INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Self-Help Enterprises Employees' 401(K) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Self-Help Enterprises Employees' 401(K) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by The Standard Insurance Company that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by The Standard Insurance Company in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant

ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of or for the year ended June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SELF-HELP ENTERPRISES EMPLOYEES' 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Note 1. Description of Plan:

The following description of the Self-Help Enterprises (Company) Employees' 401(K) Retirement Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees who are not excluded employees as defined under the Plan document. This Plan was originally effective on July 1, 1994. The amended and restated provisions of the Plan became effective on September 15, 2017, and were further amended on November 1, 2017, July 1, 2018, July 1, 2023 and July 10, 2024. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Eligibility and Plan Entry Date

Employees are eligible to participate in the Plan on their date of hire. For purposes of employer profit sharing contributions, the Plan is available to employees when they have completed one year of service. The entry date to the employer profit sharing contributions will be the first day of the month coinciding with or next following the date the eligibility requirements are met.

Contributions

The Plan is funded through employee and employer contributions. Each year participants may contribute a percentage or fixed amount of compensation, as defined in the Plan, subject to annual statutory limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation, contributing that amount to the Plan as a pre-tax 401(k) deferral. The Plan provides a safe harbor contribution equal to 100% of the amount participants contribute to the Plan for each payroll period up to the 4% of plan compensation. Each year, the Company may also make a discretionary profit-sharing contribution to participant accounts upon completion of one year of service.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) any Company's contribution and, (b) Plan gains and losses, (c) rollover contributions, (d) forfeitures of terminated participants' non-vested accounts, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SELF-HELP ENTERPRISES EMPLOYEES' 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Note 1. Description of Plan (continued):

Investment Options

Investments are entirely participant directed. Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered. A variety of investment options offer participants a diversified portfolio.

Participants may change their investment options at will.

Vesting

Participants are immediately vested in their salary deferrals, employer match and rollovers plus actual earnings thereon. Safe harbor contributions are 100% vested. Vesting in the Company's profit-sharing contributions plus actual earnings thereon are based on a 6-year graded schedule as indicated in the table below:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants will be 100% vested in the Company's profit-sharing contributions plus earnings if they are employed on or after their early retirement age of 55 or normal retirement age of 65 or if they die or become disabled.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their account balance or \$50,000, reduced by the highest outstanding loan balance attributable to the participant during the 12-month period immediately prior to the new loan application date. There may be one outstanding loan for the purchase of a participant's primary residence and two outstanding loans for any other purposes. Loan terms shall not exceed 5 years. However, if the loan is for the purchase of principal residence, the plan administrator may permit a longer repayment term. The loans are fully amortized and secured by the balance in the participant's account and bear interest at a commercially reasonable rate as determined by the plan administrator. Loans outstanding as of June 30, 2025 bear interest rates ranging from 4.25% – 9.50%. Principal and interest are paid directly to the third-party administrator.

Forfeited Accounts

If a participant terminates employment before being fully vested, the non-vested portion of the terminated participant's account balance remains in the Plan as a forfeiture, which may be used to pay plan expenses or to reduce amounts otherwise required to be contributed to the Plan. At June 30, 2025 and 2024, forfeitures of terminated non-vested accounts totaled \$9,294 and \$21,493, respectively.

SELF-HELP ENTERPRISES EMPLOYEES' 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Note 1. Description of Plan (continued):

Payment of Benefits

On termination of service due to termination of employment, death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments equal to the required minimum distribution amount or partial withdrawals. For vested account balance that does not exceed \$5,000, the vested account balance may only be distributed in a single lump-sum payment.

Note 2. Summary of Significant Accounting Policies:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting. The Form 5500 is prepared on the cash basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant defaults on their loan, the balance will be reduced and reclassified as distributions in accordance with the plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS is recorded as a liability with a corresponding reduction to contributions. The Plan is required to distribute any excess contributions made during the year to the applicable participants prior to September 15, 2025. No excess contributions that need to be distributed for the years ended June 30, 2025 and 2024.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Note 2. Summary of Significant Accounting Policies (continued):

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3. Fair Value Measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that provides the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology include: • Valuation methodology is unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Note 3. Fair Value Measurements (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value framework, the Plan's assets at fair value as of June 30, 2025 and 2024:

Note 3. Fair Value Measurements (continued):

Pooled Separate Accounts

Minnesota's pooled separate accounts are not themselves publicly traded but are composed of assets that are either priced by a pricing service or directly by the relevant mutual fund company trading partner. The accounts are subject to unitization valuation processes. The underlying mutual funds are traded daily on an active market and all the unit values are observable.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended June 30, 2025 and 2024:

FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

Note 3. Fair Value Measurements (continued):

For the years ended June 30, 2025 and 2024, there have been no significant transfers between level 1 and level 2. Transfers out and into level 3 totaled \$82,770 and \$132,004, respectively, for the years ended June 30, 2025 and 2024.

Note 4. Summary of Information Certified by the Custodian:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at June 30, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the years ended June 30, 2025 and 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by The Standard Insurance Company.

Note 5. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their account.

Note 6. Income Tax Status:

The Company has adopted the Non-Standardized Pre-Approved Plan. The Internal Revenue Service has determined and informed Minnesota Life Insurance Company by a letter dated June 30, 2020, that the form of the Non-Standardized Pre-Approved Profit Sharing Plan is acceptable under section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Since then, the Plan has been amended, it has not requested a separate determination letter from the IRS because, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits from taxing jurisdictions; however, currently there are no audits in progress. The Plan has no uncertain tax positions as of June 30, 2025 and 2024.

Note 8. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
