INTERNATIONAL BROTHERHOOD OF ELECTRICAL
WORKERS LOCAL NO. 56 HEALTH AND WELFARE PLAN
FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2025 and 2024

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
International Brotherhood of Electrical Workers
Local No. 56 Health and Welfare Plan
Erie, PA

Opinion

We have audited the financial statements of International Brotherhood of Electrical Workers Local No. 56 Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in its benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of International Brotherhood of Electrical Workers Local No. 56 Health and Welfare Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Brotherhood of Electrical Workers Local No. 56 Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local No. 56 Health and Welfare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Brotherhood of Electrical Workers Local No. 56 Health and Welfare Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local No. 56 Health and Welfare Plan 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

IBEW LOCAL NO. 56 HEALTH AND WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 and 2024

NOTE A – DESCRIPTION OF THE PLAN

The following description of the International Brotherhood of Electrical Workers Local No. 56 Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General – The Plan provides health and other benefits to members of IBEW Local No. 56. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits – The Plan provides health benefits (medical, hospital, surgical, major medical), accident and sickness benefits, Health Reimbursement Arrangement (HRA) benefits, and vision benefits to eligible participants and covered dependents. Retired participants are eligible to elect Group Health Plan Benefits prior to Medicare eligibility, Medicare Advantage Program Benefits after Medicare enrollment and HRA benefits.

Eligibility for Benefits - Each active participant has a health care credit bank which is funded with a portion of employer contributions. Participants are eligible for medical insurance coverage as long as they maintain enough health care credits for the corresponding coverage quarter. Participants may self-pay to maintain coverage.

Contributions – Participating employers contribute a fixed amount per hour pursuant to the collective bargaining agreement. Participants are permitted to make contributions to maintain eligibility.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition – Investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits – Benefits are recorded when paid.

NOTE C – INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan and Trust qualify under Section 501(c)(5) of the Internal Revenue Code and are, therefore, not subject to tax under present income tax law.

NOTE D – SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through February 2, 2026 the day the financial statements were approved and authorized for issue.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 and 2024

NOTE E - CONCENTRATION OF CREDIT RISK

The Plan maintains its cash accounts at two financial institutions in which balances may, at times, exceed federally insured limits.

NOTE F - PRIORITIES UPON TERMINATION

It is the intention of the Trustees to continue the Plan indefinitely. If the Plan were to be terminated by the Trustees, the assets of the Trust Fund would be used for the exclusive benefit of eligible employees to provide benefits and pay fund expenses until exhausted.

NOTE G - BENEFIT OBLIGATIONS

1. Amounts Currently Payable To Or For Participants – The amount reported as amounts currently payable to or for participants represents benefits incurred prior to June 30th and paid in the subsequent year.
2. Accumulated Eligibility Credits – Accumulated eligibility credits of participants are estimated by the plan. Such estimated amounts are reported in the Statement of Benefit Obligations at present value.
3. Postretirement Benefit Obligations – The amount reported as the postretirement benefit obligations represents the actuarial present value of those estimated future benefits that are attributed by the terms of the plan to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with participating employers. The postretirement benefit obligation represents the amount that is to be funded by contributions from the plan's participating employers and from existing plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participants and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

NOTE G – BENEFIT OBLIGATIONS (Continued)

For June 30, 2025 measurement purposes, a 5.66 percent pre-medicare and 4.50 percent post-medicare annual rate of increase in the per capita cost of covered health care benefits and prescription drug benefits was assumed for the year ending June 30, 2025; the rates were assumed to decrease until reaching 4.04 percent in the year 2075, and to remain at that level thereafter. For June 30, 2024 measurement purposes, a 5.75 percent pre-medicare and 4.36 percent post-medicare annual rate of increase in the per capita cost of covered health care benefits and prescription drug benefits was assumed for the year ending June 30, 2024; the rates were assumed to decrease until reaching 4.04 percent in the year 2075, and to remain at that level thereafter.

The following were other significant assumptions used in the valuations as of June 30, 2025 and 2024:

Weighted-average discount rate	At June 30, 2025 6.0%. At June 30, 2024 6.0%
Retirement age	Ages 55 through 59 - 10%, Age 65 - 100%
Mortality	PRI-2012 Headcount weighted Blue Collar Mortality Table with scale MP-2021 with separate rates for employees, retirees, and contingent survivors.
Retiree Contribution	\$1,225 per month per contract prior to Medicare eligibility age. Retirees contribute 100% of the Medicare Plan premium after Medicare eligibility age.
Per Capita Claim Costs	Pre-Medicare \$6,849 annually Post-Medicare \$2,425 annually

The weighted-average health care cost-trend rate assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased by one percentage point in each year, it would increase the obligation as of June 30, 2025 and 2024 by \$ 239,000 and \$ 239,000 respectively.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

NOTE H - RISKS AND UNCERTAINTIES

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to the Form 5500 for the year ended June 30, 2025 and 2024.

Net Assets Available for Benefits per Form 5500	<u>6/30/2025</u> \$ 9,845,684	<u>6/30/2024</u> \$ 9,468,759
Benefit Obligations Currently Payable	<u>599,953</u>	<u>419,818</u>
Net Assets Available for Benefits Per Financial Statements	<u>\$ 10,445,637</u>	<u>\$ 9,888,577</u>

The following is a reconciliation of benefits paid for participants per the financial statements to the Form 5500 for the years ended June 30, 2025 and 2024.

Benefits Paid for Participants Per the Financial Statements	<u>6/30/2025</u> \$ 5,568,269	<u>6/30/2024</u> \$ 5,425,721
Add: Amounts Payable at End of Year	599,953	419,818
Less: Amounts Payable at Beginning of Year	<u>(419,818)</u>	<u>(213,369)</u>
Benefits Paid for Participants Per Form 5500	<u>\$ 5,748,404</u>	<u>\$ 5,632,170</u>

Amounts currently payable for participants are recorded on Form 5500 for benefit payments that have been processed and approved for payment prior to June 30, but not yet paid as of that date.

NOTE J – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024:

Cash Equivalents - The carrying value of cash equivalents approximates fair value.

Common Stocks - Valued at the closing price reported on the active market on which the individual securities are traded.

Registered Investment Companies - Mutual Funds are valued at the reported net asset value of shares held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE K – HEALTHCARE REIMBURSEMENT ACCOUNT

In addition to other self-insured benefits, the Plan established a Healthcare Reimbursement Account Program (HRA). The program establishes individual accounts for participants which can be utilized by participants to pay for certain health care expenses not reimbursed by other Welfare Fund programs. Individual accounts are increased by \$ 1.00 per hour paid. The balance of participants' accounts was \$ 1,374,428 and \$ 1,369,277 at June 30, 2025 and 2024, respectively.
