INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
InterMountain Management, LLC Health & Welfare Benefits Plan
Monroe, Louisiana

Opinion

We have audited the accompanying financial statements of InterMountain Management, LLC Health & Welfare Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of InterMountain Management, LLC Health & Welfare Benefits Plan as of June 30, 2025, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of InterMountain Management, LLC Health & Welfare Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about InterMountain

Management, LLC Health & Welfare Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of InterMountain Management, LLC Health & Welfare Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about InterMountain Management, LLC Health & Welfare Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INTERMOUNTAIN MANAGEMENT, LLC HEALTH & WELFARE BENEFITS PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE A. DESCRIPTION OF PLAN

The following description of the InterMountain Management, LLC Health & Welfare Benefits Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan became effective on July 1, 2024.

General

The InterMountain Management, LLC Health and Welfare Benefits Plan is a single employer welfare benefit plan established by InterMountain Management, LLC for the benefit of eligible employees and their dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan incorporates several component plans, including a self-funded group health plan administered by a third-party administrator, as well as fully insured vision, dental, short-term and long-term disability, life and AD&D insurance, and various voluntary insurance options provided through separate insurance carriers. The Plan is funded through a combination of sponsor and participant contributions, with medical benefits provided on a self-funded basis and all other ancillary benefits provided under group insurance contracts issued and administered by independent insurers. Participating employers include InterMountain Management, LLC and affiliated entities as listed in the Plan document.

The Plan is a defined contribution plan covering full-time employees of the Company meeting the service requirements of the Plan. Management employees are eligible to participate in the Plan on the first day of the month after they have completed 60 days of service. Non-management employees are eligible to participate in the Plan on the first day of the month after they have worked at least 130 hours for a consecutive six-month period.

Contributions

The Plan is contributory; the Plan sponsor determines the amount of sponsor contributions and the portion of the premium or cost of coverage, if any, to be paid by employees. Employee contribution rates and any changes thereto are communicated periodically, generally in connection with open enrollment or revisions to the component plans. For the self-funded medical benefits, the Plan sponsor funds claim costs (net of participant contributions) in accordance with the terms of the Plan and the administrative services agreement with the claims administrator.

NOTE A. DESCRIPTION OF PLAN — CONTINUED

Benefits

Under the Plan, eligible employees and their covered dependents are provided with medical benefits through a comprehensive medical benefit plan and with other welfare benefits including dental, vision, life, accident, and disability coverage through separate component plans. The medical benefits are provided under a self-funded group health plan administered by Blue Cross and Blue Shield of Louisiana. Dental, vision, life, accident, and disability benefits are provided under group insurance contracts issued by Kansas City Life Insurance Company. Specific eligibility requirements, waiting periods, and the scope of covered services are defined in the applicable component plan documents and summary plan descriptions.

Other

The plan sponsor reserves the right, at its sole discretion, to amend the Plan at any time, including the right to amend or transfer any component plan, and to discontinue its contributions or to terminate the Plan, in whole or in part, subject to the provisions of ERISA and the terms of the Plan document. Any such amendment or termination may be made without prior notice, as permitted under the Plan.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Prescription rebates

The Plan receives rebates from certain pharmacy companies for certain prescriptions. These rebates are accumulated each month and credited to the Plan towards pharmacy claims.

NOTES TO FINANCIAL STATEMENTS — CONTINUED

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES — CONTINUED

Concentration of Credit Risk

The Federal Deposit Insurance Corporation (FDIC) insures the demand accounts belonging to each depositor to up to \$250,000 in each federally chartered financial institution. Amounts in excess of \$250,000 are not covered by FDIC insurance. Financial instruments that potentially subject the Plan to credit risk consist of cash in a financial institution, which from time to time exceeds the \$250,000 federally insured limit. The Plan has minimized credit risk by depositing cash in a bank with a high credit standing. Accounts at these institutions were insured by the FDIC. The Plan has not experienced any losses of such funds and management believes the Plan is not exposed to significant credit risk on cash and equivalents. At June 30, 2025, the Plan had cash in excess of FDIC limits of \$2,550,582.

Stop Loss Coverage

The Plan provides health benefits to eligible participants under a self-insured arrangement. The Plan has entered into stop-loss insurance contracts to limit its exposure to large claims. Under the stop-loss policy, the insurer reimburses the Plan for individual participant medical claims that exceed \$250,000 during a plan year. The Plan is the policyholder and is entitled to all reimbursements, which are recorded as reductions in claims paid in the accompanying statement of changes in net assets available for benefits. Management has considered the stop-loss arrangements in measuring the Plan's benefit obligations and believes the arrangements significantly reduce the Plan's exposure to large or unusual claims. At June 30, 2025, the Plan's stop-loss coverage is provided by a single insurance carrier. The Plan is subject to the credit risk of that carrier with respect to potential recoveries under the policies. Management monitors the financial condition of the carrier and believes the risk of loss due to nonperformance is not probable at this time.

NOTE C. RISKS AND UNCERTAINTIES

The Plan's operations are subject to risks and uncertainties including, but not limited to, changes in healthcare costs, changes in insured premium rates, regulatory changes affecting group health plans, and changes in participant enrollment.

NOTE D. TAX STATUS

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax exemption letter from the Internal Revenue Service and the Plan sponsor believes that the trust and the Plan, as amended, continue to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE E. SUBSEQUENT EVENTS

Management has evaluated subsequent events through April 13, 2026, the date the financial statements were available to be issued.
