We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PROD Design & Analysis, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PROD Design & Analysis, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PROD Design & Analysis, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **PROD DESIGN & ANALYSIS, INC. 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

#### **DESCRIPTION OF PLAN**

The following description of the PROD Design & Analysis, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – This is the initial year of the Plan and a short plan year, covering the period from inception (March 1, 2024) to December 31, 2024. As this is the initial year of the Plan, no comparative prior period financial information is presented.

The Plan is a defined contribution plan that covers substantially all employees of PROD Design & Analysis, Inc. (“the Company”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration – ADP Retirement Services, LLC (“ADP”) is the Trustee and Service Provider of the Plan. The Plan Administrator, an employee of the Company, administers the Plan. Management of the Company provides oversight of the Plan by determining the appropriateness of Plan provisions and investment offerings and monitoring investment performance.

Eligibility – All employees of the Company, excluding non-resident aliens, union employees, and residents of Puerto Rico, who have completed three months of service are eligible to participate in the Plan.

Contributions – Each year, participants may contribute up to 90% of pre-tax annual compensation allowable under the provisions of the Internal Revenue Code, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The Plan also includes an auto-escalation feature for participants that are automatically enrolled which increases their deferral 1% annually up to a maximum of 10%.

The Company makes safe harbor matching contributions equal to 100% of the participant’s elective deferral up to 3% of the participant’s compensation, plus 50% of the next 2% of the participant’s elective deferral.

The Company may make a nonelective discretionary matching contribution on behalf of each participant who contributed during the Plan year. The Company did not make a nonelective discretionary matching contribution for the period from inception (March 1, 2024) to December 31, 2024.

Participants direct the investment of their contributions and the Company’s nonelective and safe harbor matching contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

**PROD DESIGN & ANALYSIS, INC. 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS  
(CONTINUED)**

**DESCRIPTION OF PLAN (CONTINUED)**

Participant Accounts – Each participant's account is credited with the participant's contributions, the Company's nonelective and safe harbor matching contributions, and an allocation of the Plan's earnings and administrative expenses as applicable. Allocations are based on the participant's proportionate share of units held of the applicable investment options during each Plan year. The benefit to which a participant is entitled is the benefit that can be provided from that participant's vested account.

Vesting – Participants are immediately vested in their contributions and rollovers, if any, plus actual earnings thereon. Participants are also immediately vested in safe harbor matching contributions made by the Company. Vesting in the Company's nonelective discretionary matching contributions, plus actual earnings thereon, is according to a graduated schedule based on years of service. Participants are fully vested in these contributions after six years of credited service.

Notes Receivable from Participants – Subject to limitations, a participant may borrow from the vested portion of his or her elective account. The minimum amount of any loan is \$500 and the maximum amount is the lesser of one-half of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. The loans are secured by the balance in the participant's accounts. Up to 50% of a participant's vested account balance may be used as collateral for any loan. Notes receivable from participants, at the time of loan withdrawal, are applied with interest rates of Wall Street Prime, which was 7.5% as of December 31, 2024, plus 2% and remain at that rate through the loan's maturity. Outstanding notes receivable from participants have interest rates ranging from 9.75% to 10.5% as of December 31, 2024. Principal and interest are paid through payroll deductions. Notes receivable from participants are reported at their unpaid balances, plus any accrued, but unpaid, interest. There were deemed defaulted loans totaling \$1,194 for the period from inception (March 1, 2024) to December 31, 2024.

Payment of Benefits – On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution or a direct rollover equal to the participant's vested account balance. In addition, hardship distributions and in-service distributions are permitted if certain criteria are met.

Forfeited Accounts – Forfeitures of the Company's contributions and earnings thereon, resulting from participants leaving the Company prior to vesting, are retained in a forfeiture account. Forfeitures of Company contributions may be applied first to the payment of Plan administration expenses and then shall be applied to reduce the contributions of the Company. Forfeitures must be applied by the end of the Plan year following the Plan year in which the forfeiture occurs. There was no balance in the Plan's forfeiture account as of December 31, 2024. There were no amounts used to pay administrative expenses or reduce the Company's contributions during the period from inception (March 1, 2024) to December 31, 2024.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates – The preparation of the Plan's financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Fair Value Measurements footnote for additional narrative. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) consists of the unrealized appreciation (depreciation) of the investments and the excess (deficiency) of net proceeds over (under) market value of the related investment at the beginning of the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance, plus accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Notes receivable from participants are specifically excluded from ASU 2016-13 *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* (“ASC 326”).

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments. For the period from inception (March 1, 2024) to December 31, 2024, administrative expenses amounting to \$2,873 were paid by the Plan.

