INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2025, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements of A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan as of June 30, 2024, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee/custodian of the Plan. Their report, dated April 9, 2025, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian/trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of A.L.P. Lighting & Ceiling Products, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined-contribution plan sponsored by A.L.P. Lighting & Ceiling Products, Inc. (the Company) for its employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective July 1, 2024, BBS NA, LLC became a participating employer in the Plan. Employees were eligible to participate in the Plan immediately.

Eligibility:

Employees become eligible to participate upon the next entry date (first day of each month) subsequent to completing three months of service. Employees covered by a collective bargaining agreement are not eligible to participate unless the agreement requires the employees to be included under the Plan.

Contributions:

The Plan provides for participants' elective contributions up to 80% of the participants' eligible compensation, but not to exceed maximum amounts allowable by the Internal Revenue Code (the Code). Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Employees that meet the eligibility requirements and do not decline enrollment are automatically enrolled into the Plan. During the years ended June 30, 2025 and 2024, the automatic deferral rate was 5%. Participants can change their elective deferrals at any time. The Plan includes an automatic annual deferral increase feature applicable to participants who have a deferral rate greater than zero and who remain subject to the Plan's automatic enrollment provisions. Eligible participants who were automatically enrolled on or after December 3, 2018, will have their pre-tax elective deferral rate automatically increased by 1% each year, not to exceed a maximum deferral rate of 10% of eligible compensation, unless the participant affirmatively elects otherwise.

1. Description of the Plan (continued)

Contributions: (continued)

The Plan permits both discretionary matching and discretionary profit-sharing contributions by the Company. The employer discretionary matching contributions are allocated to each participant's account in an amount equal to a percentage of the eligible contributions made by each eligible participant during the year. The discretionary profit-sharing contributions may be allocated to participants at the discretion of the Plan Administrator. No discretionary matching contributions or profit-sharing contributions were made during the years ended June 30, 2025 and 2024.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution(s) and (b) Plan earnings and charged with an allocation of administrative expenses not paid by the Company. Allocations are based on participant's earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants self-direct their contributions and their share of the Company's contribution among various investment options.

Vesting:

Participants are always 100% vested in their employee 401(k) deferral contributions and earnings thereon. Participants are also fully vested if their employment with the Company terminates after the age of 59 1/2 or for reasons due to death, disability or proven financial hardship.

Participants vest in their employer matching contributions and their profit-sharing accounts (allocations of the employer discretionary contributions) and earnings thereon in accordance with the following table:

Years of service	Percentage vested
Less than 1	0%
At least 1 but less than 2	20%
At least 2 but less than 3	40%
At least 3 but less than 4	60%
At least 4 but less than 5	80%
5 or more	100%

1. Description of the Plan (continued)

Investment options:

Participants direct the investment of their account balance into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and common collective trust funds as investment options for participants.

Participant loans:

Participants may borrow up to the lesser of $50,000 or 50% of their vested interest in the Plan and the loan shall not be less than $1,000. All loans are required to be repaid within five years of the date of the loan, with only two outstanding loans allowable at any time. The interest rate on participant loans is established at the prime rate as reported by Thomson Reuters at the time the loan is originated, plus one percentage point.

Payment of benefits:

A participant becomes entitled to benefits under the Plan upon retirement at the age of 59 1/2, permanent disability or resignation from the Company. Upon retirement or permanent disability, a participant is entitled to receive the full amount in his or her account, to be paid in a manner specified in the Plan. Upon resignation, participants are entitled to receive the vested portion of their account balance. Participants may also make withdrawals from their vested account balances if a determination of financial hardship, as defined, has occurred.

If a terminated employee does not make an election regarding their distribution, the Plan may automatically distribute any vested account balance directly to an IRA for the benefit of the participant.

Participants' benefits are charged to participants' equity during the period when participants are entitled to receive payment, which is generally the period during which the benefits are paid.

Forfeitures:

Forfeitures arising during the Plan year will be used to reduce the Company's future employer contribution deposits under the Plan or pay Plan expenses. The forfeiture balance available at June 30, 2025 and 2024 was $5,727 and $18,431, respectively. Forfeitures of $20,172 were used to pay Plan expenses during the Plan year ended June 30, 2025.

