INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Alternatives, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Alternatives, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2025 and 2024, and for the years then ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Alternatives, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alternatives, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing our audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alternatives, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing our audits in accordance with generally accepted auditing standards, we:

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alternatives, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. ALTERNATIVES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following description of the Alternatives, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

Alternatives, Inc. (the Company or Plan Sponsor) established the Plan effective July 1, 1984. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a defined contribution plan covering substantially all employees of the Company.

Employees become eligible after obtaining the age of 18 and completing one year of service (1,000 hours). Employees will enter the Plan on the month subsequent to satisfying the eligibility requirement. If no affirmative deferral election is made, an eligible employee shall be deemed to make a pre-tax contribution of three percent per pay period.

Effective May 19, 2021, the Plan was restated pursuant to the cycle three restatement period.

Plan Administration

The administration of the Plan is the responsibility of the Plan Sponsor. All money that is contributed to the Plan is held in a trust for the benefit of the participants.

Contributions

Participant contributions are made on a pre-tax or Roth after-tax basis through payroll deduction. Participants may contribute up to 100% of defined earnings, as limited by §402(g) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from certain other tax-qualified retirement plans. Rollover contributions into the Plan amounted to \$2,956 and \$1,865 for the years ended June 30, 2025 and 2024, respectively.

Discretionary employer contributions are determined by the Company's Board of Directors and are allocated to participants based on a uniform percentage of eligible compensation. In most cases, employees must be employed on the last day of the Plan year and have at least 1,000 hours of service during the Plan year to be eligible for discretionary employer contributions. Certain terminated employees who have attained age 65 may also be eligible. The Company made discretionary employer contributions of \$215,978 and \$222,907 for the years ended June 30, 2025 and 2024, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary contributions, allocations of Plan earnings, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ALTERNATIVES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and 2024

1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are fully vested at all times in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions and earnings thereon is based on covered years of service. Participants earn a year of covered service with 1,000 hours worked within the Plan year. A participant has no vested interest until earning one year of covered service, at which point that participant becomes 20% vested. Vesting is increased 20% for each year of covered service thereafter. A participant is 100% vested after five years of covered service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balances. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. A participant may have no more than three loans outstanding at a time. The loan is secured by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Forfeitures

Non-vested benefits of terminated participants are subject to forfeiture. Plan forfeitures are allocated to each participant's account on a uniform percentage of eligible compensation. Employees must be employed on the last day of the Plan year and be credited with 1,000 hours of service during the Plan year in order to be eligible for an allocation of forfeitures. Forfeitures allocated to participant accounts were \$17,186 and \$0 as of June 30, 2025 and 2024, respectively. Additionally, forfeited non-vested accounts amounted to \$7,301 and \$17,215 as of June 30, 2025 and 2024, respectively.

Payment of Benefits

On termination of service, a participant may elect to receive a lump-sum amount. Pursuant to the SECURE 2.0 legislature, the Plan increased its mandatory distribution threshold for small account balances from \$5,000 to \$7,000.

The Plan also allows hardship distributions from the vested portion of the participant's account in order to satisfy certain immediate and heavy financial needs that cannot be satisfied from other available financial sources.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into an assortment of investment options made available through the Plan. The Plan Sponsor may change the investment options offered at any time, as deemed appropriate. Participants have access to their account information through the Internet and may make allocation changes at any time, subject to the Securities & Exchange Commission restrictions on excess trading.

The fund offerings are intended to provide participants with a variety of investment options over the usual range of asset classes with varying risk categories from conservative to aggressive. The prospectuses of the various funds offer detailed information on characteristics, operations, management and expenses of the investments offered.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, disclosures and changes therein. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's registered investment companies investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount the participant would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements are prepared on the contract basis for fully benefit-responsive investment contracts. See Note 5 for discussion of the fully benefit-responsive investment contracts.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the loan is reclassified as a distribution based upon the terms of the Plan Document.

