INDEPENDENT AUDITORS' REPORT

**To the Plan Administrator of the 403(b) Thrift Plan
for Employees of Partnership for Families, Children and Adults, Inc.**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Thrift Plan for Employees of Partnership for Families, Children and Adults, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for Employees of Partnership for Families, Children and Adults, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan for Employees of Partnership for Families, Children and Adults, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of Partnership for Families, Children and Adults, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan for Employees of Partnership for Families, Children and Adults, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of Partnership for Families, Children and Adults, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, line 4i – schedule of assets (held at end of year) and schedule H, line 4a -schedule of delinquent participant contributions as of June 30, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

(1) DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan for Employees of Partnership for Families, Children and Adults, Inc. (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which was adopted July 1, 1996, to provide retirement benefits for the employees of Partnership for Families, Children and Adults, Inc. (the “Plan Sponsor”). The Plan was amended and restated effective December 1, 2019. The Plan covers all employees who have attained age twenty-one or older and have worked one year with at least 1,000 hours to be eligible to receive employer contributions (“Participants”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation up to a maximum limit set yearly by the IRS, as defined in the Plan. Also, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to a maximum limit set yearly by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 2% of eligible compensation with an automatic increase of 1% annually up to 10%. Contributions are automatically invested in a designated balanced fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. The Plan Sponsor contributes 100% of the first 2% of base compensation that a participant contributes to the Plan. The Plan Sponsor also makes additional contributions equal to 2% of the participant’s eligible compensation to the Plan on behalf of the participant. Contributions are subject to certain statutory limitations.

Participant accounts

Each participant’s account is credited or charged with the participant’s contribution and allocations of plan sponsor contributions, investment earnings and losses, and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Plan Sponsor’s contribution is based on years of continuous service. Participants do not vest for the first three years of service and are 100% vested after three years.

Group annuity loans

Participants may obtain group annuity loans secured by a portion of their accrued benefits invested in the Interest Accumulation Account of Mutual of America’s General Account under the group annuity contract.. Mutual of America is not the creditor for group annuity loans. Instead, the funds loaned to participants originate from the Plan’s interest in the General Account under the group annuity contract the funds the Plan. Under Section 401(f) of the Internal Revenue Code and Section 403(b) of the Employee Retirement Income Security

FAMILIES, CHILDREN AND ADULTS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025**

(1) DESCRIPTION OF PLAN (continued)

Group annuity loans (continued)

Act of 1974, as amended, a group annuity contract funding a qualified retirement plan is treated as a trust, with the employer acting as trustee. As such, the group annuity contract is considered a trust for purposes of participant loan requirements.

These loans are secured against the General Account and not deducted from the participant's investment account. A reserve of 20% is held. The interest rate is variable and changes quarterly and a portion of interest payments is retained by Mutual of America. Outstanding group annuity loans totaled \$35,047 and \$13,476 for the years ended of June 30, 2025 and 2024, respectively.

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various installment options. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited accounts

The forfeited nonvested account balances were \$7,770 and \$7,554 at June 30, 2025 and 2024, respectively. These accounts can be used to reduce future employer contributions or pay plan expenses. For the year ended June 30, 2025, employer contributions were not reduced from these accounts.

Administrative expenses

Personnel of the Plan Sponsor perform various administrative services for the Plan, including maintenance of participant records. The payroll and related overhead costs associated with these services are not included as plan expenses. Other than fees reported as administrative expenses in the statement of changes in net assets available for benefits, all other significant administrative expenses of the Plan are paid by the Plan Sponsor.

Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

**403(B) THRIFT PLAN FOR EMPLOYEES OF PARTNERSHIP FOR
FAMILIES, CHILDREN AND ADULTS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025**

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefits are recorded when paid.

(3) CERTIFIED INVESTMENTS AND INVESTMENT INCOME

The Plan has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company has certified that the following information, as well as the investment information in the notes to the financial statements and information included in the Schedule of Assets (Held at End of Year) as of and for the years ended June 30, 2025 and 2024, are complete and accurate.

