The 403(b) Plan Committee
403(b) Thrift Plan of AchieveKids

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of AchieveKids, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of AchieveKids financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of AchieveKids and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of AchieveKids' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of AchieveKids' internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of AchieveKids' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended June 30, 2025, and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan of AchieveKids

Notes to Financial Statements

Note 1 – Description of Plan

The following description of 403(b) Thrift Plan of AchieveKids (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of Plan provisions.

General – The Plan is a salary deferral plan covering substantially all employees of AchieveKids (the Organization) and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Organization is the Plan's sponsor.

Administration – The Organization has appointed the 403(b) Plan Committee (the Committee) to manage the operation and administration of the Plan. The Organization contracted with Mutual of America Life Insurance Company (Mutual of America) to act as the ongoing active custodian for Plan assets. Another identified qualified custodian holding Plan assets as of June 30, 2025 and 2024, is TIAA and CREF. Although the Plan cannot require participants to transfer assets held by TIAA and CREF to Mutual of America, it is the objective of the Plan to encourage all participants to do so.

Eligibility – Employees of the Organization are eligible to participate in the Plan upon employment. Participants must be 21 years of age and complete at least one year of service during the Plan year to be eligible to receive any employer-paid contributions.

Contributions

Participant contributions – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Effective January 1, 2026, Participants may also elect to make Roth contributions utilizing after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer match contributions – The Organization matches 100% of each eligible participant's contribution up to a maximum of 4% of the participant's eligible compensation.

Contributions are subject to regulatory limitations.

Participant accounts – Each participant's account is credited with the participant's contribution and Organization contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account into various investment options offered by the Plan.

403(b) Thrift Plan of AchieveKids

Notes to Financial Statements

Vesting – Participants are vested immediately in their contributions plus earnings thereon. Vesting in the Organization's contribution portion of their accounts is based on years of continuous service. Participants vest in the Organization's contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to the maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Proceeds are paid from Mutual of America's general assets (group annuity loan). Participants receiving a group annuity loan are required to maintain the amount borrowed plus a loan reserve (20% of the loan amount) as security against the Interest Accumulation Account (IAA) for the period of time the loan is outstanding. This amount is included in the IAA on the statements of net assets available for benefits, of which approximately \$89,000 and \$98,000 equals the outstanding amount of the group annuity loans paid from Mutual of America's general assets as of June 30, 2025 and 2024, respectively.

Payment of benefits – On termination of service due to death, disability, retirement, or other reasons, a participant (or their beneficiary) may elect to receive either a lump-sum amount or annuity payments equal to the value of the participant's vested interest in his or her account. The Plan allows for the automatic distribution for terminated employees of participant vested account balances that do not exceed \$5,000.

Forfeitures – Forfeitures are the nonvested portion of a participant's account that are lost upon termination of employment. Forfeited nonvested accounts may be used to restore previous forfeitures of re-employed participants, pay plan administrative expenses, and reduce future employer contributions.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – The investments are reported at fair value and contract value. The Plan's custodians, TIAA and CREF and Mutual of America, certify the contract value of the IAA and guaranteed investment contracts and the fair value of all other investments. If available, quoted market prices are used to value investments.

403(b) Thrift Plan of AchieveKids

Notes to Financial Statements

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in the IAA and fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Contributions – Contributions from participants and corresponding matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses had been recorded as of June 30, 2025 or 2024.

Payment of benefits – Benefits are recorded when paid.

Expenses – Substantially all expenses incurred for administering the Plan are paid by the Organization.

Subsequent events – The Plan has evaluated subsequent events through April 7, 2026, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

403(b) Thrift Plan of AchieveKids

Notes to Financial Statements

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at June 30, 2025 and 2024.

Nonfully benefit-responsive guaranteed investment contract – Valued at fair value determined by the sum of the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals. Fair value is determined and reported to the Plan by TIAA and CREF. Investments in the contract are intended to be held until maturity. Early liquidation could result in termination charge.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Variable annuity contracts – Valued based on the fair value of the underlying assets owned by the contracts, which consist of open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV), to transact at that price, and are deemed to be actively traded. Funds have a daily redemption feature.

Pooled separate accounts – Units held in pooled separate accounts (PSA) are valued using the NAV practical expedient of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding.

The NAV practical expedient of the above PSAs is determined daily, and units are issued and can be redeemed daily at the latest NAV. There are no unfunded commitments or redemption restrictions associated with these accounts.

The PSA held by TIAA and CREF is valued based on the fair value of the underlying assets owned by the contract, which consist of open-end funds that are registered with the U.S. Securities and Exchange Commission. This fund is required to publish its daily NAV, to transact at that price, and is deemed to be actively traded.

The valuation techniques used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

403(b) Thrift Plan of AchieveKids

Notes to Financial Statements

The following tables disclose the fair value hierarchy of the Plan's assets by level as of June 30, 2025 and 2024:

Fair Value Measurement at June 30, 2025				
	Level 1	Level 2	Level 3	Total
Variable annuity contracts	\$ 787,785	\$ -	\$ -	\$ 787,785
Nonfully benefit-responsive guaranteed investment contracts	-	-	28,630	28,630
Pooled separate account	3,932	-	-	3,932
Total assets at fair value hierarchy	<u>\$ 791,717</u>	<u>\$ -</u>	<u>\$ 28,630</u>	820,347
Investments measured at NAV practical expedient				<u>7,017,105</u>
Investments, at fair value				<u>\$ 7,837,452</u>

Fair Value Measurement at June 30, 2024				
	Level 1	Level 2	Level 3	Total
Variable annuity contracts	\$ 706,950	\$ -	\$ -	\$ 706,950
Nonfully benefit-responsive guaranteed investment contracts	-	-	27,460	27,460
Pooled separate account	3,853	-	-	3,853
Total assets at fair value hierarchy	<u>\$ 710,803</u>	<u>\$ -</u>	<u>\$ 27,460</u>	738,263
Investments measured at NAV practical expedient				<u>6,839,900</u>
Investments, at fair value				<u>\$ 7,578,163</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The Plan administrator evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

Purchases of the Plan's Level 3 investment for the year ended June 30, 2025, totaled \$1,170.

Quantitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following table presents the Plan's Level 3 investment, the valuation techniques used to measure the fair value as of June 30, 2025 and 2024, and the significant unobservable inputs and ranges of values for those inputs:

Name	Valuation Technique	Unobservable Inputs	Range of Input Values (Weighted Average)	
			2025	2024
TIAA nonfully benefit-responsive guaranteed investment contract	Discounted cash flow	Risk-adjusted discount rate	3.65% to 6.50%	4% to 6.75%

Fair Value of Investments that Calculate NAV Practical Expedient

The following sets forth additional disclosures for the fair value measurement of investments that are valued using the NAV practical expedient, do not file as direct filing entities with the Department of Labor, and represent 5% or more of the Plan's net assets as of June 30, 2025 and 2024.

Mutual of America Clear Passage 2050 Fund – Seeks to provide capital appreciation and current income consistent with an asset allocation appropriate for investors expecting to retire around the year 2050. The Fund follows a target-date investment approach and is managed pursuant to a glide path that gradually becomes more conservative over time, both as the target date approaches and for a period thereafter. The Fund invests primarily in shares of affiliated and unaffiliated mutual funds. Through its underlying investments, the Fund obtains exposure to a diversified mix of asset classes, including U.S. and international equity securities, fixed-income securities, and money market and short-term investments.

Mutual of America Equity Index Fund – Seeks to provide investment results that correspond to the investment performance of the Standard & Poor's 500 Composite Stock Price Index (the S&P 500® Index). The fund invests primarily in common stocks that are included in the S&P 500® Index to replicate, to the extent practicable, the weightings of such stocks in the index. The fund will concentrate its investments in an industry or group of industries to the extent that the index being tracked is also concentrated.

Note 4 – Interest Accumulation Account

In 2014, the Organization entered into an agreement to establish an IAA with Mutual of America which maintains the contributions in a general account. Mutual of America is contractually obligated to repay the principal and 1% interest rate to the Plan, on dates determined by the Organization, but no less frequently than once each calendar month.

The IAA is reported at contract value as this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mutual of America, represents contributions made to the general account, plus interest, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account at contract value.

403(b) Thrift Plan of AchieveKids

Notes to Financial Statements

The Plan's ability to receive amounts due is dependent on Mutual of America's ability to meet its financial obligations, which may be affected by future economic and regulatory developments. There are no restrictions in the account; however, Mutual of America has the right to defer payment of a total withdrawal from the IAA for up to six months following such request.

Note 5 – Tax Status

The Plan document is a prototype non-standardized 403(b) plan that received a favorable opinion letter from the Internal Revenue Service dated March 31, 2017, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statement of net assets available for benefits.

Note 7 – Certified Investment Information

The following information related to investments was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America and TIAA and CREF, qualified institutions:

- Investments on the accompanying statements of net assets available for benefits as of June 30, 2025.
- Net appreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2025.
- Investments reflected on the schedule of assets (held at end of year) as of June 30, 2025.

403(b) Thrift Plan of AchieveKids

Notes to Financial Statements

Note 8 – Party-in-Interest Transactions

The Plan paid expenses related to the Plan's operations and investment management to various service providers. Certain Plan investments are managed by Mutual of America and TIAA and CREF, the custodians of the Plan and affiliates of Mutual of America and TIAA and CREF and, therefore, transactions with these entities qualify as exempt party-in-interest transactions.

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

Note 10 – Reconciliation to Form 5500

Mutual of America reclassifies funds held in the IAA, totaling \$89,455 and \$98,189 at June 30, 2025 and 2024, respectively, to participant loans on the Form 5500, Schedule H. These amounts represent the outstanding group annuity loans that were paid from Mutual of America general assets and not participant accounts (see Note 1). The difference in presentation relates to classification only and had no effect upon net assets available for benefits for either period.

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.

Note 11 – Delinquent Participant Contributions

As disclosed in the accompanying supplemental schedule, certain employee deferrals were not remitted to the Plan within the timeframe required by the Department of Labor. The Organization has determined the amount of related lost earnings and has remitted a portion of these amounts to participants' accounts during the plan year. The Organization will determine the amount of remaining related lost earnings and will remit these amounts to participants' accounts subsequent to Plan year end.