Contributions

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from eligible compensation. Discretionary employer contributions from the Company are recorded in the year in which the Company formally authorizes the contribution for, in accordance with the Plan's provisions, and are subject to the Plan's funding deadlines.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Investment earnings are net of fees associated with the management of the registered investment companies offered in the Plan.

Payment of Benefits

Benefits are recorded when paid to participants or beneficiaries.

ALTERNATIVES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and 2024

3. CERTIFIED INFORMATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investment information disclosed in the accompanying financial statements and schedule including investments held at June 30, 2025 and 2024, and net appreciation (depreciation) in value of investments, dividends, and gains on sales of assets for the years then ended were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company, the qualified institutions.

Accordingly, as permitted under such election, the following information was not subjected to any auditing procedures performed by the independent public accountants, except for comparing such information certified by the qualified institutions to information included in the Plan's financial statements and supplemental schedule:

	<u>2025</u>	<u>2024</u>
Investments	\$ 4,920,055	\$ 4,482,000
Net appreciation in value of investments	\$ 349,025	417,716
Interest and dividends	\$ 122,951	152,635

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted prices that are observable for the asset or liability, or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ALTERNATIVES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and 2024

4. FAIR VALUE MEASUREMENTS (Continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value.

Registered investment companies: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value and security type as of June 30, 2025 and 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
June 30, 2025				
Registered investment companies	\$ 4,561,080	\$ -	\$ -	\$ 4,561,080
Total investments	<u>\$ 4,561,080</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,561,080</u>
June 30, 2024				
Registered investment companies	\$ 4,114,421	\$ -	\$ -	\$ 4,114,421
Total investments	<u>\$ 4,114,421</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,114,421</u>

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan maintains a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America. The account is credited with all contributions made by or on behalf of the participants, all interest credited to the fixed accounts on an annual effective basis pursuant to the guaranteed interest rate applicable, any amounts transferred or distributed from the accounts and applicable charges and fees. The contract is included in the financial statements at contract value as reported to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

ALTERNATIVES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and 2024

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract was \$358,975 and \$367,579 for the years ended June 30, 2025 and 2024, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed for resetting. The average yields earned by the fixed annuity investment contract was 1.45% and 1.33% for the years ended June 30, 2025 and 2024, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlled, controlled by or under common control with the employer; or (4) cessation of an employment relationship resulting from reorganization, merger, layoff or sale or discontinuance of all or any part of the Plan Sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete Plan termination; or (3) Plan disqualification. The Plan administrator does not believe that the occurrence of such events is probable.

6. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Plan Sponsor and certain others. First Interstate Wealth Management, the investment broker to the Plan is a party-in-interest. For the years ended June 30, 2025 and 2024 the Plan incurred and paid direct compensation to First Interstate Wealth Management of \$20,580 and \$18,443, respectively through revenue sharing credits applied from certain investment options.

7. FEDERAL INCOME TAX STATUS

The Plan is operating under a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan Document that obtained its latest opinion letter on November 14, 2022, in which the Internal Revenue Service stated the the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken or expected to be taken by the Plan, and has concluded that as of June 30, 2025, there are no such tax positions taken or expected to be taken that require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and 2024

8. RISKS AND UNCERTAINTIES

The Plan also invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts and the net assets will be distributed to participants in proportion to their respective account balances.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company remitted certain participant contributions to the Plan later than expected by DOL Regulation 2510.3-102. Late contributions identified totaled \$49,394 and \$59,228 for the years ended June 30, 2025 and 2024, respectively.

During the Plan year, the Plan processed a correction for certain late contributions outside of the Voluntary Fiduciary Correction Program (VFCP) totaling \$156 which includes the late contributions identified during the Plan year ended June 30, 2022.

11. SUBSEQUENT EVENTS

Management has evaluated subsequent events through April 9, 2026, the date on which the financial statements were available to be issued. Management determined there were no subsequent events that required reporting in the financial statements.
