Griffin Electric, Inc. Welfare Benefit Plan's ability to continue as a going concern for one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wayne J. Griffin Electric, Inc. Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wayne J. Griffin Electric, Inc. Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to the Financial Statements

June 30, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the Wayne J. Griffin Electric, Inc. Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined benefit health and welfare plan established by Wayne J. Griffin Electric, Inc. (the Plan Sponsor or the Company) effective January 1, 1995. On June 10, 2019, the Plan Sponsor established a voluntary employees' benefit association (VEBA) trust (VEBA Trust) to serve as a funding vehicle for the Plan for certain Plan benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility and benefits - The Plan provides medical, dental, prescription drug, life insurance, short-term disability, long-term disability and other fringe benefits to all employees of the Company. Employees who are regularly scheduled to work at least 30 hours per week are eligible to participate in the Plan immediately following 90 calendar days of employment. Benefits are generally reserved for employee coverage, but employees may purchase additional coverage for their spouse and dependents through pre-tax and after-tax deductions as allowable under Internal Revenue Service (IRS) and ERISA rules and regulations. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured benefits - The Plan fully insures the life insurance benefits (basic, supplemental, and dependent), accidental death and disability benefits (basic), short and long-term disability benefits, voluntary critical illness, and employee assistance program. The Company purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance, basic accidental death, disability, voluntary critical illness, and employee assistance program benefits are paid to insurance companies and/or benefit providers from the general assets of the Company.

Contributions - The Plan is funded by employer, employee and COBRA contributions. In addition to deductibles and copayments, participants contribute specified amounts, determined annually, for coverage of themselves and their dependents. This determination is based on a review of the Plan's payment trends and an estimation of expected costs for the following year, as recommended by an independent third-party specialist.

Employee contributions are made via payroll deductions. The plan administrator provides a schedule of applicable premiums during the annual open enrollment period.

Employer contribution rates are established annually by the Company.

Notes to the Financial Statements

June 30, 2025 and 2024

Stop-loss coverage - The Plan has entered into a stop-loss insurance arrangement to limit its exposure for self-insured benefits (individual participant claims over a specified dollar amount). For the years ended June 30, 2025 and 2024, the Plan's self-insurance retention is \$250,000 for individual losses on a per-person basis.

Self-insured benefits - The Plan's medical, dental and prescription drug benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA Trust or the general assets of the Plan Sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Plan administration and expenses - The Plan is designed as a VEBA. The Plan is managed by trustees, who are primarily representatives of the Company. The Plan's administrative expenses are paid by either the Plan or Plan Sponsor, as provided by the plan document.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates - The preparation of financial statements in accordance with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of net assets available for plan benefits and benefit obligations at the dates of the financial statements and changes in net assets available for plan benefits and benefit obligations during the year, particularly the estimate of the liability for claims incurred but not yet reported to the Plan. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Cash and cash equivalents - The Plan considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. The Plan frequently holds cash in demand accounts at the bank in excess of federally insured amounts. However, cash accounts are with high quality financial institutions and management believes that the Plan is not exposed to significant credit risk.

Notes to the Financial Statements

June 30, 2025 and 2024

Investment valuation and income recognition - The Plan's investments are held by Bank of America. The investments were in an interest-bearing checking account reported at fair value through June 23, 2025. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the financial institution. Effective June 23, 2025, the interest-bearing checking account was transferred to a noninterest-bearing checking account.

Interest income is recorded on an accrual basis.

Payment of benefits - Premiums paid by either the Company or the VEBA Trust are recorded as insurance premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processors. Amounts due to the claims processors that have not been reimbursed by the Plan, if any, are recorded as payables to claims administrators in the accompanying statements of net assets available for benefits.

Stop-loss coverage - Premiums for stop-loss insurance are included in "Insurance premiums" in the accompanying statement of changes in net assets available for benefits. The Plan received stop-loss refunds totaling approximately \$182,000, which are netted against self-insured claims during the year ended June 30, 2025.

Benefit obligations - Claims incurred but not yet reported are estimated by the Plan's benefit consultant based on claims data provided by the Plan's self-insured claims administrator. This analysis and estimate is determined using a historical analysis of claims paid subsequent to year end as well as subsequent benefit payments actually made, classified according to the date that the related services were provided.

Subsequent events - Subsequent events were evaluated through April 6, 2026, the date the financial statements were available to be issued. The Plan Sponsor has determined that there are no subsequent events that require recognition or disclosure under Financial Accounting Standards Board Accounting Standards Codification 855, *Subsequent Events*.

Notes to the Financial Statements

June 30, 2025 and 2024

3. TAX STATUS

A VEBA Trust was established under the Plan to hold the Plan's assets. The Plan Sponsor has submitted the Plan's trust agreement to the IRS for a determination of its status as a qualified voluntary employee's beneficiary association as described in Section 501(c)(9) of the Internal Revenue Code (IRC). The trust received its tax exemption status on October 30, 2020, effective back to June 10, 2019. Plan management and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan will be exempt from income taxes, and as such, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there are no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurement, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Notes to the Financial Statements

June 30, 2025 and 2024

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at June 30, 2025 and 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024:

Assets at Fair Value as of June

30, 2024	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 1,274,567	\$ -	\$ -	\$ -
Total investments at fair value	\$ 1,274,567	\$ -	\$ -	\$ -

During the year ended June 30, 2025 and 2024, there were no transfers between levels of the fair value hierarchy.

5. RISKS AND UNCERTAINTIES

The Plan holds cash in a bank deposit account with a financial institution, which at times may exceed federally insured limits. Plan management periodically evaluates the balance and believes this account does not pose a financial risk to the Plan.

6. PRIORITIES UPON TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue any terms, conditions, or benefits of the Plan at any time and terminate the Plan subject to the provisions of ERISA, the insurer's contract, and the contract administration agreement. Expenses incurred prior to a termination, modification, or amendment of the Plan would be paid as provided under the terms of the Plan prior to its termination, modification, or amendment. In the event of termination, the Plan Sponsor shall first satisfy or make provisions to satisfy the obligations of the Plan.

7. ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officers or employees receive compensation from the Plan. Certain administrative expenses are paid by the Plan, with the remainder paid by the Plan Sponsor.

8. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Blue Cross Blue Shield (BCBS) is the self-insured claims administrator of the Plan. Therefore, transactions with this party qualify as party in interest transactions. The Plan paid fees to BCBS related to claims administrative services rendered for the year ended June 30, 2025, of \$612,773.