2. Summary of significant accounting policies

Basis of accounting:

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest income is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants:

As described in Note 1, the Plan allows for participants to borrow against their vested account balance and the loan is secured by the participant's account balance. Participant loans are valued at their unpaid principal balance plus any accrued but unpaid interest. Participant loans are repaid ratably through regular payroll deductions, and loan defaults are treated as distributions.

Contributions:

Participant's contributions are recognized by the Plan when withheld from the participants' paychecks by the Company.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of administering the Plan are paid by the participants. Other administrative expenses are paid by the Plan.

2. Summary of significant accounting policies (continued)

Expense offset arrangements:

Fees incurred by the Plan for investment management services and recordkeeping are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through April 13, 2026, the date the financial statements were available to be issued.

3. Tax status

The Plan is exempt from federal income taxes under Section 401(k) of the Code.

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and management are not aware of any activity or transactions that may adversely affect the qualified status of the Plan and believe the Plan is currently operating in accordance with applicable rules and regulations of the Code.

4. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

5. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Investments (information prepared and certified by the Trustee)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in these financial statements and supplemental schedule was obtained from data that has been prepared and certified by Fidelity Management Trust Company (the Trustee).

The Trustee certified the fair value of investments of $20,613,873 and $23,123,300 at June 30, 2025 and 2024, respectively. Notes receivable from participants of $329,131 and $280,785 were also certified by the Trustee at June 30, 2025 and 2024, respectively. The interest rates on notes receivable from participants ranged from 4.25% to 10.25% as of June 30, 2025 and 2024.

For the year ended June 30, 2025, the Plan's investments (including gains and losses on investments bought, sold and held during the year) appreciated in value in the amount of $1,865,111, as certified by the Trustee. Dividend and interest income was $515,481 for the year ended June 30, 2025, as certified by the Trustee. Interest on notes receivable from participants was $23,436 for the year ended June 30, 2025, as certified by the Trustee.

7. Fair value measurements

There are three levels of inputs used to measure fair value. The definition of each input is described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: ● quoted prices for similar assets or liabilities in active markets; ● quoted prices for identical or similar assets or liabilities in inactive markets; ● inputs other than quoted prices that are observable for the asset or liability; ● inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

7. Fair value measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024:

Mutual funds: Valued at the market value of shares held by the Plan at year-end.

Common collective trust funds – Fidelity Managed Income Portfolio Class 2: Valued at the net asset value (NAV) of the units held by the Plan. The funds invest in fully benefit-responsive investment contracts that are held at contract value. NAV is determined to be contract value, the value at which participants ordinarily transact. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Common collective trust funds – Neuberger Berman Large Cap Value Fund Investor Class: Valued at the NAV of the units held by the Plan. The funds invest in collective investment funds that are held at NAV. NAV is determined to be contract value, the value at which participants ordinarily transact. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

7. Fair value measurements (continued)

Investments at fair value as of June 30, 2025:

June 30, 2025	**Level 1**	**Total**
Mutual funds	**$ 18,837,681**	**$ 18,837,681**
		18,837,681
Common collective trust funds measured at NAV*		**1,776,192**
Total investments at fair value		**$ 20,613,873**

Investments at fair value as of June 30, 2024:

June 30, 2024	Level 1	Total
Mutual funds	$ 21,088,542	$ 21,088,542
		21,088,542
Common collective trust funds measured at NAV*		2,034,758
Total investments at fair value		$ 23,123,300

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

7. Fair value measurements (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of June 30, 2025 and 2024:

Investment	2025	2024	Unfunded commitment	Redemption frequency	Redemption notice period
Fidelity Managed Income Portfolio Class 2	**$ 1,252,720**	$ 1,204,590	N/A	Daily	None
Neuberger Berman Large Cap Value Trust	**$ 523,472**	$ 830,168	N/A	Daily	5 business days for withdrawals over $1,000,000

8. Party-in-interest transactions

The Plan's investments include shares of mutual funds and a common collective trust fund managed by an affiliate of the Trustee and, therefore, these transactions qualify as party-in-interest transactions.
