INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Employee Benefits Plan of
Outreach Development Corporation

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Employee Benefits Plan of Outreach Development Corporation (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**EMPLOYEE BENEFITS PLAN OF
OUTREACH DEVELOPMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 1 - DESCRIPTION OF PLAN

The Employee Benefits Plan of Outreach Development Corporation (the "Plan"), is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was effective June 1, 1987 and had several amendments. The following brief description of the plan is provided for general information purposes only. Readers should refer to the Plan agreement for more complete information.

- A. General – Outreach Development Corporation (the "Employer") is the Plan sponsor. The Plan is a defined contribution 401(a) profit-sharing plan covering all employees who meet the eligibility requirements listed below.
- B. Eligibility and Service Rules for Participation - Employees must be at least 21 years of age, complete one year of service, and work at least 1,000 hours in that year to qualify for employer base contributions under the plan. Employees who are non-resident aliens with no U.S. Source income are not eligible to participate. Employees are included in the Plan on the first day of the month immediately following the date they meet all of the requirements. Employees will be credited with a year of service for eligibility at the end of their first twelve months of employment provided that they complete at least 1,000 hours of service within the twelve-month period. If an employee completes fewer than 1,000 hours during their first twelve months, the employee will be credited with a year of service for eligibility at the end of the first twelve-month period, based on their anniversary date of hire, in which they completed 1,000 hours of service. If an employee has a break in service after becoming a participant in the plan and is later rehired, they will be eligible to resume participation in the plan on the first day of the month immediately following their date of rehired.
- C. Contributions - Each Plan year, the Employer will make monthly contributions on the eligible participant's behalf equal to a percentage of the participant's compensation. Contributions shall be equal to the percentage determined under the following table:

<u>Year(s) of Service</u>	<u>Percentage of Compensation</u>
Less than 1 year	0%
1 year but less than 5 years	5%
5 years but less than 10 years	8%
10 years but less than 15 years	10%
15 years or more	12%

- D. Participant Accounts - Each participant's account is credited with allocations of (a) the Organization's contribution, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. Vesting - Vesting in the Plan's contributions is based on years of continuous service. A participant is 100% vested after three (3) years of credited service and there is no partial vesting. In addition, a participant is considered to be 100% vested upon attainment of Early Retirement age.
- F. Forfeitures - At June 30, 2025 and 2024, forfeitures of non-vested accounts totaled \$71,714 and \$16,929 respectively. Forfeitures were applied against the contributions.
- G. Custodian Loans - The Plan allows loans that are made directly with the Custodian. Participant accounts balances are not reduced by the loans and are used as collateral. As of June 30, 2025, and 2024, collateralized loans totaled \$191,738 and \$180,863, respectively.

**EMPLOYEE BENEFITS PLAN OF
OUTREACH DEVELOPMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 1 - DESCRIPTION OF PLAN (Continued)

- H. Distributions - Participants are entitled to distributions of their vested benefits upon retirement, death, disability or termination of employment in either a lump-sum amount or in installment payments.
- I. Administrative Expenses - Expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of participants loans are charged directly to the participant's account and are included in administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.
- B. Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. Investment Valuation and Income Recognition - Certain investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.
- Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.
- D. Sponsor contribution receivable - Sponsor receivable represent contributions earned but not paid at fiscal yearend.
- E. Payments of Benefits - Benefits are recorded when paid.

NOTE 3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4. TAX STATUS

On August 8, 1990, The Internal Revenue Service (IRS) stated that the prototype adopted by the Plan, as then designed, qualifies under the Internal Revenue Code ("IRC") Section 401 (a). The Plan has not received a determination letter specific to the Plan itself and has been amended since the prototype adoption.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS").

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 5. INVESTMENTS – UNAUDITED INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditor's report, the Plan Administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information and the information contained in the supplemental schedule was certified as complete and accurate by Mutual of America, as insurance carrier and trustee, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

The Plan assets certified by the Plan custodian as complete and accurate as of June 30, 2025 and 2024, consist of the following:

	<u>2025</u>	<u>2024</u>
Investments – at contract value	\$ 4,282,634	\$ 3,882,934
Investments – at fair value	<u>8,152,956</u>	<u>8,583,643</u>
Total investments	<u>\$ 12,435,590</u>	<u>\$12,466,577</u>

During 2025 and 2024, the Plan's investments generated total investment income of \$1,181,017, and \$1,519,518, respectively, as follows:

	<u>2025</u>	<u>2024</u>
Interest income	\$ 121,402	\$ 80,761
Net appreciation in fair value of investments	<u>1,059,615</u>	<u>1,438,757</u>
Total investment Income	<u>\$ 1,181,017</u>	<u>\$ 1,519,518</u>

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liabilities; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

**EMPLOYEE BENEFITS PLAN OF
OUTREACH DEVELOPMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

NOTE 6. FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 Input must be observable for substantially the full term of the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2025 and 2024.

Mutual of America Interest Accumulation Account

The interest accumulation account is carried at contract value. They are comparable to cash equivalent and therefore are exempt from classification as Level 1, 2, or 3 assets under ASU 820-10. They are not subject to front or back end charges and the investments are completely liquid, the interest rate to investments in the accounts are the current rate and is not dependent upon the length of time the assets are invested with Mutual of America, request for withdrawal can be made at any time and are processed the same day, and the value on the pension fund report is the redeemable value.

Mutual Funds

The mutual funds are classified as level 1 investment under Accounting Standards Code Topic 820 (ASC 820), meaning they are valued using quoted prices in active markets for identical assets. They are publicly traded mutual funds that are priced daily and registered with the Securities and Exchange Commission for transparency.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. We evaluated the significance of transfers between levels based on the nature of the financial instrument and the size of the transfer relative to total net assets available for benefits. There were no transfers for the years ended June 30, 2025, and 2024.

NOTE 7 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Mutual of America. Mutual of America is the Custodian defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions under ERISA. The sponsor paid certain fees relating to administrative expenses outside of the Plan.

Participants may borrow from their accounts, and such loans qualify as exempt party-in-interest transactions under ERISA.

Certain administrative functions are performed by officers or employees of the Employer who may also be participants in the Plan. No such officer or employee receives compensation from the Plan.

Fees incurred by the Plan for the investment management services are reflected as administrative fees in the accompanying financial statements and amounted to \$3,440 and \$2,202 for the fiscal year ended June 30, 2025 and 2024, respectively.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances, and the amount reported in the statement of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events and transactions that occurred subsequent to the date of the financial statement through April 14, 2026, the date the financial statements were available to be issued. No events have occurred that would require adjustments to or disclosure in the financial statements.
