INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Christian Academy School System 403(b) Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Christian Academy School System 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of Christian Academy School System 403(b) Plan. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Christian Academy School System 403(b) Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Plan Administrator
Christian Academy School System 403(b) Plan
Louisville, Kentucky

Basis for Disclaimer of Opinion, continued

Further, as described in Note 8 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin (FAB) No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America (GAAP) require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets Held at End of Year as of June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

CHRISTIAN ACADEMY SCHOOL SYSTEM 403(B) PLAN

Notes to Financial Statements

June 30, 2025 and 2024

1. DESCRIPTION OF THE PLAN:

The following brief description of the Christian Academy School System 403(b) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) retirement plan covering all eligible employees of Christian Academy School Systems (the School). All employees are eligible to make elective deferrals to the Plan. Employees who normally work more than 20 hours a week, except as allowed in the Summary Plan Description, are eligible to receive employer discretionary matching contributions. The entry date for all employees and contributions is immediate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee is responsible for oversight of the Plan and determines the Plan's investment offerings and monitors investments performance. Some administrative functions are performed by employees of the School. No compensation is remitted to the School for these services. Plan assets are held and managed by Empower Annuity Insurance Company of America (Empower) and Reliance Trust Company (Reliance), the trustees or custodians and the qualified institutions for the Plan, which invests contributions and Plan earnings, makes investment transactions as directed by the Retirement Plan Committee and provides certain recordkeeping services. Standard Insurance Company (Standard) acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

CONTRIBUTIONS

Participants may make elective deferral contributions up to limits prescribed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The School may make discretionary matching contributions. For the year ended June 30, 2025, the School made discretionary matching contributions up to 50% of the first 4% of compensation deferred by the participant.

Contributions are subject to certain limitations prescribed by law. Participants direct the investment of all contributions into various investment options offered by the Plan.

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the School's contribution and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CHRISTIAN ACADEMY SCHOOL SYSTEM 403(B) PLAN

Notes to Financial Statements

June 30, 2025 and 2024

1. DESCRIPTION OF THE PLAN, continued:

PAYMENT OF BENEFITS

Upon death, disability, retirement, hardship, or termination, participants with vested account balances may receive payments in the form of an annuity, installment payments, or a lump sum amount. Upon attaining age 59 ½, participants may receive in-service distributions from employee contributions and related earnings in the form of an annuity, installment payments, or a lump sum amount. In the case of a hardship withdrawal, the amount may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

VESTING

Participants are vested immediately in their contributions and employer contributions plus actual earnings thereon.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan invests in mutual funds, pooled separate account units, and group fixed contracts. Mutual funds and pooled separate account units are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Note 4 for a discussion of fair value measurements.) Group fixed contracts are reported at contract value. (See Note 5 for a discussion of guaranteed annuity contracts.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

PLAN FEES AND EXPENSES

Substantially all expenses of maintaining the Plan are paid from plan assets. Investment related expenses are included in the net appreciation of fair value of investments.

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTIONS:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of June 30, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends for the year ended June 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower and Reliance, as qualified institutions.

4. FAIR VALUE MEASUREMENTS:

The *Fair Value Measurements and Disclosure* topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at June 30:

	Fair Value	Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at June 30, 2025:				
Mutual funds	\$ 13,840,859	\$ 13,840,859	\$ -	\$ -
Pooled separate accounts	620,681	-	620,681	-
	<u>\$ 14,461,540</u>	<u>\$ 13,840,859</u>	<u>\$ 620,681</u>	<u>\$ -</u>
Investments at June 30, 2024:				
Mutual funds	\$ 12,933,665	\$ 12,933,665	\$ -	\$ -
Pooled separate accounts	595,837	-	595,837	-
	<u>\$ 13,529,502</u>	<u>\$ 12,933,665</u>	<u>\$ 595,837</u>	<u>\$ -</u>

Mutual funds are primarily valued using market quotations or prices obtained from independent pricing sources. Pooled separate accounts are valued at the net asset value (NAV) of units held by the Plan at year end, based on the underlying investments. NAV is a readily determinable fair value which is published daily and is the basis for current transactions.

Changes in valuation technique: None.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with The Standard and Talcott Life Insurance Company, an affiliate of Empower. The Standard and Empower maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by The Standard and Empower represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit-responsive guaranteed investment contracts at June 30, 2025 and 2024, was \$2,054,378 and \$2,280,440, respectively. The crediting interest rates is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting but may not be less than 1%.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply.

The issuer may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the Plan's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, Plan disqualification, and failure to adopt the Plan in a reasonable period of time. Upon termination by the issuer, a market value adjustment or other withdrawal restrictions may apply. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Amounts transferred from Empower to non-competing funds must remain in the non-competing fund for at least three months.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. EXCLUSION OF PRE-2009 CONTRACTS:

As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and related income and distributions be included in the accompanying financial statements.

9. TAX STATUS:

The Plan has adopted a prototype plan document sponsored by The Standard. The prototype plan document has obtained an opinion letter from the Internal Revenue Service dated March 31, 2017, stating that the form of the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although, the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believes that the Plan is qualified.

10. PARTIES-IN-INTEREST TRANSACTIONS:

Empower, a custodian of the Plan, manages Plan investments. Fees paid to Empower are included in net appreciation in the statement of changes in net assets available for benefits. In addition, The Standard is a third-party administrator of the Plan, and the Plan invests in The Standard Stable Asset Fund. Transactions between the Plan and The Standard qualify as party-in-interest transactions. Total fees paid to The Standard were \$97,576 for the year ended June 30, 2025. These transactions qualify as party-in-interest transactions under ERISA. Additional expenses of \$16,500 were paid to other parties-in-interest.

11. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through April 6, 2026, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
