JEFFREY L. OFFHAUS CPA, LLC

Certified Public Accountant

Independent Auditor's Report

Administrator and Trustees
Kenmore Teachers Association Welfare Trust Fund

Opinion on the Financial Statements

I have audited the accompanying financial statements of Kenmore Teachers Association Welfare Trust Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedule Required by ERISA

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following description of the Kenmore Teachers Association Welfare Trust Fund (the “Plan”) provides only general information. Participants should refer to the Welfare Trust Fund agreement and the Welfare Trust Benefits Booklet for a complete description of the Plan’s provisions.

General—The Plan and related Trust were established August 1, 1983 pursuant to a collective bargaining agreement (“Contract”) between the Kenmore Teachers Association (the “Association”), Local 2768 of the American Federation of Teachers and the Kenmore-Town of Tonawanda Union Free School District (the “District”). The current Contract with the District extends through the 2028-29 school year. Eligible employees include all persons employed by the District in the negotiating unit of full and part-time teachers, retired persons who were in such unit and were participants in the Plan at the time of their retirement, officers and employees of the Association and the Plan on whose behalf the Association makes contributions, and others as agreed to between the Association and the District.

Benefits—The Plan and the related Trust were established to provide various welfare benefits to eligible employees. Presently, the Plan provides limited dental, vision, life and catastrophic medical coverage to its members along with membership in a legal services program, a financial counseling program, and advocacy services.

Dental benefits are provided to eligible employees and their dependents, as defined, and are paid on eligible services up to \$1,500 per patient, per calendar year. Claims for this Plan are processed by Delta Dental New York, Inc., but the responsibility for payments to participants and providers is retained by the Plan.

Vision benefits are provided through a fully-insured agreement with Davis Vision (“Davis”) which allow participants to receive frames, lenses, contacts and exams on an annual basis as provided for in the agreement. Part-time teachers receive a pro-rated benefit.

The Catastrophic Major Medical (CMM) Plan is designed to provide coverage for eligible medical expenses, as defined, subject to the CMM Plan deductible.

Employees are also enrolled in a legal services program whereby members are guaranteed fixed fees and legal representation for a number of legal services. The Plan pays a fee based on total enrollment to the NYSUT Legal Service Plan for this service.

Life insurance is carried on all Association members. Each member is covered under a group term policy providing for a \$50,000 death benefit for full time members and \$25,000 for part time members, as defined.

The Plan has instituted a Financial Planning program whereby Association members can contact a financial professional and receive advice on a variety of financial planning tools and products.

Effective April 1, 2025, the Plan entered into an agreement for advocacy services to provide a range of healthcare services as described in the agreement.

Contributions—Pursuant to the Contract, the District contributes an amount per full-time teacher and full-time teaching assistant, with a prorated contribution for part-time teachers and part-time teaching assistants to provide for the benefits under the Plan. Contributions are made in semi-annual installments on July 1 and January 1. For the years ended June 30, 2025 and 2024, the District contribution amounted to \$1,700 per full-time teacher and full-time teaching assistant, with a prorated contribution for part-time teachers and part-time teaching assistants. Retired, or separated former employees may contribute amounts equal to premiums plus an allowance for administrative costs to continue in some programs.

2. Summary of Significant Accounting Policies

Basis of Presentation—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition—The bank certificates of deposit are valued at their face amount, which approximates fair value. Interest is accrued on fixed-percentage investments. Interest-bearing cash consists of deposits with financial institutions.

Cash — Cash consists of non-interest bearing deposits with a financial institution.

Payment of Benefits—Benefits are recorded when paid.

Administrative Expenses—All expenses of maintaining the Plan are paid by the Plan.

Use of Estimates—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Market Risk Factors—The Plan's investments consist of bank certificates of deposit with maturities of one year or less and deposits with financial institutions. The Plan's investments in certificates of deposit are fully insured by the Federal Deposit Insurance Corporation (FDIC) and have been issued through the Certificate of Deposit Account Registry Service, or CDARS.

The Plan maintains operating cash balances with various financial institutions. The Federal Deposit Insurance Corporation insures these balances up to \$250,000. There were no uninsured deposits at June 30, 2025.

Subsequent Events — The Plan has evaluated subsequent events through April 13, 2026, the date the financial statements were available to be issued.

3. Investments

The Plan's investments at June 31, 2025 and 2024 are presented in the following table:

	June 30, 2025	June 30, 2024
Certificates of deposit	\$ 1,826,609	\$ 1,696,707
Interest bearing cash at financial institutions	<u>107,439</u>	<u>83,560</u>
Total	<u>\$ 1,934,048</u>	<u>\$ 1,780,267</u>

The certificates of deposit have been issued through CDARS by one or more FDIC-insured depository institutions. At June 30, 2025 and 2024, the CDARS were issued and held by Five Star Bank.

4. Tax Status

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c) 9 of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The Trustees believe that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

As of June 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Transactions With Parties In Interest

Certain administrative functions of the Plan are performed by employees of the Kenmore Teachers Association. These costs along with an allocation of shared overhead costs were \$81,045 and \$78,972 for the years ended June 30, 2025 and 2024, respectively and are included in administrative expenses. In addition, certain salary and benefit related cost reimbursements are paid to the District, which amounted to \$31,612 and \$17,396 for the years ended June 30, 2025 and 2024, respectively and are included in administrative expenses. The cost reimbursement payable to the District of \$17,396 for the year ended June 30, 2024 was annulled by the District during the year ended June 30, 2025. As a result, the liability was reversed and recorded as a credit to administrative expenses in the accompanying financial statements as of June 30, 2025 and the year then ended.

6. Plan Termination

The Plan's board of trustees has the right under the Plan to modify the benefits provided to the eligible employees. They may also terminate the Plan, with any remaining assets available after payment of Plan obligations limited to use for providing welfare benefits.
