INDEPENDENT AUDITOR'S REPORT

Board of Trustees

Contribution Plan

Pittsburgh, Pennsylvania 15222

Members of the Board:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Inland Empire IBEW-NECA Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Board of Trustees
Inland Empire IBEW-NECA Defined
Contribution Plan

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INLAND EMPIRE IBEW-NECA DEFINED CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Inland Empire IBEW-NECA Defined Contribution Plan (the "Plan") is provided for general information purposes only. Since the Plan includes detailed provisions for each situation, participants should refer to the Plan Document and any amendments for more complete information.

A. General

The Plan, established effective July 1, 2015, is a multi-employer defined contribution plan covering participating employees under collective bargaining agreements by and between the Southern Sierras Chapter National Electrical Contractors Association and the International Brotherhood of Electrical Workers Local Unions 477 and 440. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Contributions

Employer contributions are made to the Plan in accordance with the collective bargaining and participation agreements. Rollover contributions from other qualified plans are permitted.

C. Participant Accounts

Each participant's account is credited with the employer contributions, participant voluntary contributions, rollover contributions, allocation of shared and direct plan expenses and the participant's investment gains and losses. Participants direct the investment of contributions made on his or her behalf and rollovers into the various investment options offered by the Plan. If a participant does not direct how his or her contributions will be invested, contributions will be invested in the Core Blend Fund. Investment gains or losses are allocated to participant's accounts on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

D. Vesting

Participant account balances, including employer contributions, are 100% vested.

E. Payment of Benefits

Participants are eligible to receive benefits upon their normal or early retirement date, death, disability, termination of employment or by satisfying requirements while absent on military service. If a participant has terminated employment with all contributing employers but has not reached normal or early retirement date, he or she will be entitled to a distribution of his or her account, provided at least twelve consecutive months have passed since their most recent employment in covered employment or non-covered electrical employment in the electrical construction industry.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Accounting Standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices for identical instruments in active markets.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at June 30 based on the inputs used to value them:

		June 30, 2025			
		Level 1	Level 2	Level 3	Total
Investments Measured at Net					
Asset Value ^A		\$ -	\$ -	\$ -	\$ 244,449,577

		June 30, 2024			
		Level 1	Level 2	Level 3	Total
Investments Measured at Net					
Asset Value ^A		\$ -	\$ -	\$ -	\$ 212,993,005

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit its reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Separate accounts are valued at net asset value or its equivalent as a practical expedient. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the separate accounts. Net appreciation in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Payment of Benefits

Benefits are recorded when paid.

E. Administrative Charges and Fees

Zenith American Solutions provides administrative services to the Plan for \$21,310 per month. Total administrative fees paid to Zenith American Solutions for both years ended June 30, 2025 and 2024 was \$255,720.

Plan operating expenses are funded by a monthly fee per participant, plus an asset-based fee, comprising revenue sharing and individual fund wraps collected from the Plan's investment options. The monthly fee is deducted from participants' accounts by Empower Retirement and sent to the Plan administrator, Zenith American Solutions, to cover Plan operating expenses. From the asset-based fee, Empower Retirement receives fees for recordkeeping services and the Plan receives revenue to cover plan expenses. The following table summarizes the Plan's administrative fees:

Effective Date	Monthly Participant Fee	Asset-Based Fee	Recordkeeping Fee	Plan Revenue
April 2022	\$10	9 BPS	\$46 per participant per year	9 BPS, less recordkeeping fees

Total fees deducted from participants' accounts for the years ended June 30, 2025 and 2024 were \$359,726 and \$345,389, respectively. For the years ended June 30, 2025 and 2024, asset-based fees collected by Empower Retirement from the Plan's investment options were \$205,440 and \$175,722, of which Empower Retirement retained \$139,208 and \$133,814 for recordkeeping services and the Plan received \$66,232 and \$41,908, respectively, to cover operating expenses. As of June 30, 2025, a balance of \$709,496 has been accumulated in the operating expense reserve to cover Plan operating expenses.

F. Payroll Compliance Examinations

Remittance reports are accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records by the Plan's independent accountants under a separate compliance program.

G. Risks and Uncertainties

Plan participants invest in various securities that are exposed to risks such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - PLAN TERMINATION

The Board of Trustees expect to continue the Plan indefinitely. However, they have the right to discontinue the Plan at any time, subject to the provisions of ERISA. In that case, the Board of Trustees shall pay out all account balances, or continue the Plan and pay out benefits as they become due under the terms of the Plan.

NOTE 4 - TAX-EXEMPT STATUS

The Internal Revenue Service (IRS) has determined and informed the Board of Trustees by a letter dated January 6, 2015 that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate section of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY EMPOWER RETIREMENT

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at June 30, 2025 and 2024 and investment income for the years ended June 30, 2025 and 2024 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the custodian of the Plan.

NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Retirement or its affiliates and qualify as parties in interest. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 7 - NOTES RECEIVABLE FROM PARTICIPANTS

Loans are available to participants and beneficiaries on a reasonably equivalent basis. Loans are available only for specific purposes as described in the Plan Document. The minimum loan amount is \$1,000; the maximum loan amount is limited to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan repayments must be made in monthly installments over a period not to exceed five years, except for loans used to acquire the participant's principal residence, which may be repaid over a longer period. Notes receivable from participants at June 30, 2025 carry interest rates ranging from 4.25% to 10.50%.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 18, 2026, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements
