REPORT OF INDEPENDENT ACCOUNTANTS

*The Board of Directors
Serendipity Center 403(b) Plan:*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Serendipity Center 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Serendipity Center 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Serendipity Center 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Serendipity Center 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Serendipity Center 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Serendipity Center 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) on pages 12 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SERENDIPITY CENTER 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2025

1. Description of the Plan

The following brief description of the Serendipity Center 403(b) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established under Section 403(b) of the Internal Revenue Code for the exclusive benefit of the employees of Serendipity Center, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is administered by Serendipity Center, Inc. (the “Plan administrator”). The Reliance Trust Company is the Plan’s custodians and, as such, have the responsibility for managing the Plan’s assets, subject to the direction of Serendipity Center, Inc.

Plan Contributions – Participants may contribute a portion of their base pay by means of payroll deductions, subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. Serendipity Center, Inc. may make a discretionary matching contribution equal to a uniform percentage of salary deferrals, to be determined annually. For the year ended June 30, 2025, Serendipity Center, Inc. matched 100% of employee deferrals of eligible participants up to 2% of compensation.

Participants’ Accounts – Each participant’s account is credited with the participant’s contributions and employer matching contributions, an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on allocation provisions, as defined by the Plan.

Vesting Provisions – A participant’s account is self-directed, and the participant is 100% vested in employee contributions at all times and 100% vested in employer contributions after completing 1,000 hours of service.

Notes Receivable from Participants – Participants may request to borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The outstanding notes receivable from participants bear interest at rates between 7.5% and 8.5%, which is commensurate with local prevailing rates, as determined by the Plan administrator. Principal and interest are paid rateably through payroll deductions. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits – On termination of service due to death, disability, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account or as installments over the participant’s life expectancy in compliance with the required minimum distribution requirements of the Internal Revenue Code.

Forfeiture Disposition – Participants are always fully vested in their deferral and rollover contributions to the Plan and the income thereon. If a participant terminates service prior to becoming fully vested in employer contributions, any account balance that is not vested is subject to forfeiture. Forfeitures will first be used to pay plan expenses; any remainder will be used to offset future employer contributions in accordance with the provisions of the Plan. There were no forfeitures for the year ended June 30, 2025. At June 30, 2025, the forfeiture account held \$6,586 in allocated forfeited funds.

Eligibility Requirements – All employees are eligible to participate in the Plan on the first day of month on or after they become an employee, except for the following:

- An employee who is hired to work fewer than 20 hours per week.
- An employee who makes a one-time election to participate in a governmental plan rather than the Serendipity Center, Inc. 403(b) Plan.
- An employee who is a student enrolled and regularly attending classes at the Serendipity Center, Inc.

The plan included auto-enrollment and auto-increase features. The plan was formally amended on October 2, 2024, to remove the auto-enrollment and auto increase features. This amendment took effect on December 1, 2024.

Allocation Provisions – Net income or loss and expenses are allocated to Plan participants based on each participant's interest in the account.

Plan Termination – Although it has not expressed any intent to do so, Serendipity Center, Inc. has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Transactions with Parties-in-Interest – Certain Plan investments are managed by The Standard. The Standard is the third party administrator of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for recordkeeping and investment management services totaled \$27,627. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Tax Status – The Plan has adopted a prototype Plan document, and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service dated March 31, 2017. The letter states that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the prototype plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and concluded that, as of June 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

2. Summary of Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of the Plan's financial statements in accordance with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In the opinion of Plan management, such differences, if any, would not be significant.

Investment Valuation and Income Recognition – The Plan's investments are held in mutual funds and are stated at fair value. Investment return consists of interest, dividends, and net appreciation (decline) in the fair value of investments, including realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a settlement date basis. Interest income is accrued as it is earned and dividends are recorded as of the ex-dividend date.

