computation period, have attained age 21 and be employed by the Sponsor on the last day of the Plan year, or have terminated employment during the Plan year due to death or attainment of normal retirement date. The entry dates for profit-sharing contributions are defined as the first day of the first or seventh month of the Plan year (January or July).
- E. **Vesting and Forfeiture** – Participants are immediately vested in their elective basic contributions plus actual earnings thereon. Participants are also immediately 100% vested in any Sponsor discretionary contributions and, therefore, there are no forfeited accounts.

**COMUNILIFE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 1 – DESCRIPTION OF PLAN (Continued)

- F. **Payment of Benefits** – On termination of service, a participant, or their designated beneficiary, may receive the value of his or her account as a lump-sum amount equal to the value of the participant's vested interest in his or her account or a qualified joint and 50 percent survivor annuity. In-service withdrawals are permitted under certain circumstances. Hardship distributions are permitted.

Effective January 1, 2019, the Plan will make cash out distributions for terminated participants with account balances less than \$5,000. For mandatory distributions with balances less than \$1,000, the balance will be distributed directly to the participant in cash. If the participant's vested account balance is more than \$1,000 but less than \$5,000, the participant can elect to receive the distribution in cash or to roll over the distribution to an individual retirement account (IRA) or to a qualified plan of a new employer. If the participant does not make an election, the participant's vested account balance will be transferred to an IRA established in the participant's name.

- G. **Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at one percent above the prime rate, as defined. The loans are secured by the balances in the participant's accounts and bear interest at a rate ranging from 4.25% to 9.50% as of June 30, 2025. Principal and interest are paid ratably through bi-weekly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

- H. **Regulatory Compliance Affecting Retirement Plans** – The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE 1.0 Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 ½ to 72 for participants over 72 after December 31, 2019. Plans were required to be formally amended for certain other changes if adopted on or before the last day of the 2026 plan year.

The SECURE Act 2.0 (SECURE 2.0 Act) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age for RMDs, increased catch-up contributions for certain older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning in 2023, as well as other increases starting in 2030. The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024.

In addition, the SECURE 1.0 Act and further by the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period. This is effective for periods beginning after December 31, 2025. In 2026, the SECURE Act 2.0 mandates that catch-up contributions for employees aged 50 or over who earn over \$150,000 (indexed for inflation) in the prior year must be made to a Roth account, rather than a pre-tax account.

**COMUNILIFE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements are prepared using the accrual basis of accounting.
- B. **Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
- C. **Investment Valuation and Income Recognition** – Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels, as described in Note 4.
- Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.
- D. **Payment of Benefits** – Benefits are recorded when paid.
- E. **Expenses** – Certain expenses of maintaining the Plan are paid directly by the Sponsor. Administrative expenses recorded by the Plan represent custodian fees and other recordkeeping fees paid directly from the Plan to the Plan’s custodian. Loan fees are deducted directly from the participant’s account.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan Sponsor has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor (“DOL”) *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information, and the information contained in the supplemental schedule of assets (held at end of year), were certified as complete and accurate by the Plan’s custodian, and were not subjected to any auditing procedures performed by the independent auditors except for comparing such information included in the Plan’s financial statements.

Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company has certified to the completeness and accuracy of the investments included in the financial statements as of June 30, 2025 and 2024, and the investment activity included in the financial statements for the years then ended as summarized below:

As of June 30, 2025 and 2024, the Plan’s assets included investments as follows:

	<u>2025</u>	<u>2024</u>
Mutual funds at fair value	\$ 6,504,306	\$ 6,335,019
Pooled separate accounts at fair value	843,359	867,167
Fully benefit-responsive investment contract at contract value	<u>829,748</u>	<u>790,126</u>
Total investments	<u>\$ 8,177,413</u>	<u>\$ 7,992,312</u>

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE (Continued)

The investment activity included in the accompanying statements of changes in net assets available for benefits for the years ended June 30, 2025 and 2024, is summarized as follows:

	<u>2025</u>	<u>2024</u>
Interest and dividends	\$ 144,917	\$ 143,086
Net appreciation in fair value of investments	<u>733,800</u>	<u>753,617</u>
	<u>\$ 878,717</u>	<u>\$ 896,703</u>

Notes receivable from participants amounted to \$229,026 and \$200,310 as of June 30, 2025 and 2024, respectively. Interest income on notes receivable from participants amounted to \$16,861 and \$12,993 for the years ended June 30, 2025 and 2024, respectively.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Mutual Funds

Mutual funds are valued at the closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Pooled separate accounts are valued at NAV of shares held by the Plan at year end. These accounts have a readily determinable fair value and transact at NAV. These pooled separate accounts are direct filing entities.

The Plan's investments consisted of the following as of June 30:

	<u>2025</u>	<u>2024</u>
Mutual funds valued at Level 1	\$ 6,504,306	\$ 6,335,019
Pooled separate accounts valued at NAV	<u>843,359</u>	<u>867,167</u>
	<u>\$ 7,347,665</u>	<u>\$ 7,202,186</u>

Fair Value of Investments in Entities that Use NAV

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of June 30, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>As of June 30, 2025</u>				
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts	\$ 843,359	\$ -	Daily	1 Day

<u>As of June 30, 2024</u>				
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts	\$ 867,167	\$ -	Daily	1 Day

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

In 2012, the Plan entered into a fully benefit-responsive investment contract with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity-wash provisions, 3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the Plan or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event that would limit the Plan's ability to transact at contract value with participants is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The carrying value of the guaranteed investment contract, considered a traditional investment contract, was \$829,748 and \$790,126 as of June 30, 2025 and 2024, respectively.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, pooled separate accounts and a group annuity contract managed by Principal. Principal is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the participants of the Plan for certain transactional services (i.e., loan issuances, withdrawal fees, etc.) are reflected as administrative expenses in the accompanying financial statements and amounted to \$59,371 and \$54,258 for the years ended June 30, 2025 and 2024, respectively.

NOTE 7 – TAX STATUS

The Sponsor has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the balance of participant accounts will be distributed in a lump sum.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – PARTICIPANT LATE REMITTANCES

During 2024, a participant contribution amounting to \$14 was not remitted by the Sponsor to the recordkeeper within the period prescribed by the Department of Labor regulations. There are Department of Labor regulations which require that employee contributions be transferred to the Plan as of the earliest date on which such contributions can reasonably be segregated from the Company's general assets. The Plan Sponsor has agreed to absorb any costs incurred by the Plan as a result of the untimely remittance of the participant's contribution and is in the process of computing the lost earnings.

NOTE 11 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 8, 2026, the date the financial statements were available to be issued.