	<u>2025</u>	<u>2024</u>
Mutual of America separate accounts	\$ 3,933,417	\$ 3,573,420
Mutual of America interest accumulation account	\$ 107,768	\$ 71,572
Net appreciation of investments	\$ 393,510	
Interest and dividends on investments	\$ 2,775	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) FAIR VALUE MEASUREMENTS

FASB ASC 820-10 defines fair value as the price the Plan would receive upon selling an investment in an orderly transaction to an independent buyer in the principal or most advantageous market for the investment. FASB ASC 820-10 established a three-tier hierarchy of inputs to establish a classification of fair value measurements for disclosure purposes. The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

**403(B) THRIFT PLAN FOR EMPLOYEES OF PARTNERSHIP FOR
FAMILIES, CHILDREN AND ADULTS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025**

(4) FAIR VALUE MEASUREMENTS (continued)

Level 1

Inputs are unadjusted and represent quoted prices in active markets for identical assets or liabilities at the measurement date.

Level 2

Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3

Inputs are unobservable and supported by little or no market activity.

Pooled separate accounts - Fair values equal the net asset values (NAV) of shares held by the Plan at year end. The NAV is based on the value of the underlying assets owned by the fund minus its liabilities, divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified at Level 1.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

	<u>Fair Value Measurements Using</u>			
	Quoted Prices in Active Markets for Identical Assets	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
<u>June 30, 2025</u>				
Pooled separate accounts	<u>\$ 3,933,417</u>	<u>\$ -</u>	<u>\$ -</u>	\$3,933,417
Investment at contract value				<u>107,768</u>
				<u><u>\$4,041,185</u></u>
<u>June 30, 2024</u>				
Pooled separate accounts	<u>\$ 3,573,420</u>	<u>\$ -</u>	<u>\$ -</u>	\$3,573,420
Investment at contract value				<u>71,572</u>
				<u><u>\$3,644,992</u></u>

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended June 30, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

FAMILIES, CHILDREN AND ADULTS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025**

(5) INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a fully benefit-responsive investment contract with Mutual of America. Mutual of America maintains the contributions in separate general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Because the investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contracts. The investment contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at June 30, 2025 and 2024 was \$107,768 and \$71,572, respectively. The investment contracts are a fully benefit-responsive group annuity contract issued by Mutual of America. The methodology for calculating the interest crediting rate is defined in the contracts. Under the terms of the existing Mutual of America contract, the Composite Crediting Rate is declared by Mutual of America “from time to time” and can increase/decrease at their discretion, but cannot be less than 1% or more than 3%. The underlying investments of the investment contracts earn an interest rate of approximately the same amount as the crediting rate.

The investment contracts are a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a Stable Value fund.

As a result, the average yield earned by the Plan is the yield earned (i.e. interest credited) on the group annuity contract.

Certain events limit the Plan's ability to transact at contract value with Mutual of America. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (C) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable of occurring.

The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**403(B) THRIFT PLAN FOR EMPLOYEES OF PARTNERSHIP FOR
FAMILIES, CHILDREN AND ADULTS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025**

(6) INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to June 30, 2022.

(7) PARTY-IN-INTEREST TRANSACTIONS

All Plan investments are currently managed by the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees of \$2,113 were paid to the custodian by the Plan during the current period.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

(8) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the value of funds held in the Investments at contract value per the financial statements at June 30, 2025 and 2024, to Part I of Schedule H of Form 5500:

	<u>2025</u>	<u>2024</u>
Value of funds held in Investments at contract value

(10) TIMELY SUBMISSION OF CONTRIBUTIONS

Certain participant contributions were not remitted to the Plan within the time frame prescribed by regulations of the U.S. Department of Labor. As a result, these amounts constitute prohibited transactions under the Employee Retirement Income Security Act of 1974.

During the plan year ended June 30, 2024, the Plan Sponsor had participant contributions transferred late to the Plan totaling \$22,606. This prohibited transaction consists of \$22,560 of contributions transferred late to the Plan and lost earnings of \$46 which are still due to plan participants.

Management is in the process of refining procedures to ensure that future participant contributions are remitted to the Plan in a timely manner in accordance with applicable regulations.

(11) PRIOR PERIOD ADJUSTMENT

The Plan's financial statements as of June 30, 2024, have been restated to correct an error in the recording of group annuity loans. Specifically, it was determined that \$13,476 of group annuity loans were incorrectly reported as notes receivable from participants and included in the Plan's General Account investment. As a result, the beginning net assets available for benefits as been decreased by \$13,476.

(12) SUBSEQUENT EVENTS

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through April 15, 2026, the date which these financial statements were available for issue.
