To the Plan Administrator and Participants of
Acutec Precision Aerospace, Inc. Group Medical Plan
Meadville, Pennsylvania

Independent Auditor's Report

Opinion

We have audited the accompanying financial statements of Acutec Precision Aerospace, Inc. Group Medical Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Acutec Precision Aerospace, Inc. Group Medical Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Acutec Precision Aerospace, Inc. Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Acutec Precision Aerospace, Inc. Group Medical Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Acutec Precision Aerospace, Inc. Group Medical Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Acutec Precision Aerospace, Inc. Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes at end of year as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF PLAN

The following description of Acutec Precision Aerospace, Inc. Group Medical Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:
The Plan is a self-insured health benefit plan that provides benefits to all eligible employees of Acutec Precision Aerospace, Inc. (the Company and Plan Sponsor), as well as former employees electing coverage under Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provisions.

Effective as of the close of business on June 30, 2025, all individuals who were participants in the Plan ceased participation in the Plan and became participants in the Acutec Precision Aerospace, Inc. Group Insurance Plan. No benefits are earned or accrued under the Plan for periods after June 30, 2025.

In order to be eligible for health benefits, the employee must be a regular full-time employee and work at least 30 hours per week. Employees are eligible upon their date of hire. Benefits are also provided to spouses and dependents of these individuals who elect coverage on their behalf. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was a member of Veris Benefits Consortium, LLC, which operated as a health insurance consortium under which the members negotiated and established welfare benefit plans for their employees. Expenses of the health plan were paid through the Veris Benefits Consortium, LLC Trust. The employees were required to pay for a portion of the cost of the benefit.

Contributions:
The Company shall contribute such amounts to the Plan as necessary for timely payment of all claims and administrative expenses of the Plan. The Company provides for stop loss insurance over a specified amount as per agreement with the reinsurance carrier, with the premiums being paid by funds deposited in the Plan. Employee contributions are determined on a fixed fee basis. The amount varies depending on the plan selected and the coverage tier.

Benefits:
The Plan provides health (medical, hospital, surgical, and major medical) and prescription drug benefits to substantially all employees of the Company who meet the service requirement of the Plan and to their covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through COBRA as defined in the plan document.

The Company provides most health insurance benefits and pays the administrative fees incurred. The employees pay a portion of their health coverage based upon the coverage chosen through payroll deferrals.

The health claims are processed through Highmark.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:
The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates:
The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits:
Premiums paid by the trust from general assets of the Company are recorded as insurance premiums in the accompany statement of changes in net assets available for benefits when paid.

Claim payments are recoded when paid by the third-party claims administrator.

Stop Loss Insurance:
The Plan has a stop loss insurance arrangement whereby the stop loss insurance will cover the Plan's obligations for any plan participant's claims in excess of a fixed dollar amount (self-insured retention). The self-insured retention for the Company was $105,000 and $100,000 per covered person for the years ended June 30, 2025 and 2024. As of June 30, 2025 and 2024, the specific stop loss reimbursement receivable was $-0- and $100,635, respectively.

In addition, the Plan has an aggregate stop loss insurance arrangement whereby the aggregate stop loss insurance will cover the Plan's obligations if all claims exceed a fixed dollar amount. If the Plan is in a deficit for the year, the stop loss provider will fund the deficit. At the end of the stop loss policy year, the Plan will owe any amounts that were reimbursed in excess of the Plan's deficit. For years ended June 30, 2025 and 2024, the Plan did not owe any amounts to the stop loss provider.

Premiums for stop loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits. Stop loss refunds of $756,216 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2025.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Plan Benefit Obligations:
Plan Benefit Obligations at June 30, 2025 for health claims incurred by active participants, but not reported at that date are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment. Such estimated amounts are reported in the accompanying statements of benefit obligations. Due to the short-term nature of the reserve liability, time value of money was not used to discount future payments.

