INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Victor Community Support Services, Inc.
Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Victor Community Support Services, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 30, 2025 and 2024 and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Victor Community Support Services, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Victor Community Support Services, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Victor Community Support Services, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Victor Community Support Services, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Victor Community Support Services, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

continued

Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VICTOR COMMUNITY SUPPORT SERVICES, INC.

RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

Effective July 1, 2017, Victor Community Support Services Profit Sharing Plan was renamed Victor Community Support Services, Inc. Retirement Plan ("the Plan"). Additionally, effective July 1, 2017, eligibility conditions require participant to meet the age requirement of 21 years old and possess two years of service with Victor Community Support Services, Inc. ("VCSS").

The following description of the Plan provides only general information. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan is a non-contributory defined contribution retirement plan of VCSS. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

VCSS and Victor Treatment Centers, Inc. (a related party) have each established separate plans that use separate contribution formulas and maintain separate investment accounts. These plans may allow that service in any of these entities be combined for purpose of qualification for contribution, allocation, and vesting. A contribution will be allocated based upon the compensation received in each individual entity using the combined hours for all entities.

Plan Benefits

The Plan covers all employees of VCSS. Employees who are at least twenty-one years of age and have completed two years of service are eligible to participate in the Plan. Eligible employees enter the Plan on the earlier of January 1 or July 1 immediately following the meeting of the requirements above.

Participants must work at least 1,000 hours during a plan year and must be an active employee on the last day of the plan year to be eligible to receive an allocation of that year's annual employer contribution. Annual employer contributions are at the discretion of VCSS.

Annual employer contributions are allocated to each participant in the same ratio that each participant's benefit factor for the plan year bears to the sum of the benefit factors of all participants for the plan year. A participant's benefit factor is his/her compensation multiplied by the actuarial factor in Appendix A of the Plan.

Plan earnings less expense are allocated to all participants (active and those pending distribution) based upon their proportional beginning balances.

Termination

If an employee terminates prior to six years of service, except for reasons of death or attaining normal retirement age (as defined by the Plan), they forfeit the right to receive a portion of their accumulated plan benefits. Plan benefits are paid to terminated employees in one lump sum.

VICTOR COMMUNITY SUPPORT SERVICES, INC.

RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Vesting

Vesting for employer contributions is pro-rated on years of continuous service. A participant is 100% vested after 5 years of credited service. A year of credited service is defined by the Plan as 1,000 hours worked in a plan year.

Participants subject to the eligibility conditions implemented effective July 1, 2017 are 100% vested after two years of credited service.

Payment of Benefits

Benefits under the Plan generally may be paid in the form of a lump-sum amount equal to the value of the participant's vested account balance.

Forfeitures

Upon termination of employment, non-vested portions of the participant's accounts are forfeited. Forfeitures are allocated to the remaining participants in the same manner as employer contributions. For the years ended June 30, 2025 and 2024, forfeited, non-vested accounts which were fully reallocated during those plan years totaled \$33,905 and \$38,489, respectively.

Death Benefits

If an active employee dies, the employee's benefit becomes 100% vested and the beneficiary will receive the balance of the employee's account.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues, and expenses as of the date and for the period presented. Actual results could differ from those estimates.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs – quoted prices in active markets for identical assets

Level 2 inputs – quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs – estimates using the best information available when there is little or no market

The Plan is required to measure certain investments and revenue at fair value. The specific techniques used to measure fair value for these financial statement elements are described in the notes below that relate to each element.

Administrative Expenses

The Plan absorbs all the custodian expenses of the plan. All other plan administrative expenses are paid by the employer. During 2025 and 2024, total custodian expenses of the Plan were \$76,283 and \$82,076, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various asset classes and the utilization of investment managers.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Subsequent Events

Management has evaluated subsequent events through April 8, 2026, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Information Prepared and Certified by the Custodian

No auditing procedures were performed on investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Ascensus, the custodian of the Plan, as of June 30, 2025 and 2024, respectively:

	<u>2025</u>	<u>2024</u>
Mutual funds	\$25,393,835	\$11,696,361
Exchange-traded products	-	8,294,229
Cash and cash equivalents	<u>145,077</u>	<u>2,731,350</u>
	<u>\$25,538,912</u>	<u>\$22,721,940</u>

During the years ended June 30, 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the year) had a net appreciation of \$1,365,896 and \$1,487,478, respectively, attributed to mutual funds and exchange-traded products.

4. Fair Value Measurements

The table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>June 30, 2025</u>				
Mutual funds				
in the fair value hierarchy	\$25,393,835			<u>\$25,393,835</u>
<u>June 30, 2024</u>				
Mutual funds				
in the fair value hierarchy	11,696,361			11,696,361
Exchange-traded products				
in the fair value hierarchy	8,294,229			<u>8,294,229</u>
				<u>\$19,990,590</u>

The fair value of mutual funds and exchange-traded products have been measured on a recurring basis using quoted prices for identical assets in active markets (Level 1 inputs).

NOTES TO FINANCIAL STATEMENTS

5. Plan Termination

Although it has not expressed any intent to do so, VCSS has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. Tax Status

The trust established under the Plan to hold the plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service ("IRS") and the plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

7. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee and custodian transactions, including revenue sharing and fee offset agreements, as well as VCSS' payment of certain Plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee and custodian were \$76,283.

The Plan's investment options include funds managed by Ascensus. As custodian and trustee, Ascensus's transactions qualify as exempt parties-in-interest transactions.
