## **Independent Auditor's Report**

To the Plan Administrator  
Howard Industries, Inc. 401(k) Bargaining Employees Retirement Savings Plan  
Laurel, Mississippi

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements***

We have performed the audit of the financial statements of Howard Industries, Inc. 401(k) Bargaining Employees Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of June 30, 2025, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2025 Financial Statements***

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying 2025 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2025 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2025 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2025 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the 2025 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2025 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2025 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – 2025 Supplemental Schedule Required by ERISA***

The ERISA-required Supplemental Schedule H (Form 5500), line 4i- Schedule of Assets (Held at End of Year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Auditor's Report on the 2024 Financial Statements***

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated March 4, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following description of Howard Industries, Inc. 401(k) Bargaining Employees Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan, covering all full time employees of Howard Industries, Inc. (Howard, Plan Sponsor, or the Company) who are in a collective bargaining agreement. The Plan requires the participant to have completed one year of service by the end of a 12-month period and has no age requirement. The participant will be credited with a year of service for eligibility purposes after they have completed 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### *Trustee and Administration of the Plan*

The administrator of the Plan is the Company. The Trustee holds all assets of the Plan in accordance with the provisions of the trust agreement and service provider contract with the Company. The Company, along with the Plan investment advisor, Regions Bank, determine the Plan's investment offerings and monitor investment performance.

Ascensus Trust Company (Ascensus or Former Trustee) served as trustee for the Plan for a portion of the year and managed Plan assets. On May 16, 2025, Fidelity Management Trust Company (Fidelity or Trustee) became the trustee to all investments held in the Plan and all Plan assets were transferred in-kind to Fidelity.

#### *Contributions and Rollovers*

The Plan allows participants to make pretax contributions to the Plan subject to the limitations set forth in the Internal Revenue Code (the Code), including catch-up contributions, but not more than 25% of their pretax eligible annual compensation. Participants who attain age 50 on or before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions among the investment options available under the Plan. Participants may revise their elective deferrals to change their contribution percentage on the Plan Anniversary Date and on the first day following any Valuation Date. The Plan Sponsor will make a matching contribution equal to the lesser of 100% of the employee's deferral amount or \$550 for actively employed participants on June 30, 2025 and each June 30 thereafter. Rollovers represent distributions from qualified plans not sponsored by the Plan Sponsor.

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions, the Plan Sponsor's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The Plan provides benefits based solely upon the amount contributed to the participant's account and any income, expenses, gains and losses on investments, which may be allocated to such participant's account.

# Howard Industries, Inc. 401(k) Bargaining Employees Retirement Savings Plan

## Notes to Financial Statements

---

### ***Vesting***

Participants are immediately vested in their voluntary contributions, including any rollover contributions plus earnings thereon. Participants become 100% vested in the Employer contribution upon completion of three years of service. A year of vesting service is credited upon completion of 1,000 hours of service, and participants must complete at least 500 hours of service during a Plan year to avoid a break in vesting service.

### ***Contributions Receivable***

Participant contributions and any related matching contributions are recognized in the period during which the Plan Sponsor makes the respective payroll deduction from the participant's compensation.

### ***Payment of Benefits***

Benefits are payable on retirement, death, disability or hardship. Benefits may be paid by lump-sum equal to the value of the vested amount in the participant's account. Participants may request to receive a distribution of any rollover or transfer contributions at any time.

Upon termination of service for reasons other than death, disability, or retirement, a participant may receive the value of the vested portion of his or her account as a lump-sum distribution. If the participant has not attained age 59½, the distribution may be subject to a 10% early withdrawal penalty. Distributions may be rolled over to an IRA or other tax-qualified plan to help avoid penalties.

### ***Forfeited Accounts***

Forfeitures may be used to pay administrative expenses of the plan or reduce employer contributions for the immediately following plan year. Forfeited non-vested accounts totaled \$27,606 and \$23,526 at June 30, 2025 and 2024, respectively.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Presentation***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## Notes to Financial Statements

---

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses in the Plan's investments are included in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

### *Payment of Benefits*

Benefits are recorded when paid.

### *Administrative Expenses*

Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses of the Plan. These fees totaled \$19,843 in 2025. Fees related to investment related expenses are included in net appreciation of fair value of investments.

## **3. Certified Investment Information**

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of June 30, 2025 and 2024, and net appreciation in fair value of investments, interest and dividend income for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus and Fidelity, qualified institutions.

## **4. Related Party Transactions and Party-in-Interest Transactions**

Fidelity serves as the Plan's trustee effective May 16, 2025. Ascensus served as trustee for periods prior to May 16, 2025. Regions Bank serves as the Plan's investment advisor. Since these entities provide services to the Plan, they are considered related parties under Accounting Standards Codification (ASC) 850 and parties-in-interest under ERISA. Fees paid by the participants for June 30, 2025 and 2024, for distribution fees were \$19,843 and \$18,125, respectively.

## **5. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to terminate the Plan at any time, subject to the provisions of ERISA. If terminated, the net assets of the Plan are to be set aside for the participants' vested benefits.

## **6. Income Tax Status**

The Company has adopted a volume submitter Plan whose sponsor obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The volume

# Howard Industries, Inc. 401(k) Bargaining Employees Retirement Savings Plan

## Notes to Financial Statements

---

submitter Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

### 7. Risks and Uncertainties

The Plan provides for various investment in mutual funds and a money market mutual fund. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### 8. Fair Value Measurements

Accounting Standards Codification (ASC) 820, Fair Value Measurement, which provides the framework for measuring fair value, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) ASC Topic 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, on a recurring basis. There have been no changes in the methodologies used at June 30, 2025 and 2024.

# Howard Industries, Inc. 401(k) Bargaining Employees Retirement Savings Plan

## Notes to Financial Statements

The Plan had no financial assets that were measured at fair value on a nonrecurring basis during the years ended June 30, 2025 and 2024.

**Mutual Funds** - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

**Common/Collective Trust Funds** - These are valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

**Money Market Fund** - Money Market Fund is valued at the NAV of shares held by the Plan at year-end, as reflected in an active market (Level 1).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:
