UFCW LOCAL 555-EMPLOYERS HEALTH TRUST

FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
UFCW Local 555-Employers Health Trust
12205 SW Tualatin Road, Suite 200
Tualatin, Oregon 97062

Members of the Board:

Opinion

We have audited the accompanying financial statements of the UFCW Local 555-Employers Health Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

UFCW LOCAL 555-EMPLOYERS HEALTH TRUST

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The UFCW Local 555-Employers Health Trust (the "Plan") is a multiemployer welfare benefit plan providing medical, vision, dental, prescription, supplemental income, life and accidental death and dismemberment benefits to participants on whose behalf employers contribute to the Plan in accordance with their collective bargaining agreement. These benefits are paid directly from plan assets except for benefits covered through health maintenance organizations. Benefits not paid directly from plan assets are purchased through contracts with an insurance company and various health maintenance organizations. Retirees who elect to maintain medical coverage under this plan are required to make contributions toward the cost of such coverage. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENTS INCLUDE DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

B. Postretirement Benefits

Accounting principles generally accepted in the United States of America require that defined benefit health and welfare plans report postretirement benefit obligations for retired participants including beneficiaries and covered dependents, active and terminated participants who are fully eligible to receive postretirement benefits, and active participants not yet fully eligible for postretirement benefits. The Plan has implemented this standard; however, the Board of Trustees hereby reaffirms its position that the Plan does not have an obligation under prevailing law, collective bargaining agreements or its written plan documents to provide postretirement welfare benefits on a lifetime basis or to arrange for the funding of such benefits. To the contrary, the written terms of the Plan's benefit plans have consistently advised participants that benefits under the Retirees Plan are provided only on a month-to-month basis to the extent that funds are currently available and that such benefits are not guaranteed to continue indefinitely. Additionally, the governing Trust Agreement and the written terms of the Plan's benefit plans expressly recognize the Board of Trustees' right to modify retiree benefits or to terminate the Retirees Plan at any time.

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered to June 30. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with participating employers.

Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Postretirement Benefits (Continued)

The actuarial present value of the expected postretirement benefit obligation was determined by actuaries and is the amount that results from applying actuarial assumptions to historical benefit cost data to estimate future annual incurred benefit costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions and methods used were as follows for 2025 (2024): (a) Discount Rate: 5.50% (5.25%) per annum, (b) Nondisabled Mortality: Scale BB generational projection of the RP-2014 Blue Collar table set forward one year, (c) Retirement Age: 100% assumed to retire at age 70, (d) Administrative Expense: \$67 per year per retiree within plan year 2025/2026, increasing at 2% per year, and (e) other assumptions and methods for retirement rates, mix of type of retiree coverage, trend rates and per capita cost assumptions.

The discount rate increased from 5.25% to 5.50% reducing the liability by approximately \$557,000.

The health care cost trend rate and retiree contribution trend rate have a significant effect on the postretirement benefit obligations. A 1% increase in the health care cost-trend rate would have a \$211,100 and \$199,500 increase on the postretirement benefit obligation as of June 30, 2025 and 2024, respectively.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of postretirement benefit obligations.

C. Employer Contributions

Contributions as reported are contributions made for hours worked during the year. Employee contributions are based on the level of benefits selected. Contributions receivable are estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

D. Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Investment Valuation and Income Recognition

Accounting standards establish fair value hierarchy that prioritizes valuation inputs into their levels based on the extent to which inputs used in measuring fair value are observable in the market:

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan's investments at fair value, based on the inputs used to value them:

June 30, 2025				
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 357,589	\$ -	\$ -	\$ 357,589

Investments Measured at Net Asset Value ^A				<u>79,203,525</u>
				<u>\$ 105,680,316</u>

^A In accordance with ASC 820, investments measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy amounts to the amounts presented in the statements of net assets available for benefits.

Level 1 investments include a money market fund, government debt securities, and exchange-traded funds valued based on quoted prices in an active market.

Level 2 investments consist of corporate debt securities valued using matrices of trades in similar securities and third-party pricing services.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

The common/collective trust is a direct filing entity and valued at net asset value; the unfunded commitments and significant terms of redemption are as follows:

	June 30,		Unfunded	Redemption	Redemption
	2025	2024	Commitments	Frequency	Notice Period
NHIT Short Duration Fixed Income Trust	\$ 84,581,133	\$ 79,203,525	None	Daily	None

Purchases and sales of securities are reported on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on an accrual basis. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

F. Tax-Exempt Status

No provision for federal income tax is made. The Plan has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9). The Board of Trustees believes the Plan is currently designed and is being operated in compliance with the applicable regulations. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Plan Termination

Upon the termination of the Plan, per the Agreement and Declaration of the Trust, any and all monies remaining in the Plan after payment of all expenses and obligations of the Plan shall be either expended and used for the continuance of purposes of the Plan until such monies have been exhausted or transferred to another trust or trusts providing similar benefits. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

H. Concentration of Credit Risk

The Plan places its cash with financial institutions deemed to be creditworthy. Cash balances may at times exceed the federally insured limit of \$250,000 per bank.

I. Benefits and Benefit Obligations

Benefits are recorded when paid. The obligations for claims payable and claims incurred but not reported are an estimate of the cost to the Plan for claims incurred under the terms of the Plan at June 30, but paid by the Plan subsequent to June 30. Accumulated eligibility credits are an estimate of the cost to the Plan for benefits earned based on work in May and June which provides eligibility for July and August.

NOTE 5 - RISKS AND UNCERTAINTIES

Plan investments are exposed to various risk factors including interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Benefit obligations are reported based on certain assumptions pertaining to health care inflation rates and participant demographics which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The actuarial present value of postretirement benefit obligations is calculated based on certain assumptions pertaining to interest rates, participant demographics and other assumptions which are subject to change. Due to the uncertainty of the assumptions process it is at least reasonably possible that changes in these assumptions in the near term would be material to the financial statements.

NOTE 6 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through April 8, 2026, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

Members of the Board:

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
