INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Board of Directors of
Pathways, Inc. Retirement and Employee Savings Plan
Hollywood, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Pathways, Inc. Retirement and Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, have elected to have the audits of the Pathways, Inc. Retirement and Employee Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to *29 CFR 2520.103-8* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with *29 CFR 2520.103-5* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator and Board of Directors of
Pathways, Inc. Retirement and Employee Savings Plan

Opinion (Cont.)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pathways, Inc. Retirement and Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pathways, Inc. Retirement and Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator and Board of Directors of
Pathways, Inc. Retirement and Employee Savings Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pathways, Inc. Retirement and Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pathways, Inc. Retirement and Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator and Board of Directors of
Pathways, Inc. Retirement and Employee Savings Plan

Other Matter - Supplemental Schedule Required by ERISA (Cont.)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Pathways, Inc.
Retirement and Employee Savings Plan
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and 2024

Note 1 - Description of Plan

The following description of Pathways, Inc. Retirement and Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: Pathways, Inc. Retirement and Employee Savings Plan is a defined contribution 403(b) plan, covering substantially all employees of Pathways, Inc. (the Organization). The Plan Administrator is responsible for oversight of the Plan. The Organization's Board of Directors determines the appropriateness of the Plan's investment offerings and monitors investment performance of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans. Any employee of Pathways, Inc. is eligible to make employee deferrals to the Plan unless their contribution would be under \$200 for any given plan year.

The Organization may make a discretionary employer matching contribution. To be eligible, participants must be at least 21 years old, have completed one year of service and worked 1,000 hours during the Plan year. The discretionary employer matching contribution formula is summarized as follows:

<u>Years of Service</u>	<u>Matching Percentage</u>
Less than one	0% of participant deferrals
One to two	30% of participant deferrals up to 3% of salary
Two to three	65% of participant deferrals up to 3% of salary
Over three	100% of participant deferrals up to 3% of salary

The Organization may also elect to make a discretionary profit-sharing contribution. To be eligible, participants must be at least 21 years old and have completed one year of service and worked 1,000 hours during the Plan year. Discretionary profit-sharing contributions are allocable to participants using a tiered system based on years of service for eligible employees who are employed by the Organization as of the last day of each plan year.

Participants direct their contributions to selected investments as made available by the Plan Administrator and may change their investment options daily.

NOTES TO FINANCIAL STATEMENTS (Cont.)
June 30, 2025 and 2024

Note 1 - Description of Plan (Cont.)

Participant Accounts: Each participant's account is credited with the participant's contribution, the Organization's discretionary matching contribution, the Organization's discretionary profit-sharing contribution, and an allocation of investment earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on the participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and the Organization's contributions, plus actual earnings thereon.

Payment of Benefits: Distributions from the Plan are permitted upon termination of employment, retirement, death, or disability and may be made in a lump-sum payment, installment payments, and annuity payments. In-service distributions are permitted when a participant reaches age 59 ½ and in certain hardship situations.

Notes Receivable from Participants: Under certain circumstances, as outlined in the Plan document, the Plan allows employees to obtain loans from the Plan. These loans are secured by the vested portion of the participants account and bear interest ranging from 4.50% - 10.50%. Repayment of loans is provided through automatic payroll deduction.

Administrative Expenses: The administrative and investment management expenses related to the Plan's Custodian and Trustee are paid by the Plan. The Organization pays all other administrative expenses of the Plan.

Forfeitures: All participant and employer contributions are fully vested immediately.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Retirement and Employee Savings Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
June 30, 2025 and 2024

Note 2 - Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined-contribution plan attributed to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis for the fully benefit-responsive investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. The outstanding notes receivable balance due from participants as of June 30, 2025 and 2024, was \$52,656 and \$52,785, respectively. The Plan Administrator has determined all notes receivable and are fully collectible from the participants' vested account balances; consequently, no amount has been recorded as an allowance for credit loss in the accompanying statements of net assets available for benefits.

