# Independent Auditor's Report

To the Trustees
Gaming Entertainment (Delaware) LLC
Group Medical Plan
Harrington, Delaware

## Opinion

We have audited the accompanying financial statements of Gaming Entertainment (Delaware) LLC Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of benefit obligations as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits and statement of changes in benefit obligations for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of June 30, 2025 and 2024, and the change in its net assets available for benefits and benefit obligations for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

HORTY
*Your partner for success*

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

GAMING ENTERTAINMENT (DELAWARE) LLC
GROUP MEDICAL PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

## Note 1 - Description of the Plan

The following description of the Gaming Entertainment (Delaware) LLC (the Company) Group Medical Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### General

The Plan provides health and other benefits to eligible employees of the Company, who complete at least 30 hours of service per week, have been employed by the Company for sixty days for medical and ninety days for all other benefits, and covered dependents. The Plan and related trust were adopted on July 1, 2022 and is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended.

The Plan participates in a VERIS Benefits Consortium which provides services through the VERIS program manager, The Benecon Group, LLC, for the design, structure and administration of the self-funded health benefits program.

### Benefits

The Plan provides health benefits, including medical and prescription drugs. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

### Self-insured Benefits

The Plan offers a self-insured preferred provider organization (PPO) for participants. The claims for self-insured benefits are processed by the Plan’s third-party administrator, Highmark Blue Cross Blue Shield Delaware, under administrative services only (ASO) arrangements. The claim processor pays claims directly or on behalf of participants and are reimbursed by the Plan or general assets of the Company. Despite the Plan’s utilization of a third-party claim processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

### Stop-loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits including individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims.

### Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections.

## Note 2 - Summary of Significant Accounting Policies

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and fees to a broker and patient advocate. These expenses are included on the statement of changes in net assets available for benefits as deductions. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

### Payment of Benefits

Claim payments are recorded when paid by the third-party claim's processor. Amount due to claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

### Cash and Cash Equivalents

The Plan considers all cash accounts and all highly liquid investments purchased with an original maturity of three months or less as cash and cash equivalents on the accompanying statement of net assets available for benefits.

The Plan maintains its cash in bank deposit accounts at a high-quality financial institution. The balances, at times, exceed federally insured limits.

### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

### Subsequent Events

The Plan Administrator has evaluated subsequent events through April 8, 2026, the date the financial statements were available to be issued.

## Note 3 - Stop-Loss Insurance

The Plan has a stop-loss insurance arrangement with HM Life Insurance Company. Under the arrangement, the Plan pays participant claims up to a specified limit, with any excess absorbed by HM Life Insurance Company. The specified limits, on a per covered participant and aggregate benefit per policy basis, are $75,000 and $1,000,000, respectively, for the contract year ended June 30, 2025. Charges for the insurance coverage are included in premiums paid. Stop-loss refunds totaling $422,308 have been netted with claims paid in the statement of changes in net assets available for benefits.

## Note 4 - Claim Fund Surplus

The Plan has elected to reduce future monthly funding requirements paid by the net increase in benefits at June 30, 2024 of $825,553. The Plan began reducing monthly funding requirements in December 2024 by $68,713.

## Note 5 - Claims Incurred But Not Reported

Plan obligations at June 30 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

## Note 6 - Risk and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process it is at least reasonably possible that changes in these estimates and assumptions in the near-term could be material to the financial statements.

## Note 7 - Income Tax Status

The Trust established under the Plan to hold the Plan's assets is subject to income taxes on certain investment income and unrelated business taxable income. No provision for income taxes has been recorded in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is routinely subject to routine audits by tax authorities, however, there are currently no audits for any tax periods in progress.

## Note 8 - Termination of Trust and Change in Funding Arrangement

In November 2025, the Company terminated the Gaming Entertainment (Delaware), LLC Health Benefit Trust, which previously held assets to fund benefits under the Gaming Entertainment (Delaware) LLC Group Medical Plan. The termination of the trust was completed in accordance with the trust agreement and applicable law. Following the trust termination, the Plan continues to provide benefits to eligible participants; however effective September 2025, all benefits are funded directly from the general assets of the Company rather than from a dedicated trust. Upon termination of the trust $581,676 was paid to the plan sponsor to pay for claims and other plan related expenses.

## Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No asset of the Plan may revert to the Company or be used for purposes other than the exclusive benefit of the Plan's participants.
