INDEPENDENT AUDITORS' REPORT

To the Plan Trustee
Monadnock Family Services Tax Sheltered 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Monadnock Family Services Tax Sheltered 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Monadnock Family Services Tax Sheltered 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2025 and 2024, stating that the certified investment information, as described in **Note 5** to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion over the financial statements of Monadnock Family Services Tax Sheltered 403(b) Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the Financial Statements

Monadnock Family Services Tax Sheltered 403(b) Plan does not have sufficient accounting records and supporting documents relating to certain custodial accounts issued to current and former employees prior to July 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Monadnock Family Services Tax Sheltered 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Monadnock Family Services Tax Sheltered 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Monadnock Family Services Tax Sheltered 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain other matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED JUNE 30, 2025 AND 2024**

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Monadnock Family Services Tax Sheltered 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective June 1, 1978, is a defined contribution plan covering all eligible employees of Monadnock Family Services, Inc. ("the Organization"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees the governance of the Plan, the appropriateness of the Plan's investment offerings and monitors the Plan's investment performance.

Contributions

Each year, eligible participants may contribute up to 100% of pretax and after-tax annual compensation up to the maximum annual limit provided by the Internal Revenue Service, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Organization, at the discretion of the board of directors, may elect to make a discretionary contribution, based upon eligible wages as defined in the Plan adoption agreement, to all eligible employees. For the years ended June 30, 2025 and 2024 the Organization approved a 1% employer discretionary contribution. Total discretionary contributions to the Plan for 2025 and 2024 were \$69,208 and \$70,584, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan earnings (losses) and is charged with an allocation of administrative expenses, depending on the participant's choice of investments. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer discretionary contributions, plus actual earnings thereon.

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in whole unit increments in a variety of mutual funds and a fixed income fund. Participants may change their investment options and make transfers between investments at any time via an automated request to Principal Trust Company (Principal), or the Lincoln National Financial Life Insurance Company (Lincoln). All investments in the Plan are self-directed.

Notes Receivable from Participants

A participant may borrow from his or her 403(b) account for any purpose. The maximum loan is 50% of a participant's account balance up to \$50,000 with a minimum loan amount of \$1,000. The loans must be repaid over a period not extending beyond five years from the date of the loan, unless borrowing for purchase of a primary residence, in which case the loan repayment cannot exceed the length of a typical mortgage. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, voluntary, or retirement, a participant may elect to receive either a lump sum amount, a direct transfer to another qualified retirement account, or a combination of the two, equal to the participant's vested interest in his or her account; or periodic installments over a designated period. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution.

Participants with a balance of \$5,000 or greater have the right to keep their retirement account in the Plan or elect to have the benefits paid in a lump sum, through installment payments or by purchase of an annuity. Participants with a balance of less than \$5,000 but greater than \$1,000 have the option to transfer their funds to an IRA without penalty or receive a lump sum payment. All others with a balance of less than \$1,000 receive a lump sum payment.

Benefit payments are recorded when paid.

In-Service Withdrawal

A participant is permitted to take a distribution while being an active participant in the Plan at the age of 59 ½. Such a distribution will not be subject to a 10% excise tax but may be subject to income taxes.

Hardship Withdrawal

Hardship withdrawals are allowed under the Plan. A participant may take a distribution from the Plan if a heavy financial burden can be demonstrated to the Plan Trustee.

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

The Trustee shall grant a hardship withdrawal only if it is determined the withdrawal is necessary to meet an immediate and heavy financial need of the participant, as defined by the Plan and is limited to the participants' elective deferral contributions, plus earnings thereon. Hardship withdrawals are generally subject to income tax and a 10% excise tax.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Plan Records

The Plan may have excluded from the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to former and current employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements 403(b) Plans. The investment income and distributions related to such accounts may also be excluded from the accompanying statements of changes in net assets available for benefits. Under accounting principles generally accepted in the United States of America, these accounts and related income and distributions should be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. See **Note 3** for discussion of fair value measurement.

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses have been recorded as of June 30, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fixed income funds, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustee determines the Plan's valuation policies utilizing information provided by the custodian. See **Note 3** for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' balances and amounts reported in the statements of net assets available for benefits.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED JUNE 30, 2025 AND 2024**

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments at fair value	\$ <u>3,933,618</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>3,933,618</u>

NOTE 4. INVESTMENTS MEASURED AT CONTRACT VALUE

The Plan invests in fixed income accounts held by Principal and Lincoln, respectively, which are valued at contract value. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan document (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that the events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring as of the report date.

Interest on the fixed accounts held by Principal for the years ended June 30, 2025 and 2024 was approximately 4.09% and 3.36%, respectively. Interest on the fixed accounts held by Lincoln for the years ended June 30, 2025 and 2024 was approximately 4.40%.

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

An employer-level liquidation or employer-initiated transfer of the Plan's interest in the Principal Fixed Income Option will be subject to either a 12-month irrevocable advance notice or a 5 percent surrender charge, whichever the employer chooses. Participant initiated transfers from the Principal Fixed Income Option are not subject to transfer charges unless requested in anticipation of the employer-level liquidation of the Plan's interest in the contract.

NOTE 5. INFORMATION CERTIFIED BY THE PLAN'S ASSET CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodians, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Lincoln National Life Insurance Company have certified that the following relevant data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of June 30, 2025 and 2024.
- Investment activity, as shown in the statements of changes in net assets available for benefits for the years ended June 30, 2025 and 2024.
- The schedule of assets (held at end of year) as of June 30, 2025.

The Plan's independent auditors did not perform auditing procedures with respect to this information, for the years ended June 30, 2025 and 2024, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan subject to the provisions of ERISA and the Internal Revenue Code governing the termination of employee benefit plans and a 60 day written notification to the Plan Trustee.

MONADNOCK FAMILY SERVICES TAX SHELTERED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS **FOR THE YEARS ENDED JUNE 30, 2025 AND 2024**

NOTE 7. ADMINISTRATIVE EXPENSES

The Organization provides certain administrative and accounting services to the Plan at no cost. Certain administrative expenses paid directly by the Organization include audit and investment advisory fees. Administrative expenses in the statements of changes in net assets available for benefits consist of loan and withdrawal fees and other investment expenses charged by the asset custodians. All other investment fees are included in the net appreciation (depreciation) in fair value of investments.

NOTE 8. TAX STATUS

The Plan, as adopted, is based on a prototype non-standardized 403(b) plan. That Prototype Plan received a determination letter dated March 31, 2017 from the Internal Revenue Service notifying that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related Trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained on examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a fixed income fund managed by Principal and Lincoln, the asset custodians, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. The Trustee of the Plan is also a participant in the Plan. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.
