The Employee Retirement Income Security Act of 1974 ("ERISA") requires an annual financial report on employee welfare benefit plans and pension benefit plans which cover 100 or more participants at the beginning of the plan year and are subject to ERISA. The administrator of such a plan is required to file an annual report on I.R.S./DOL Form 5500, including the accompanying Schedule A, with the Employee Benefits Security Administration.

Your Metropolitan Life Insurance Company ("MetLife") employee welfare benefit plan may be subject to ERISA's annual reporting requirements and MetLife is therefore providing you with the information needed to complete Schedule A of Form 5500. The attached report is not an actual Schedule A form and should not be attached to the Form 5500 for regulatory filing. The information should be forwarded to the person who will be completing your annual filing. The information is taken from the data MetLife maintains within its normal business records and is, to the best of MetLife's knowledge and belief, complete and accurate.

Part I, Section 2 of this report lists the compensation paid to intermediaries related to your plan. Intermediaries may include brokers, consultants, agents and third-party administrators. There are several categories of compensation that may be paid to an intermediary. For your reference, the categories of compensation are listed below.

- **Base Commissions** - Base commissions are generally paid to an intermediary on a monthly basis and are usually calculated as a percentage of premium. Base commissions are typically factored into the cost of the customer's plan.
- **Supplemental Compensation** - Supplemental compensation may be paid to qualifying intermediaries based on an intermediary's new business or total inforce premium for a specified year. It is not MetLife's practice to specifically factor supplemental compensation into the cost of customer's plan. Supplemental compensation is factored into the price structure of MetLife's institutional business products.
- **Fees** - Fees may include payments made to intermediaries for services such as administration, communication, enrollment, billing, eligibility, recordkeeping, printing and mailing. Fees may be directly charged to the customer's plan.
- **Award** - If your intermediary received an award (such as travel or a gift) from MetLife, MetLife allocated the value of the award to all plans that were considered in the qualification criteria proportionately.

Note, the non-monetary compensation amount included in the Schedule A, Fees Paid section of the enclosed report is based on the calendar year tracking of all individual gifts or items of non-monetary compensation such as dinners, tickets for shows or other entertainment events, membership dues, hotels, equal to or

greater than \$10, that are given to or provided directly or indirectly to brokers, producers, and other insurance intermediaries and/or their spouses, companions or family members. This information is tracked and aggregated at the brokerage firm or company level. The total value is divided by the total number of active contracts or policies in place with that firm for that year except for items relating directly to a specific customer or customers (which are reported to the specific customer(s)). This allocation is reported on the Schedule A reports for all ERISA customers who are part of a given broker firm's book of business.

Before submitting the Schedule A with your annual report to the Employee Benefits Security Administration, in addition to the information MetLife has provided, you should enter in the Schedule the appropriate name of the plan, three-digit plan number and employer identification number in the appropriate spaces immediately preceding Part I.

You may also wish to consult with your counsel concerning any need for attaching an opinion by an independent qualified public accountant.

This letter, together with your copy of the complete annual report should be retained for at least the 6-year period required by ERISA.

* The Gross Dealer Concession is based on premiums received and represents the total compensation and fees paid by the Insurance Company to the selling firm for the coverage used to fund the plan. Your representative(s) received payments subject to selling agreements that they have with the selling firm. The remaining compensation is used by the distributor or selling firm to pay other expenses, including Management Compensation, Conference expenses, etc. The Gross Dealer Concession includes the Commission Paid which is listed separately. The Metropolitan Life Insurance Company attests that the foregoing statement is complete and accurate to the best of its knowledge, information, and belief.
