INDEPENDENT AUDITOR'S REPORT

To the Trustees
Yetter Manufacturing Company Employee Group Health Plan

Opinion

We have audited the accompanying financial statements of Yetter Manufacturing Company Employee Group Health Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements (cash basis).

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (cash basis) of the Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits (cash basis) for the years then ended in accordance with the cash basis of accounting, as described in Note 2 to the accompanying financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2 to the financial statements, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of assets (held at end of year) as of June 30, 2025 and the schedule of reportable transactions for the year ended June 30, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Yetter Manufacturing Company Employee Group Health Plan

Opinion

We have audited the accompanying financial statements of Yetter Manufacturing Company Employee Group Health Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements (cash basis).

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (cash basis) of the Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits (cash basis) for the years then ended in accordance with the cash basis of accounting, as described in Note 2 to the accompanying financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2 to the financial statements, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of assets (held at end of year) as of June 30, 2025 and the schedule of reportable transactions for the year ended June 30, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Yetter Manufacturing Company Employee Group Health Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established June 1, 1984, to provide medical, dental, and short-term disability benefits to substantially all full-time employees of Yetter Manufacturing Company (the Company) and their dependents.

The Plan provides the benefits through a welfare arrangement, which is funded by a voluntary employee's beneficiary association (VEBA) trust fund. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan management approved the termination of the VEBA funding trust effective April 30, 2025. The Plan continues to provide benefits subsequent to this date, and management does not intend to terminate the Plan. Following the termination of the VEBA trust, benefits are funded through a custodial account. The Company expects to directly fund Plan benefits from its general assets upon dissolution of the custodial account.

Eligibility and Benefits

The Plan provides self-insured medical, dental, vision, and short-term disability benefits to full-time employees and their dependents who meet certain service requirements. In addition, the Plan provides for life insurance and accidental death and dismemberment (AD&D) insurance in the amount of $10,000 each for all full-time salaried and hourly employees. Employees are eligible to participate in the previously mentioned benefits after 60 days of continuous service. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-Insured Benefits

The Plan's medical, dental, vision, prescription, and short-term disability benefits are self-insured. The claims for these self-insured benefits are processed by the third-party claims processer under administrative services only (ASO) arrangements. The claim processors pay claims directly to or on behalf of the participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Company. Ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

1. DESCRIPTION OF PLAN (Continued)

Fully Insured Benefits

The Plan fully insures life insurance and accidental death and dismemberment (AD&D) insurance benefits. The Plan purchases annual insurance contracts for these benefits. Premiums for these benefits are paid to the insurance companies from assets of the Plan's VEBA trust or general assets of the Company.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Under the policy, the Plan is reimbursed for claims paid in excess of $70,000 per year per participant, or $100,000 per year in the aggregate.

Contributions

The Plan is self-funded for claims incurred through employer and employee contributions. Hourly and salaried employees are required to contribute for dependent coverage ($22.50 bi-weekly for one dependent or $45.00 bi-weekly for multiple dependents). Employer contributions are determined by the Company, generally in amounts necessary to pay claims owed by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (US GAAP). Accordingly, certain liabilities and expenses are recognized when paid rather than when the obligation is incurred. Contributions are recognized and recorded when cash is received. In the same manner, expenses and claims are recognized and recorded upon disbursement of cash. Cash basis financial statements omit recognition of receivables and payables and other accrued and deferred items.

Cash

Cash is defined as currency on hand, in demand deposits.

Use of Estimates

The estimate that is particularly susceptible to significant change in the near-term is the estimate of incurred but not reported (IBNR) claims. Although it is not possible to measure the degree of variability inherent in this estimate, management believes that the amounts disclosed are adequate.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments consist solely of money market funds, which are considered cash equivalents and recorded at the amount of cash on hand. Under the cash basis of accounting, the Plan recognizes investment income when received and does not adjust investments to fair value. Accordingly, disclosures related to fair value measurements are not required and are not presented.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received.

Concentrations

As of June 30, 2025 and 2024, the Plan had investments that represented more than 10% of net assets of $38,728 and $266,070, respectively, that were concentrated in one fund.

Payment of Benefits

Benefits are recorded when paid. Premiums paid are recorded as insurance premiums in the accompanying statements of changes in net assets available for benefits (cash basis). Claim payments are recorded when paid by the trust or when paid to the third-party claim processors. Claim payments are recorded in health benefits in the accompanying statements of changes in net assets available for benefits (cash basis).

Stop-Loss Insurance

Premiums for stop-loss insurance are included in stop-loss insurance premiums paid in the accompanying statements of changes in net assets available for benefits (cash basis). Stop-loss refunds totaling $539,847 and $809,168 for the years ended June 30, 2025 and 2024, respectively, have been netted with health benefits paid in the accompanying statements of changes in net assets (cash basis).

Refunds

Subrogation and medical refunds are recorded when received. These refunds totaled $56,903 and $55,750 for the years ended June 30, 2025 and 2024, respectively. Subrogation and medical refunds are netted with health benefits in the accompanying statements of changes in net assets available for benefits (cash basis).

Claims Incurred but Not Reported

Plan obligations as of June 30, 2025 and 2024, for pending and unreported claims incurred by participants at that date are based on a review of actual claims paid subsequent to the year end. This review is performed by the Plan's third-party claims administrator, Consociate Health. Such estimated amounts are reported in Note 7.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses paid by the Plan include trustee and third-party benefits administration fees. The Company pays the plan audit fee and provides accounting and other administration services to the Plan at no charge. Fees paid by the Company are excluded from these financial statements.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Effective April 30, 2025, Plan management approved the termination of the VEBA funding trust. The Plan continues to provide benefits subsequent to this date, and the Plan is not terminating. Following the termination of the VEBA trust, the Plan is funded through a custodial account maintained by the Plan. Upon completion of the transition process, management expects Plan benefits to be funded directly from the general assets of the Company.

4. TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated October 22, 1984, stating that the trust is tax-exempt under the provisions of Section 501(c) 9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 or 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid fees of $108,387 and $134,803 to third-party administrators for the years ended June 30, 2025 and 2024, respectively. The administrators are responsible for, among other things, processing and paying claims of participants.

Substantially all Plan administrative expenses, other than fees paid to third-party administrators, are paid by the Company.

6. RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits (cash basis).

7. BENEFIT OBLIGATIONS

The Plan's benefit obligations for the years ended June 30, 2025 and 2024, are as follows:

	2025	2024
BENEFIT OBLIGATIONS, BEGINNING OF YEAR	$ 102,451	$ 197,723
Claims payable	-	-
Health claims incurred	1,779,760	1,749,726
Health claims paid	(1,389,661)	(1,844,998)
BENEFIT OBLIGATIONS, END OF YEAR	$ 492,550	$ 102,451

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 9, 2026, which was the date that these financial statements were available for issuance and determined that there were no significant nonrecognized subsequent events through that date.