Contract with Insurance Company – The Plan has entered into a guaranteed interest contract with The Standard Insurance Company, the third party administrator. Net deposits invested in the guaranteed interest contract become part of The Standard’s general account, and there are no particular segregated or identifiable assets of The Standard ascribed to the Plan’s guaranteed interest contract. Net deposits and interest credited to the guaranteed interest account become liabilities to The Standard on the Plan’s behalf. Contract value represents contributions and interest, less withdrawals and administrative expenses. The guaranteed interest fund is included in the financial statements at the June 30, 2025 and 2024 contract values, as reported to the Plan by The Standard. The crediting interest rate was 2.19% and 1.99% for the Plan years June 30, 2025 and 2024, respectively. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a quarterly basis for resetting. In accordance with the agreement between The Standard and Serendipity Center, Inc., crediting rates will never fall below 1% annually.

Certain events may limit the ability of the Plan to transact at contract value with The Standard. Such events include termination of the contract, spin-offs, divestitures, lay-offs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a fair value adjustment or other withdrawal restrictions may apply.

The Standard may terminate the contract with 30 days’ advance written notice to the contract owner for reasonable cause, which includes the contract owner’s failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, Plan disqualification, or failure to adopt the Plan in a reasonable period of time. Upon termination by The Standard, a market value adjustment may apply.

Risk and Uncertainties – Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

Contributions – Contributions from employees are recorded in the period in which Serendipity Center, Inc. makes the payroll deductions from participant earnings. Employer matches are recorded in the period in which they are earned by employees.

Payments of Benefits – Payments of benefits are recorded when paid.

Expenses – Certain expenses of the Plan are paid directly by the Plan administrator and excluded from these financial statements. Other expenses are paid from Plan assets and deducted from participant accounts in accordance with the Plan document. Investment related expenses are included in net investment return.

Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal balances plus any accrued, unpaid interest.

Subsequent Events – Subsequent events have been evaluated by management through March 18, 2026, which is the date the financial statements were available to be issued.

Other Significant Accounting Policies – Other significant accounting policies are set forth in the financial statements and the following notes.

3. Information Prepared and Certified by the Custodian

The Plan has obtained a certification from Reliance Trust Company that the information provided by them is complete and accurate. The information certified by them is as follows:

- Details and summaries of investments at fair value and other assets as of June 30, 2025 and 2024;
- Details and summaries of net increase in the fair value of Plan investments during the year ended June 30, 2025; and
- Details and summaries of interest and dividends during the year ended June 30, 2025.

4. Investments

At June 30, 2025 and 2024, the Plan's investments were invested in various mutual funds. The following summarizes mutual funds by investment category as of June 30, 2025 and 2024:

		2025	2024
Balanced	\$	3,104,720	2,834,919
Fixed income		174,886	286,276
Equity		1,222,455	1,296,867
Total investments	\$	4,502,061	4,418,062

5. Funds Held in Guaranteed General Account

The Plan has entered into an investment contract with The Standard Insurance Company to invest in The Standard Stable Asset D fund. At June 30, 2025 and 2024, the contract value of funds held was reported at \$466,500, and \$509,338, respectively.

For the plan year ended June 30, 2025, The Standard reported contract value as the appropriate measurement for the guaranteed interest fund for reporting and financial statement purposes, and that contract value approximates fair value.

6. Fair Value Measurements

The accompanying financial statements report the Plan's investments in mutual funds at fair value based on a hierarchy defined under generally accepted accounting principles. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). At June 30, 2025 and 2024, the Plan's investments (see note 4) are measured at fair value on a recurring basis using quoted prices in active markets for identical assets (i.e., Level 1).

7. Reconciliation of the Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets according to Schedule H of Form 5500 to the statement of net assets available for benefits at June 30, 2025:

Net assets according to Schedule H of Form 5500	\$	4,986,208
Employer contributions receivable		62,127
Net assets available for benefits according to the financial statements	\$	5,048,335

The following is a reconciliation of net income according to Schedule H of Form 5500 to the increase in net assets according to the statement of changes in net assets for the year ended June 30, 2025:

Net income according to Schedule H of Form 5500	\$	39,550
2024 employer contributions reported as revenue in the Form 5500		(66,587)
2025 employer contributions reported as revenue in the in June 30, 2025 financial statements		62,127
Increase in net assets according to the statement of changes in net assets available for benefits	\$	35,090