**INFORMATION PREPARED AND CERTIFIED TO BY QUALIFIED INSTITUTION**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End-of-Year), including investments and notes receivable from participants held at December 31, 2024, and interest, dividends, net appreciation (depreciation) in fair value of investments, and interest income on notes receivable from participants for the period from inception (March 1, 2024) to December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by ADP, the Trustee of the Plan.

**FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. In general, fair value determined by Level 1 inputs utilize quoted prices (unadjusted) in active markets the Plan has the ability to access for identical assets or liabilities. Fair value determined by Level 2 inputs utilize inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for similar assets and liabilities in active markets and inputs other than quoted prices observable for the asset or liability, such as interest rate and yield curves observable at commonly quoted intervals. Level 3 inputs are unobservable inputs for the asset or liability, and include situations where there is little, if any, market activity for the asset or liability.

In instances in which the inputs used to measure fair value may fall into different levels of the fair value hierarchy, the level in the fair value hierarchy within which the fair value measurement in its entirety has been determined is based on the lowest level input significant to the fair value measurement in its entirety. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

**NOTES TO FINANCIAL STATEMENTS  
(CONTINUED)**

**FAIR VALUE MEASUREMENTS (CONTINUED)**

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31, 2024:

|                                         | <b><u>Level 1</u></b>   | <b><u>Total</u></b>     |
|-----------------------------------------|-------------------------|-------------------------|
| Mutual funds                            | \$526,141               | \$526,141               |
| Investments measured at net asset value | <u>          </u>       | <u>2,191</u>            |
| Total                                   | <b><u>\$526,141</u></b> | <b><u>\$528,332</u></b> |

Level 1 Fair Value Measurements – The fair value of the mutual fund accounts is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Investments Measured at Net Asset Value – Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient, which include common collective trust funds, have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statement of net assets available for benefits. These investments have no unfunded commitments as of December 31, 2024 and can be redeemed daily with no redemption notice period or other redemption restrictions.

**EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by ADP. ADP is the Service Provider and Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

ADP provides certain administrative and trustee services to the Plan pursuant to separate Plan service agreement between the Company and ADP. ADP receives revenue from mutual fund service providers for services ADP provide to the funds. This revenue is used to offset certain amounts owed to ADP for its administrative services to the Plan. If the revenue received by ADP from such mutual fund service providers exceeds the amount owed under the Plan service agreement, ADP remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the period from inception (March 1, 2024) to December 31, 2024, there were no excess amounts. The Plan or Company may make a payment to ADP for administrative expenses. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to ADP for investment management services amounted to \$2,873 for the period from inception (March 1, 2024) to December 31, 2024. Additional fees paid to ADP for the period from inception (March 1, 2024) to December 31, 2024 were paid by the Company and are excluded from these financial statements.

SBNG, PC ("SBNG"), the auditor of the Plan, charges fees for the audit and attest services it provides, which may be paid by the Plan or Company. These transactions qualify as exempt party-in-interest transactions. There were no fees paid by the Plan or Company to SBNG during the period from inception (March 1, 2024) to December 31, 2024.

The Plan has notes receivable from participants, which are secured solely by a portion of the participants' vested account balance, in accordance with the Plan document. These transactions qualify as exempt party-in-interest transactions. The balance of notes receivable from participants as of December 31, 2024 was \$7,330.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**PROD DESIGN & ANALYSIS, INC. 401(k) PLAN,**

**NOTES TO FINANCIAL STATEMENTS  
(CONTINUED)**

**INCOME TAX STATUS**

The Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status. The IRS has determined and informed ADP by a letter dated October 6, 2020 that the volume submitter plan from which the Plan was drafted is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code; therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2024, there were no uncertain tax positions. The Plan will file a Form 5500 for the period from inception (March 1, 2024) to December 31, 2024 in accordance with Department of Labor and IRS requirements. The Plan will also file a Form 5500 for all subsequent plan years. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**RISKS AND UNCERTAINTIES**

The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Late 2024 5500 Filing – For the period from inception (March 1, 2024) to December 31, 2024, the Form 5500 and associated audit report was not filed prior to the extended deadline of October 15, 2025 and had not been filed as of the report date in accordance with Department of Labor and Internal Revenue Service regulations. As a result, the Company is subject to penalties from the Department of Labor and Internal Revenue Service as the filing subsequent to the report date would be deemed late. As a notice has not been received from the Department of Labor and Internal Revenue Service through the report date, the amount of penalties, if any, the Company will pay with regard to the late 2024 Form 5500 filing has not yet been determined.
