Independent Auditors' Report

The Plan Administrator of Concepts of Independence, Inc. Supplemental Retirement Plan

Report on the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Concepts of Independence, Inc. Supplemental Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained the certifications from qualified institutions as of June 30, 2025 and 2024 and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Concepts of Independence, Inc. Supplemental Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a non-contributory defined contribution plan covering employees of Concepts of Independence, Inc. (the "Employer" or "Plan Sponsor") and Concepts of Independent Choices, Inc., a related not-for-profit corporation, as defined in the Plan document. Excluded employees include: employees covered by a member of the controlled and/or affiliated service group Employer whose Employer does not affirmatively adopt the Plan, any other employees covered under the Concepts of Independence, Inc. Staff Profit Sharing Plan. An employee is eligible to participate in the Plan upon attainment of age eighteen or older and for employees hired on or after July 1, 2016 after 2 years of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Employer may make discretionary contributions as determined by the Board of Trustees of the Plan sponsor. Contributions are allocated to each eligible employee, who has completed at least 1000 hours in the Plan year, based on their annual service hours, as defined in the Plan document. There was no discretionary contribution made to the Plan for the year ended June 30, 2025. Participants may also contribute amounts representing distributions from other qualified retirement plans.

Vesting

A participant is 100% vested in Employer contributions including allocated earnings thereon at all times.

Participant Accounts

Each participant's account is credited with the discretionary Employer's contribution, allocations of Plan earnings and charged with an allocation of administrative expenses. Employer contributions are allocated based on participants' compensation, while investment earnings are allocated based on individual account balances. Administrative expenses are allocated either pro rata based on account balances or equally among participants, as provided in the Plan document.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account, in the form of a lump sum distribution, installment payments or an annuity distribution. A participant may request an in-service distribution once they have reached age 59 ½. In the event of a hardship distribution, only the participant's nonelective deferrals and earnings thereon are eligible to be distributed.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price and are deemed to be actively traded. The guaranteed interest account is valued at contract value, which represents contributions made plus credited interest less participant withdrawals and fees. Interest-bearing cash is valued at amortized cost which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Certain expenses related to maintaining the Plan are paid by the Employer and are excluded from these financial statements. Plan service charges and audit fees are included in administrative expenses on the statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits. Expenses are recorded when they are accrued.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies *(continued)*

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is April 13, 2026.

Subsequent to year-end, on October 29, 2025, the Board of Directors approved the termination of the Plan. As of that date, participation and contributions were frozen. The Plan is in the process of being terminated and assets will be distributed in accordance with Plan provisions.

This subsequent event does not impact the net assets available for benefits as of June 30, 2025.

3. Information Certified (Unaudited) and Audited

Certain information related to investments, which is listed in the unaudited and certified column below, and included in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2025 and 2024, net appreciation in fair value of investments and interest and dividends for the year ended June 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Life & Annuity Insurance Company of New York ("Empower Life & Annuity") and Empower Trust Company, LLC, qualified institutions.

The Plan held a nonparticipant-directed interest bearing cash account of which the balance as of June, 2025 and 2024 and the activity and interest income for the year ended June 30, 2025 is not certified (Audited).

Below is a summary of the audited and unaudited investments and related investment activity included in the statements of net assets available for benefits as of June 30, 2025 and 2024 and the statement of changes in net assets available for benefits for the year ended June 30, 2025.

3. Information Certified (Unaudited) and Audited (*continued*)

	2024		
	Audited	Unaudited and Certified	Total
Interest bearing cash account	\$ 384,717	\$ -	\$ 384,717
Mutual funds, at fair value	-	11,444,936	11,444,936

	<u>\$ 384,717</u>	<u>\$ 11,647,347</u>	<u>\$ 12,032,064</u>

4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,507,245	\$ -	\$ -	\$ 11,507,245
Interest bearing cash account	-	-	-	327,664
	<u>\$ 11,507,245</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,834,909</u>

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,444,936	\$ -	\$ -	\$ 11,444,936
Interest bearing cash account	-	-	-	384,717
	<u>\$ 11,444,936</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,829,653</u>

Certain amounts in the 2024 fair value leveling have been reclassified to conform to the 2025 presentation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The significant components of the changes in net assets relating to the nonparticipant-directed interest bearing cash account is as follows:

Year Ended June 30, 2025:

Changes in Net Assets	
Interest income	\$ 35
Administrative expenses	(51,981)
	<u>\$ (51,946)</u>

5. Guaranteed Interest Account

The Plan has a benefit-responsive investment contract with Empower Life & Annuity. The Guaranteed Interest Account (the "GIA") is provided through a group annuity contract (the "Contract"). The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1% or more than 3%. The average yield earned by the Plan for 2025 is 2.04% and for 2024 is 1.75%. The crediting rate is reviewed on a 6 basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. Participants ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

The group annuity contract represents 0.58% and 1.68% of the total investments as on June 30, 2025 and 2024. The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: Moody's Investor Service (Aa3 as of June 2025), A.M. Best Company (A+ as of June 2025), Fitch (AA as of June 2025), and Standard and Poor's (AA as of June 2025).

6. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer, Empower Retirement LLC, dated November 14, 2022, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

The group annuity contract was issued by Empower Life & Annuity, a custodian of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA. Empower was paid \$170,417 in fees during the June 30, 2025 plan year.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of cash on deposit with a financial institution. Deposits held at financial institutions insured by the Federal Deposit Insurance Corporation ("FDIC") are insured up to \$250,000. At times cash balances may exceed the FDIC limit. As of June 20, 2025 and 2024, the Plan's uninsured cash balance on deposit totaled approximately \$78,000 and \$135,000.
