Independent Auditors' Report

The Retirement Plan Committee
Zippy's 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Zippy's 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024 and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Loan Repayments and schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

(1) Description of Plan

The following description of the Zippy's 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan amended and restated effective July 1, 2021, by FCH Enterprises, Inc. (the Company), to provide benefits to eligible employees as defined in the plan document. Employees are generally eligible to participate in the Plan upon the earlier of: (1) the completion of one year of service (i.e., at least 1,000 hours of service within the 12 month computation period); or (2) the completion of three consecutive years of service measured by 500 hours of service per year (i.e., at least 500 hours of service per year in three consecutive 12 month computation periods) and are age twenty-one or older. Collective bargaining employees, nonresident aliens, leased employees, and independent contractors are not eligible to participate in the Plan. The Plan is subject to the provisions of the Internal Revenue Code (IRC) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration of Plan Assets

The Company has appointed a Retirement Plan Committee to manage the operation and administration of the Plan. Empower Trust Company, LLC (Empower) is the Plan's custodian. Empower Retirement, LLC maintains records of all the Plan's assets.

Contributions

Eligible employees of the Company are entitled to make pre-tax or after tax roth salary deferrals to the Plan up to the lesser of 100% of the participant's eligible compensation or the maximum amount allowed by the IRC. Participants may also contribute amounts representing rollover distributions from other qualified plans or individual retirement accounts. Additionally, participants who attain age 50 before the end of a calendar year may elect to make additional catch-up contributions to the Plan, not to exceed the amount allowable under current income tax regulations, which was \$7,500 for the plan year ended June 30, 2025.

The Company, in its sole discretion, may make a discretionary Company match or profit sharing contributions as determined by the Company's board of directors. For the year ended June 30, 2025, the Company elected to make a discretionary Company matching contribution of 50% of the participant's deferral contribution to the Plan up to a maximum of 2% of the participant's eligible compensation. The Company did not elect to make any profit-sharing contributions for the year ended June 30, 2025. Employees are eligible for discretionary Company match or profit sharing contributions each year having completed 1,000 hours of service during the plan year and are employed on the last day of the plan year.

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of profit sharing contributions and plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Vesting in the Company's matching and profit sharing contribution portion of their accounts plus actual earnings or losses thereon is based on years of continuous service. Employees who were participants and completed at least three years of credited service as of the effective date of an amendment will be subject to the pre-amendment vesting schedule, if elected. All other employees will vest in their Company match and profit sharing contributions after five years of credited service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance of the participant during the preceding 12 months or 50% of their vested account balance provided the loan is paid back with interest within five years. However, if the loan is for the purchase of a participant's principal residence, the plan administrator may permit a longer repayment term. The loans are secured by the vested balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator. Current interest rates range from 5.25% to 10.50 %. Principal and interest are paid ratably through payroll deductions.

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account. The plan also provides for hardship withdrawals and in service distributions subject to certain limitations.

Forfeited Accounts

As of June 30, 2025 and 2024, forfeited nonvested accounts totaled \$33,213 and \$7,837, respectively. These accounts will first be used to pay administrative expenses and any remaining forfeitures used to reduce future employer contributions. For the year ended June 30, 2025, no forfeitures were used to pay administrative expenses or employer contributions.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

Cash Surrender Value of Life Insurance

Premium payments and changes in the cash surrender value of the life insurance policies are charged or credited to their respective accounts. The cash surrender value is determined annually by the insurer.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by investment advisers and the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the respective participant's account and are included in administrative expenses. Participants are allocated a portion of custodial fees. Administrative expenses recorded in the Plan during the year ended June 30, 2025 totaled \$146,533. Investment related expenses are included in net appreciation in fair value of investments.

Notes to Financial Statements

June 30, 2025 and 2024

(3) Information Certified by the Custodian and Insurer

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian, Empower, and the Insurer, Empower Annuity Insurance Company of America (EAIC), have certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

June 30:	2025	2024
Investments at fair value	\$ 41,683,782	\$ 38,242,207
Investment at contract value	2,174,566	2,294,421
Notes receivable from participants	188,261	252,545
Year Ended June 30:	2025	
Net appreciation in fair value of investments	\$ 3,591,305	
Dividend income	1,593,409	
Interest income	61,609	
Interest income on notes receivable from participants	14,167	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

(4) Fair Value Measurements

The accounting guidance for fair value measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: This investment is valued using the NAV of units held by the Plan at year end as provided by the insurance company. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. There are no unfunded commitments or redemption restrictions.

The preceding measurements described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2025 and 2024:

Investments at Fair Value as of June 30, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 40,557,026	\$ -	\$ -	\$ 40,557,026
Investments measured at net asset value ^(a)	-	-	-	1,126,756
	<u>\$ 40,557,026</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,683,782</u>
Investments at Fair Value as of June 30, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 38,242,207	\$ -	\$ -	\$ 38,242,207

- (a) The pooled separate account that was measured at NAV per share (or its equivalent) has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) General Account – Guaranteed Investment Account

The Plan invests in a fully benefit-responsive investment contract with EAIC. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract value of the investment contract as of June 30, 2025 and 2024 was \$2,174,566 and \$2,294,421, respectively.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

(6) Related-Party Transactions and Party-In-Interest Transactions

Notes receivable from participants are considered party-in-interest transactions. Additionally, Empower receives revenue from investment providers for services Empower provides to the funds. This revenue is placed into a plan expense account and used to offset certain administrative expenses to the Plan. During the year ended June 30, 2025, the Plan applied \$55,537 to offset administrative expenses. These transactions, therefore, qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

(8) Tax Status

The Plan is based on the non-standardized pre-approved plan sponsored by Carlsmith Ball LLP. The IRS has determined and informed Carlsmith Ball LLP, by a letter dated June 30, 2020 that the pre-approved plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has subsequently been amended; however, in the opinion of the plan administrator and the Plan's tax counsel, the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities in general are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

(10) Late Remittances

During the years ended June 30, 2025 and 2024, the Company failed to remit employee deferrals and loan repayments amounting to \$299,222 and \$278,224, respectively, to the Plan on a timely basis, according to Department of Labor regulations. The Company is currently calculating lost earnings on the 2025 late remittances and will remit it to the Plan in 2026. The Company calculated lost earnings on the 2024 late remittances amounting to \$1,269 and remitted it to the Plan in July 2025.

(11) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of June 30, 2025 and 2024, to Form 5500:

	June 30,	
	2025	2024
Net assets available for benefits per the financial statements	\$ 44,727,184	\$ 41,323,619
Less: Amounts allocated to withdrawing participants	(5,863)	(5,655)
Less: Deemed distributions	(114,911)	(53,705)
Net assets available for benefits per the Form 5500	<u>\$ 44,606,410</u>	<u>\$ 41,264,259</u>

ZIPPY'S 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

June 30, 2025 and 2024

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended June 30, 2025, to Form 5500:

Year Ended June 30:	2025
Benefits paid to participants per the financial statements	\$ 4,498,159
Add: Deemed distributions	61,206
Add: Amounts allocated to withdrawing participants at June 30, 2025	5,863
Less: Amounts allocated to withdrawing participants at June 30, 2024	<u>(5,655)</u>
Benefits paid to participants per the Form 5500	<u><u>\$ 4,559,573</u></u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to year end, but not yet paid as of that date.

In 2025 and 2024, certain notes receivable from participants became delinquent. The points in time in which delinquent notes receivable from participants are deemed to be distributions are different under the provisions of the plan agreement and the IRC. As a result, net assets available for benefits and benefits paid to participants and beneficiaries, as reported in the financial statements, differ from the Form 5500.

(12) Subsequent Events

Effective July 1, 2025, the Plan was amended changing the definition of plan year from the 12 consecutive month period ending every June 30th to the 12 consecutive month period ending every December 31st.

The Plan has evaluated subsequent events through April 9, 2026, the date at which the accompanying financial statements were available to be issued, and determined there are no other items to disclose.