Administrative Expenses:
The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrator, custodian, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

NOTE C - CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at June 30, 2025 and 2024 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment. This estimate includes (1) unreported claims; (2) reported but unprocessed claims; and (3) processed but unpaid claims. Claim settlement expense liabilities are not included. A method was used that applies a factor (the reserve factor) to a credible best estimate volume measurement of paid claims. The calculation was performed for medical and drug coverage. Time value of money was used to discount future payments so that the claims that were used to form the given IBNR estimate are on the same time basis as the IBNR evaluation date at June 30, 2025 and 2024. Total benefit obligations inclusive of IBNR and claims payable are $878,826 and $1,295,329 at June 30, 2025 and 2024, respectively. Claims payable as of year-end are reported on the statements of benefit obligations and total $427,656 and $465,162 for the years ended June 20, 2025 and 2024.

The foregoing assumptions are based on the presumption that the Plan will continue without any significant modification in its terms or in the benefits being provided under the Plan. Were the Plan, or any or all of the benefits now provided under the Plan, to be materially modified or discontinued, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the incurred but not reported claims (IBNR).

NOTE D - TAX STATUS

The Plan is funded through a non-qualified trust under Internal Revenue Code (IRC) 419(a). The trust files Form 1041 U.S. Income Tax Return for Estates and Trusts. Plan management believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE E - RISKS AND UNCERTAINTIES

The Plan maintains cash balances at a financial institution which at times may exceed the Federal Deposit Insurance Corporation limits per depositor at each financial institution. The Plan has never experienced any losses related to these balances.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates and participant demographics, both of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE F - PLAN TERMINATION

The Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time, and to terminate the Plan, subject to the provisions of ERISA. On June 9, 2025, the Plan sponsor approved the termination of the Plan and notified participants that coverage under the Plan would cease effective at the end of the day on June 30, 2025. Effective June 30, 2025, all participants ceased active participation in the Plan. Thereafter, the Plan has existed solely to pay claims incurred while participants were covered under the Plan and related administrative expenses in accordance with the Plan document. Under the Plan’s termination provisions, Plan assets are first used to pay benefits and defray reasonable administrative expenses, and any remaining assets, consisting solely of employer contributions, may be distributed to the Plan sponsor in accordance with ERISA and the Plan document. See Note I for discussion of the subsequent termination of the trust and transfer of remaining assets.

NOTE G - RELATED PARTY TRANSACTIONS

The Plan paid certain expenses related to Plan operations to various service providers who are parties in interest under ERISA.

NOTE H - RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of June 30:

	2025	2024
Net assets available for benefits per the financial statements	$ 11,439	$ 164,247
Less: Benefits payable at end of period	878,826	1,295,329
Net assets available for benefits per Form 5500	$ (867,387)	$ (1,131,082)

The following is a reconciliation of deductions between the financial statements and Form 5500 for the year ended June 30, 2025:

Benefits paid to participants per the financial statements	$ 6,764,899
Add: Benefits payable at end of year	878,826
Less: Benefits payable at beginning of year	(1,295,329)
Benefits paid to participants per Form 5500	$ 6,348,396

Claims that have been processed and approved for payment at year end, but not paid and claims incurred, but nor reported are not considered liabilities under accounting principles generally accepted in the United States of America and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements, but are recorded on the Form 5500 as a liability.

NOTE I - SUBSEQUENT EVENTS

Management evaluated all activity of the Plan through April 9, 2026, the date the financial statements were available to be issued.

Subsequent to June 30, 2025, the Plan's trust was terminated and, in March 2026, the remaining trust assets were transferred to the Plan sponsor. Effective July 1, 2025, benefits are funded directly by the Plan sponsor rather than through a trust. This change in funding arrangement did not result in a legal transfer of the Plan's obligations to pay benefits as of June 30, 2025, and the Plan continues to be responsible for claims payable and claims incurred but not reported that relate to the period participants were covered under the Plan. The termination of the trust did not result in a change to participants' benefit provisions for the period presented, and management does not expect this change to have a material effect on the Plan's ability to pay benefits or on the financial statements for the year ended June 30, 2025. This event is a non-recognized subsequent event and is therefore not reflected in the accompanying financial statements.
