We have performed audits of the financial statements of ForKidCare, LLC 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and June 30, 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and June 30, 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Note 1. Description of Plan**

### ***General***

The following description of the ForKidCare, LLC 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan, which was established on July 1, 1993, is classified as a 401(k) profit-sharing plan, covering members of District 1199C, National Union of Hospital and Health Care Employees, who are age 18 or older and are employees of ForKidCare, LLC (the “Plan Sponsor”), or Voorhees Pediatric Rehabilitation Services, Inc. (a related entity) (collectively, the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The primary purpose of the Plan is to provide covered employees with financial benefits upon retirement.

### ***Contributions***

Each year, participants may elect to contribute up to 50% of their gross compensation, not to exceed Internal Revenue Service (“IRS”) limits, through a salary reduction agreement. In accordance with the collective bargaining agreement, the Employer contributes supplemental contributions to each eligible employee based upon the number of hours of service rendered by such employee during the Plan year. Employee deferrals are not required in order to obtain an allocation of the Employer contribution to employee accounts. For the Plan year ended June 30, 2025, the Employer contributed \$1.15 per hour from July 2024 through December 2024 and \$1.25 per hour from January 2025 through June 2025 for all regularly scheduled hours up to a maximum of 2,080 hours per Plan year.

### ***Participant Investment Account Options***

Participants direct the investment of their accounts into various investment options offered by the Plan. Investment account options available include a fully benefit-responsive investment contract, variable annuities and registered investment companies.

### ***Participant Accounts***

Under the Plan, a separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution, Employer contributions, and allocations of Plan earnings, and charged with an allocation of administrative expenses, if any. Participant contributions and Employer contributions are allocated, at the participant’s election, to investment funds held at Empower Trust Company, LLC (the “Plan Custodian”). Plan earnings are allocated based on the actual earnings of the respective participants’ investments.

### ***Vesting***

The entire amount in each participant’s salary reduction account and Employer contribution account is fully vested at all times and is not subject to forfeiture.

### ***Notes Receivable from Participants***

Participants are not permitted to borrow from their account.

***Payment of Benefits***

Distribution of benefits may be made in a lump-sum cash payment or in an annuity. As of June 30, 2025 and 2024, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but have not been paid. Hardship distributions are allowed under the Plan.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

***Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

***Investment Valuation and Income Recognition***

Investments in registered investment companies are valued based upon quoted market prices, if available, or are valued at net asset values calculated daily by the fund administrator, based upon the market value of the underlying securities held by the fund, less unpaid expenses.

Investments in variable annuities are based on the quoted price obtained for the underlying mutual fund which is then adjusted to apply the expense factor disclosed in the annuity contract.

The Plan Custodian offers a fully benefit-responsive investment contract (FBRIC), which has a Guaranteed Interest Fund (GIF) as the only underlying investment option. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to the FBRIC, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 4). Contract value, as reported by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The preceding methods described may produce a value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of investments are recorded on a trade-date basis and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Contributions***

Contributions to the Plan are recorded in the period in which they become obligations of the Employer.

***Payment of Benefits***

Benefit payments to participants are recorded when paid.

***Administrative Expenses***

The Plan's administrative expenses are shared by the Plan and the Employer, as provided by the Plan document. Certain administrative functions are performed by employees of the Employer. No such employee receives compensation from the Plan.

***Subsequent Events***

The Plan has evaluated subsequent events for recognition and disclosure through April 13, 2026, which is the date the financial statements were available to be issued.

**Note 3. Certification of Custodian**

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Custodian, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of June 30, 2025 and 2024.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2025.
- Investment information included in the accompanying schedule of assets (held at end of year) as of June 30, 2025.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

**Note 4. Related-Party and Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are managed by the Plan Custodian or an entity related to the Plan Custodian. The Plan's fully benefit-responsive investment contracts are maintained by the Plan Custodian.

During 2025, administrative, advisory services, and other custodian costs associated with investment accounts of approximately \$44,000 were charged directly to the Plan. The Employer also absorbs significant costs related to various administrative and investment advisory services on behalf of the Plan.

## **Note 5. Fully Benefit-Responsive Investment Contracts**

The Plan has entered into a Group Fixed Deferred Annuity Contract with Empower Annuity Insurance Company of America ("Empower") where the contract is deemed fully benefit-responsive. The Plan Custodian is a wholly owned subsidiary of Empower. The GIF is the only available investment option in the contract and is a fixed account that is part of the general account of Empower. Interest earned on the GIF value is compounded daily to the effective annual interest rate. The interest rate to be credited to the Plan's assets in the GIF during the calendar quarter will be determined by Empower prior to the last day of the previous calendar quarter and shall be reset at least quarterly. The effective annual interest rate will never be less than 0%. The interest rate is declared quarterly, with interest credited on a daily basis at an annual effective rate on a portfolio basis.

The Plan's ability to receive amounts due in accordance with the FBRIC is dependent upon the third-party issuer's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against the contract value for credit risk of the contract issuer or otherwise. If a participating plan terminates participation in the contract, the lesser of the guaranteed value or the fair value, as defined in the contract, will be received.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Documents including complete or partial plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employer, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The Plan Sponsor believes that there are no events that are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer.

## **Note 6. Fair Value Measurements**

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritize the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy are described below:

- Level 1** Unadjusted quoted prices in active markets for identical assets or liabilities the Plan has the ability to access at the measurement date.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Significant, unobservable inputs used for valuing the asset or liability in which little or no market data exists.

## **Note 7. Risks and Uncertainties**

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **Note 8. Income Tax Status**

The adopted plan is a prototype plan prepared and maintained by a third party. The prototype plan obtained its latest determination letter on November 14, 2022, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The adopted Plan has been amended since receipt of the determination letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

## **Note 9. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan assets will be distributed in proportion to participants' respective account balances as of the date of termination.
