Independent Auditors' Report

To the Board of Directors of Chinese-American Planning Council Home Attendant Program, Inc. as Sponsor of CPC-CDPAP Pension Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of CPC-CDPAP Pension Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2025 and the Schedule of Reportable Transactions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CPC-CDPAP PENSION PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024**

NOTE 1 – DESCRIPTION OF PLAN

Chinese-American Planning Council Home Attendant Program, Inc. ("CPC-HAP" or the "Sponsor") adopted the CPC-CDPAP Pension Plan & Trust (the "Plan") as of July 1, 2005. Effective July 1, 2017, the Plan document was amended and restated, including certain provisions effective at later dates. The following description of the Plan provides only general information about the Plan. Readers should refer to the Plan document for a more complete description of the Plan's provisions.

- A. **General and Eligibility** – The Plan is a defined contribution plan that covers eligible employees of CPC-HAP. Effective July 1, 2021, the Plan was restated to remove the prior minimum age and service requirement. Consumer Directed Personal Assistant ("CDPA") employees will be eligible to participate in the Plan on the date of hire. CDPA employees hired before July 1, 2021 and not yet enrolled in the Plan were eligible as of July 1, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective April 1, 2025, State regulators changed the Statewide structure of CDPAP and moved employees of CDPAP to a single entity. As of result of this change, effective March 31, 2025, all employees of CPC-HAP were terminated and there are no new participants in the Plan.

- B. **Contributions** – Participants are not allowed to contribute to the Plan. Contributions to the Plan come solely from CPC-HAP. Annually, CPC-HAP calculates the contribution to be made to the Plan based on a discretionary formula relying on the number of hours worked by each participant relative to the total amount of each participant. As all employees were terminated effective March 31, 2025, no additional employer contributions will be made.

For the period from January 1, 2025 to March 31, 2025, the Plan Sponsor made an additional employer contribution to participants that were not enrolled in the group health plan or were entitled to a wage parity adjustment for wages paid during the period. This change is due to the Home Care Worker Wage Parity Law for home care workers. Employer contributions are recorded in the year earned. All employer contributions were received during the year.

Participant rollovers from other qualifying plans are permitted. For the years ended June 30, 2025 and 2024, there were no rollovers into the Plan.

- C. **Participant Accounts and Vesting** – Participants are fully vested in employer contributions and any rollover amounts, plus actual earnings thereon at all times. Each participant's account is credited with their share of the employer contributions as well as allocations of Plan earnings. The allocation of the Plan earnings to each participant is based on a ratio of the net investment earnings for the Plan year multiplied by the percentage of the participants' beginning balance to the Plan's beginning Plan assets. Investments are non-participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant loans are not permitted under the Plan.
- D. **Payment of Benefits** – Upon termination of service due to death, disability or normal retirement, a participant or their designated beneficiary is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account as permitted by the Plan. The Plan's policy is to make payments as either a lump sum, a direct rollover to another qualifying plan, or a partial lump sum (minimum \$500 distribution). A mandatory distribution will be made for those participants whose balance upon severance from employment is \$200 or less. Withdrawals due to financial hardship are not permitted.
- E. **Regulatory Compliance Affecting Retirement Plans** – The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 ½ to 72 to participants over 72 after January 1, 2020. The SECURE 2.0 Act (SECURE 2.0) was signed into law in December 2022 and increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023, and to age 75 starting in 2033.

CPC-CDPAP PENSION PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements of the Plan are prepared using the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- B. **Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
- C. **Investment Valuation and Income Recognition** – Investments, except for fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels, as described in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

As of June 30, 2025 and 2024, the Plan invested in a fully benefit-responsive contract with Voya Retirement Insurance and Annuity Company (“VOYA”) (see Note 5), which is reflected at contract value. Fully benefit-responsive investment contracts held by a defined-contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the Plan.

- D. **Payment of Benefits** – Benefit payments to participants are recorded upon distribution.
- E. **Administrative Expenses** – Administrative expenses of \$171,080 and \$141,680 were paid by the Plan for the years ended June 30, 2025 and 2024, respectively. Fees related to the administration of the Plan are paid directly by the Plan and are included in these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors’ report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by the Plan’s custodian, VOYA, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan’s financial statements.

**CPC-CDPAP PENSION PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024**

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN AS COMPLETE AND ACCURATE (Continued)

VOYA has certified to the completeness and accuracy of the investments included in the financial statements as of June 30, 2025 and 2024 and for the years then ended as summarized below:

Investments consist of the following as of June 30:

	<u>2025</u>	<u>2024</u>
VOYA separate accounts	\$ 1,791,443	\$ 1,914,297
Fully benefit-responsive investment contract-at contract value	<u>5,346,380</u>	<u>3,838,546</u>
	<u>\$ 7,137,823</u>	<u>\$ 5,752,843</u>

Investment activity consists of the following for the years ended June 30:

	<u>2025</u>	<u>2024</u>
Net appreciation in fair value of investments	\$ 228,274	\$ 318,733
Interest income	<u>74,100</u>	<u>68,951</u>
Total investment activity	<u>\$ 302,374</u>	<u>\$ 387,684</u>

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at June 30, 2025 and 2024.

CPC-CDPAP PENSION PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2025 AND 2024

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

VOYA Separate Accounts

Investments held in VOYA Separate Accounts consist of mutual funds valued at net asset value (“NAV”) as provided by the custodian/trustee. The NAV is based on the value of the underlying assets, minus liabilities, divided by the number of shares outstanding and is considered a practical expedient. VOYA Separate Accounts are a direct filing entity. The investment objective is to seek long-term capital growth and to maximize total return consistent with reasonable risk.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial assets are classified as follows as of June 30, 2025:

	<u>2025 Total</u>
VOYA Separate Accounts - NAV	\$ <u>1,791,443</u>
Total Assets at Fair Value	\$ <u>1,791,443</u>

Financial assets are classified as follows as of June 30, 2024:

	<u>2024 Total</u>
VOYA Separate Accounts - NAV	\$ <u>1,914,297</u>
Total Assets at Fair Value	\$ <u>1,914,297</u>

Fair Value of Investments in Entities that use NAV Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of June 30:

	<u>2025 Fair</u> <u>Value</u>	<u>2024 Fair</u> <u>Value</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice</u>	<u>Unfunded</u> <u>Commitment</u>
VOYA Separate Accounts	\$ 1,791,443	\$1,914,297	Daily	None	N/A

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and the size of the transfer relative to total net assets available for benefits. For the year ended June 30, 2025, there were no transfers.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with VOYA totaling \$5,346,380 and \$3,838,546 as of June 30, 2025 and 2024, respectively. VOYA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by the insurance company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed minimum interest is 1%. For the years ended June 30, 2025 and 2024, the credited interest rate for the Voya Fixed Account MC 917, Fund 4656 is guaranteed not to be less than the calendar-year floor rate of 3%. The credited interest rate for the Voya Fixed Account A MC 905, Fund 4640 was 1.60% and 1.50% for the years ending June 30, 2025 and 2024, respectively.

Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan has been terminated effective September 30, 2025 and therefore contract value upon distribution of the Plan investment contracts will be the fair value of the interests on the termination date. The effect on the contract value of the investment contracts cannot be reasonably estimated at this time.

NOTE 6 – ACCRUED EXPENSES

As of both June 30, 2025 and 2024, the accrued expenses on the statements of net assets available for benefits included \$70,116 for accrued audit fees and administrative fees.

NOTE 7 – PLAN TERMINATION

The Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participant accounts would be distributed in such a manner as noted in the Plan document. The Plan terminated effective September 30, 2025 (See Note 11).

NOTE 8 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by VOYA. VOYA is the trustee as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Administrative expenses incurred by the Plan amounted to \$171,080 and \$141,680 for the years ended June 30, 2025 and 2024, respectively.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, including, but not limited to, exposure to changes in interest rates, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified.

NOTE 10 – TAX STATUS (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated subsequent events from the date of the statement of net assets available for benefits through April 13, 2026, the date the financial statements were available to be issued.

At the September 30, 2025 meeting, the Board passed a resolution to terminate the Plan effective September 30, 2025. Following the termination of the Plan, the assets of the Plan will be distributed as soon as administratively practicable in accordance with the terms of the Plan.
