Independent Auditor's Report

Plan Administrator
Center City PCS 401(k) Plan
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Center City PCS 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Notes 3-5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- * the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- * the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Center City PCS 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center City PCS 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- * Exercise professional judgment and maintain professional skepticism throughout the audit.
- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- * Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplementary Schedule Required by ERISA (Continued)

In our opinion

- * the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- * the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CENTER CITY PCS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of the Center City PCS 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan pursuant to the provisions of Section 401(k) of the Internal Revenue Code (the Code) established for the benefit of all employees in the Plan. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). A complete description of the Plan is contained in the Plan Document and Adoption Agreement, which governs the operation of the Plan.

The plan administrator changed service providers from American United Life Insurance Company (a One America company) to ADP Retirement Trust Services, LLC (ADPRTS). The Plan was restated effective July 1, 2024.

Eligibility

An employee is eligible to participate in the Plan upon date of hire provided they have attained a minimum age of 21 years and two months of service.

Contributions

Each year participants may make pre-tax and Roth salary deferrals subject to the limits established by the Code. Participants expected to reach age 50 or older during the calendar year may make an additional "catch up" contribution. Center City Public Charter Schools (the School) will make a safe harbor matching contribution that does not exceed 5% of eligible compensation. The School may also make a flexible discretionary matching contribution not to exceed 4% of eligible compensation. The Plan also allows for profit sharing contributions. Participants entering the Plan may roll over contributions from other plans.

The Plan has an automatic enrollment feature that automatically enrolls newly eligible employees into the Plan at a deferral rate of 3% unless the employee elects to opt out of the Plan or elects to change the deferral rate. The automatic deferral amount increases annually by 1% of compensation up to a maximum of 6% unless the employee elects otherwise.

Vesting

Participants are fully vested in their participant salary deferral accounts at all times. The School's safe harbor, discretionary matching and profit sharing contributions are 100% vested after one year of service.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (i) the School's matching and discretionary contributions and (ii) Plan earnings and charged with an allocation of administrative expenses. Participants direct the investment of their contributions into various investment options offered by the Plan.

CENTER CITY PCS 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance. Participants may only have one loan outstanding at a time and all loans must be repaid within five years, unless used for a primary residence. Each loan is secured by the participant's vested account balance and bears interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through weekly payroll deductions.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or by various installment plans. In accordance with the plan adoption agreement, if a participant's vested balance is less the \$5,000, it will be paid in a single lump sum.

A participant experiencing serious financial hardship may, with sufficient evidence, withdraw a portion of their account attributable to the compensation deferral and earnings allocable thereto. The amount of the withdrawal may not be greater than the immediate financial need. Participants should refer to the plan agreement for a more complete description.

Forfeited Accounts

Forfeited accounts will be used to reduce future employer contributions and/or administrative expenses. As of June 30, 2025 and 2024, the forfeited non-vested account totaled \$-0- and \$-0-, respectively. During the year ended June 30, 2025, employer contributions were reduced by approximately \$24,000 from forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan presents its financial statements under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

CENTER CITY PCS 401(K) PLAN

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

A portion of the administrative expenses and other fees are paid out of the Plan's assets. The School pays the remaining expenses of the Plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Shares of registered investment companies (mutual funds) are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end. Units of common/collective trusts' investments are valued based on net asset value per share provided by the manager of the fund.

Purchases and sales of securities are recorded on a trade-date basis. Purchases and sales are recorded on the ex-dividend date. Interest is accrued when earned. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur. Earnings from investments are recorded as earned using the accrual method of accounting. Dividends are recorded on the ex-dividend date.

3. INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Act of 1974. Accordingly, American United Life Insurance Company (a One America company), the custodian of the Plan until July 31, 2024, and ADP Retirement Trust Services, LLC (ADPRTS), the custodian of the Plan from August 1, 2024 until June 30, 2025, have certified that the information related to investments included in the accompanying financial statements and supplementary schedule are complete and accurate.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three board levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are observable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

<u>June 30, 2025</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual Funds	\$ 20,264,494	\$ 20,264,494	\$ -	\$ -
	20,264,494	\$ 20,264,494	\$ -	\$ -
Investments Measured at Net Asset Value *	85,822			
Total Investments, at Fair Value	\$ 20,350,316			
<u>June 30, 2024</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual Funds	\$ 17,490,988	\$ 17,490,988	\$ -	\$ -
Total Investments at Fair Value	\$ 17,490,988	\$ 17,490,988	\$ -	\$ -

* In accordance with Accounting Standards Codification, investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value as of June 30, 2025 and 2024.

Registered investment companies (mutual funds): Based on quoted market price values of the shares on the last business day of the plan year.

Common Collective Trusts: The fair value of common collective trust funds is based on the net asset value (NAV) on the last business day of the plan year provided by the entity holding the trust funds.

CENTER CITY PCS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The NAV of the common collective trusts is used as a practical expedient to estimate fair value and is determined by the trustee based on the fair value of underlying assets in the trusts, less the liabilities. Investments in all common collective trust funds can be redeemed immediately at the current net asset value. There are no withdrawal limits, redemption frequency limits, or redemption notice periods. There were no unfunded commitments for these investments as of June 30, 2025.

	Fair Value 2025	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
a. Common Collective Trusts	\$ 85,822	-	daily	1 day
	<u>\$ 85,822</u>			

5. GUARANTEED INVESTMENT CONTRACT

The Plan participates in a fully benefit-responsive investment contract with American United Life Insurance Company (AUL) (a One America company) via an investment in a Guaranteed Investment Contract (GIC). AUL commingles the assets of the GIC with other assets in a general account. The account is credited with earnings on the underlying investments and charged for withdrawals and administrative expenses. AUL is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Amounts were transferred to the Invesco Stable Asset during the year ended June 30, 2025.

6. RELATED PARTY TRANSACTIONS

ADP Retirement Trust Services, LLC (ADPRTS), and American United Life Insurance Company (a One America company) acted as the custodians of the accounts and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to the custodian also qualify as party-in-interest transactions.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions. Also, upon termination, the commitment of the Plan to make contributions shall terminate.

CENTER CITY PCS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

9. TAX STATUS

The Plan is a volume submitter plan of ADP, LLC, which received an opinion letter on October 6, 2020, in which the IRS stated that the form of the plan document was acceptable under the applicable requirements of the IRC. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Uncertain Tax Positions

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded liabilities for the year ended June 30, 2025.

10. CONCENTRATIONS

Investments representing 15% or more of the Plan's net assets available for benefits as of June 30, 2025 and 2024, are as follows:
