INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Stewart Welding & Fabricating, Inc. Employee Benefit Plan

Opinion

We have audited the financial statements of the Stewart Welding & Fabricating, Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits in liquidation as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits in liquidation for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2025 and 2024, and the changes in net assets available for benefits for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As further discussed in Note A to the financial statements, the Plan Sponsor resigned from the Veris Benefits Consortium, LLC effective June 30, 2024, the decision was made in 2024 to terminate the Plan effective June 30, 2025, and management determined liquidation was imminent. As a result, the Plan changed its basis of accounting from the accrual basis of accounting to the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements - continued

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date of the auditors' report.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of June 30, 2025 and Schedule H, Line 4(j) - Schedule of Reportable Transactions for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STEWART WELDING & FABRICATING, INC. EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Stewart Welding & Fabricating, Inc. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Liquidation Basis of Accounting

Due to the Company resigning from the Veris Benefits Consortium, LLC (the Consortium) effective June 30, 2024, as discussed later in this note, the decision was made in 2024 to terminate the Plan effective June 30, 2025. See Note E for further information on the disposition of plan assets. Accordingly, the Plan adopted the liquidation basis of accounting as liquidation and dissolution of the Plan was imminent. As of July 1, 2025, all benefits previously offered under this Plan will be offered under a newly created plan.

General

The Plan is a welfare benefit plan that provides health, dental, vision, short-term disability, accidental death and dismemberment, and life benefits to covered persons who are employees of Stewart Welding and Fabricating, Inc., (the Company). The eligibility period for all full-time employees is 30 days. Coverage will begin on the date that all eligibility requirements are met. Spouses and dependents of the full-time employees are also eligible for coverage if couple or family coverage is elected at enrollment.

Through June 30, 2024, the Company was a member of the Consortium, which is a group of companies that have partnered together in efforts of obtaining more preferential treatment and insurance rates than the companies could have acquired individually. The Company entered into an agreement with the Consortium whereby the manager of the Consortium will perform administrative services on behalf of the Plan including development of the program with respect to eligibility and underwriting standards, placing stop loss insurance, coordination of regulatory compliance and document preparation. The health benefits are paid in part from the trust established by the Consortium and in part by pre-tax contributions made by the employees.

Effective June 30, 2024, the Company resigned from the Consortium and began a newly created plan as of July 1, 2025. During July through October 2025, all assets within the trust continued funding residual claims outstanding, with the residual amount transferred to the Company's operating accounts in October 2025 and, therefore, the trust is deemed to be liquidated.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are required to contribute to the Plan to fund a portion of the cost of their medical, dental, and vision benefits. Amounts required to be contributed by participants are determined annually in accordance with the plan document. The remainder of the funding required to pay benefits, stop loss insurance, and cover expenses under the Plan is paid by the Company.

STEWART WELDING & FABRICATING, INC. EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN - continued

Self-Insured Benefits

The health benefits are self-insured. The claims are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Insured Benefits

The Plan fully insures the dental, vision, short-term disability, accidental death and dismemberment, and life benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits are paid to the insurance company from general assets of the Company.

COBRA Insurance

The Plan allows for coverage for a specific time period under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). If a participant's medical, dental, or vision coverage terminates because of a life event known as a "qualifying event," then the participant and eligible family members may have the right to purchase continued coverage for a temporary period of time. Each qualifying individual pays their premium directly to the third-party administrator. COBRA claims and other related expenses are paid by the third-party administrator.

Stop Loss Insurance

The Plan has a stop loss insurance arrangement whereby the stop loss insurance will cover the Plan's obligations for any participant's claims in excess of a fixed dollar amount (self-insured retention), as well as an aggregate exposure for all claims. For the years ended June 30, 2025 and 2024, the self-insured retention for the Company is \$75,000 per covered person with an aggregate exposure of approximately \$1,000,000.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates.

Notes to Financial Statements

June 30, 2025 and 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Other Liability

The other liability represents duplicate stop loss reimbursements received by the Plan that were not repaid to the stop loss carrier until after the Plan's year end.

Payment of Benefits

Claim payments are recorded when paid by the third-party administrator.

Risks and Uncertainties

Plan assets include cash which is held at a bank insured by the Federal Deposit Insurance Corporation (FDIC). At times during the years ended June 30, 2025 and 2024, the Company's cash balances may have exceeded federally insured limits. As of June 30, 2025 and 2024, the Company had uninsured cash of approximately \$618,000 and \$966,000, respectively.

Administrative Expenses

Substantially all administrative expenses of the Plan, including, but not limited to, costs related to claims processing are paid from plan assets. Certain other administrative expenses of the Plan, including legal, accounting, and certain recordkeeping services, are paid by the Company.

NOTE C - INVESTMENTS

The Plan's investments as of June 30, 2025 and 2024 consisted of a savings accounts, which are held in a bank administered trust fund. The fair market value of funds invested in the accounts are equal to cost and, as such, no appreciation or depreciation of value is recognized.

NOTE D - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

The following table sets forth by level within the fair value hierarchy, the Plan's investment at fair value as of June 30, 2025 and 2024:

	Investment at Fair Value as of June 30, 2025			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ -	\$ 868,128	\$ -	\$ 868,128

	Investment at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ -	\$ 1,216,035	\$ -	\$ 1,216,035

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at June 30, 2025 and 2024.

Interest-bearing cash: Stated at cost, which approximates fair value.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and amend or terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants. As discussed in Note A, the Company resigned from the Consortium effective June 30, 2024 and the Plan was terminated effective June 30, 2025. The balance of the interest-bearing cash as of June 30, 2025 and 2024 was used to pay unreported claims attributable to the plan, as discussed in Note H. The remaining assets were applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants.

STEWART WELDING & FABRICATING, INC. EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE F - PLAN TAX STATUS

The Plan is funded through a non-qualified trust under Internal Revenue Code (IRC) 419(a). The trust files Form 1041 U.S. Income Tax Return for Estates and Trusts. Plan management believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods. The Plan Administrator believes it is no longer subject to examinations for years prior to 2022.

NOTE G - RELATED PARTY TRANSACTIONS

As discussed in Note A, the Plan has arrangements with service providers. As discussed in Note B, expenses of administering the Plan are paid from plan assets or by the Company pursuant to provisions of the plan document. These transactions are party in interest transactions under ERISA.

NOTE H - BENEFIT OBLIGATIONS

FASB ASC Topic 965, *Health and Welfare Benefit Plans*, requires disclosure of the following plan obligations at June 30, 2025 and 2024. There were no claims incurred, but not reported to the Plan for active participants at June 30, 2025 and 2024.

Any claims incurred but not reported as of June 30, 2025 were paid by the trust due to the termination of the Plan effective June 30, 2025.

The Plan does not offer postemployment benefits and, thus, they are not included.

NOTE I - SUBSEQUENT EVENTS

Management has evaluated subsequent events through April 14, 2026, the date the financial statements were available to be issued.

As discussed in Note A, the Company resigned from the Consortium. During July through October 2025, all assets continued funding residual claims outstanding within the trust, with the residual amount transferred to the Company's operating accounts and therefore, the trust is deemed to be liquidated.