Contributions and Related Receivables

Contributions from Plan participants and the employer discretionary matching contributions are recorded in the year in which the participant contributions are withheld from amounts paid. Employer discretionary profit-sharing contributions are recognized in the year in which the Organization designates the contributions. All participant and employer contributions are participant-directed. The Plan Administrator has determined that all participant and employer contributions receivable are fully collectible; consequently, no amount has been recorded as an allowance for credit loss in the accompanying statements of net assets available for benefits.

At June 30, 2025 and 2024, the balance in employer matching receivables was \$6,259 and \$6,259, respectively.

NOTES TO FINANCIAL STATEMENTS (Cont.)

Payment of Benefits

Benefits are recorded when paid. Benefits paid to participants amounted to \$332,651 and \$1,095,230 for the years ended June 30, 2025 and 2024, respectively.

Note 3 - Fair Value Measurements

ASC 820-10 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Investments whose values are based on quoted market prices in active markets, and are, therefore classified with Level 1, include active listed registered investment companies.

In addition, under *FASB ASC 820* the fair value of certain investments may be measured using the net asset value (NAV) per share (or its equivalent). Such investments are not classified in the fair value hierarchy.

Total	<u>\$ 2,999,363</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,770,654</u>

(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value presented in this table is intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

Following is a description of the valuation methodologies used for assets measured at fair value as of June 30, 2025 and 2024:

Registered investment companies: Investments whose values are based on quoted market prices in active markets, and are, therefore classified with Level 1 or NAV, includes funds with registered investment companies. Registered investment companies are valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Registered investment companies held by the Plan are deemed to be actively traded.

The table below sets forth additional disclosures for investments for which fair value is estimated using net asset value per share (or its equivalent) as of June 30:

	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Period
	2025	2024

June 30, 2025 and 2024

Note 4 - Investments Measured at Contract Value

The Plan entered into a fully benefit-responsive investment contracts with Lincoln National Life Insurance Company and Empower Trust Company, LLC. Lincoln National Life Insurance Company and Empower Trust Company, LLC, maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Lincoln National Life Insurance Company and Empower Trust Company, LLC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed fixed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed in the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The total contract value included in the financial statements as of June 30, 2025 and 2024 was \$367,872 and \$466,533, respectively.

Because the contracts are in insurance contracts, the Plan may transact according to the terms defined in the contracts at any time. If the Plan wishes to terminate its interest in the contracts, it would be paid the value of its interest. The issuers of the contracts have the right to no longer receive deposits. Termination of the contracts would occur when the deposit arrangement no longer exists and there are no guaranteed interest funds with a value greater than zero remaining under the contract. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

Note 5 - Information Certified or Provided by the Custodians

Investment Data

All investment data contained in the statements of net assets available for benefits and the statements of changes in net assets available for benefits as of and for the years ended June 30, 2025 and 2024, and the Schedule H, line 4i - Schedule of assets (held at end of year) as of June 30, 2025 was summarized from information provided by Lincoln National Life Insurance Company and Empower Trust Company, LLC, the Custodians of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians that the information provided to the Plan Administrator by the Custodians is complete and accurate.

Schedule of Assets Held for Investment Purposes

The accompanying schedule H, line 4i - schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of June 30, 2025.

Note 6 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the end of the year. During the Plan years ended June 30, 2025 and 2024, there were no reportable transactions.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 8 - Party-in-Interest Transactions

Lincoln National Life Insurance Company and Empower Trust Company, LLC are Custodians of the Plan; therefore, transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan to the Custodians and other service providers totaled \$8,739 and \$8,487 for the years ended June 30, 2025 and 2024, respectively.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Tax Status

Effective July 2019, the Plan adopted a non-standardized form of prototype plan. The prototype plan obtained its latest opinion letter on November 29, 2024 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan has been amended since the prototype received its opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Pathways, Inc.
Retirement and Employee Savings Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
June 30, 2025 and 2024

Note 10 - Tax Status (Cont.)

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 11 - Subsequent Events

The Plan has evaluated the impact of significant subsequent events. There have been no subsequent events through April 10, 2026, the date the Plan's financial statements were available to be issued, that require recognition or disclosure.
