Independent Auditor's Report

To the Plan Administrator
Intramed Plus, Inc. 401(k) Profit Sharing Retirement Plan
West Columbia, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Intramed Plus, Inc. 401(k) Profit Sharing Retirement Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audits]. The financial statements comprise the statements of net assets available for benefits as of June 18, 2025 (in liquidation) and December 31, 2024, and the related statement of changes in net assets available for benefits for the period January 1, 2025, through June 18, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Intramed Plus, Inc. 401(k) Profit Sharing Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 18, 2025, and December 31, 2024, and for the period January 1, 2025, through June 18, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Intramed Plus, Inc. 401(k) Profit Sharing Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As described in Note 2 to the financial statements, the Board of Directors of Intramed Plus, Inc. approved a plan of liquidation on January 21, 2025, and management determined liquidation was imminent. As a result, the Plan adopted the liquidation basis of accounting for 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Intramed Plus, Inc. 401(k) Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

NOTE 1. GENERAL DESCRIPTION OF THE PLAN

The following general description of the Intramed Plus, Inc. 401(k) Profit Sharing Retirement Plan (the "Plan") is provided for information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan was established as of January 1, 1997, as a cash or deferred profit-sharing plan providing retirement benefits to eligible participants. Prior to termination, employees were eligible to participate in the Plan and were also eligible to share in any employer contributions upon completion of three months of service and having attained age 21. The Plan is designed to comply with Section 401(k) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) applicable to defined contribution or individual account plans.

Termination of the Plan

On January 21, 2025, the Board of Directors adopted an amendment to suspend all contributions and to terminate the Plan effective January 23, 2025. As of the termination date, every participant with an accrued benefit was fully vested. All assets of the Plan were distributed as of June 18, 2025.

Contributions

Prior to termination, effective January 1, 1997, an employee who elected to participate could contribute up to 100% of his or her compensation subject to limitations as defined by the Internal Revenue Code. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The employer contributed a matching safe harbor contribution of 100% of elective deferrals that did not exceed 4% of compensation. The employer could also make a discretionary contribution in a non-discriminatory manner. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. Intramed Plus, Inc. (the "Company") did not make any discretionary contributions for the period January 1, 2025, through June 18, 2025.

Participant Accounts

Prior to termination, each participant's account was credited with the participant's contribution, the employer's contribution and an allocation of Plan earnings and administrative expenses. Plan earnings were allocated based on average account balances as defined in the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account. Forfeited balances of terminated participants' nonvested accounts were used to reduce future employer matching contributions.

Notes to Financial Statements

NOTE 1. GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

The Plan allowed participants to begin receiving normal retirement benefits at the latter of age 65 or the fifth anniversary of their participation in the Plan. Early retirement benefits were not permitted. Financial hardship withdrawals were permitted under certain circumstances.

Vesting

Prior to termination, participants were immediately vested in their voluntary contributions and employer ADP safe harbor and qualified elective and qualified matching contributions and actual earnings thereon. Vesting in accounts employer matching, profit sharing, and ADP safe harbor contributions were determined under the following schedule and was based on vesting years of service. A year of credited service was earned for each year in which at least 1,000 hours of service was performed for the employer.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant was also 100% vested upon date of early retirement, death or disability.

Administration

The Plan Administrator supervises the operation of the Plan, interprets the meaning of provisions in the Plan, determines eligibility for participation and benefits, and decides when benefits are to be paid in accordance with the terms of the Plan.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The Board of Directors approved a plan of liquidation on January 21, 2025, and management determined liquidation was imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. During 2025, final distributions were determined based on all participants being 100% vested and were made as soon as possible after the termination date. All remaining distributions were made by June 18, 2025.

Intramed Plus, Inc. 401(k) Profit Sharing Retirement Plan

Notes to Financial Statements

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. For the period from January 1, 2025, through June 18, 2025, these estimates were made under the liquidation basis of accounting. These estimates primarily included the determination of the net realizable value of the Plan's assets and the accrual of estimated costs to liquidate the Plan. As of June 18, 2025, all such liquidation costs had been determined and paid.

For the year ended December 31, 2024, these estimates were made under the going concern basis, which primarily involved the fair value of investments and the allocation of investment earnings and losses to participant accounts. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

For the Period June 18, 2025 (Liquidation Basis):

Investments are stated at their estimated net realizable value, representing the amount of cash the Plan expects to collect upon settlement. Under the liquidation basis of accounting, the Plan accrues all income it expects to earn through the end of the liquidation period. For the period from January 1, 2025, through June 18, 2025, all such income was earned and collected. As of June 18, 2025, all Plan investments were liquidated and distributed to participants; therefore, no investments are held at the end of the period.

For the Year Ended December 31, 2024 (Going Concern Basis):

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the Plan's custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Forfeitures

During 2025, employer contributions were reduced by \$0 from forfeited nonvested accounts. Forfeited nonvested accounts totaled \$0 and \$2,151 at June 18, 2025, and December 31, 2024, respectively. Forfeitures of \$2,151 were used to pay plan related administrative expenses in 2025.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Company has evaluated subsequent events through April 10, 2026, the date the financial statements were available to be issued, and has determined that no significant events occurred after June 18, 2025, but prior to the issuance of these financial statements that would have a material impact on its financial statements.

NOTE 3. TAX STATUS

The Company has adopted a prototype plan designed by Datair Employee Benefit Systems, Inc. The prototype plan sponsor has received a favorable opinion letter from the Internal Revenue Service, dated June 30, 2020, stating that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

The Plan Administrator has evaluated tax positions taken by the Plan, and has concluded that as of June 18, 2025, there are no uncertain tax positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress.

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by John Hancock Life Insurance Company U.S.A., the Custodian of the Plan, except for comparing such amounts to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained certifications from the Custodian that such information is complete and accurate.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology that are unobservable for the asset or liability.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 18, 2025, and December 31, 2024.

Pooled separate accounts: Valued at the net asset value (NAV) of units of the pooled separate account. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Withdrawals can be executed at any time, but exchanges are generally limited to two per month. Were the Plan to initiate a full redemption of a pooled separate account, the investment adviser reserves the right to temporarily delay withdrawal from the account in order to ensure that the securities liquidation will be carried out in an orderly business manner. There are no unfunded commitments related to the pooled separate account.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 18, 2025, and December 31, 2024:

Assets at Fair Value as of June 18, 2025				
	Level 1	Level 2	Level 3	Total
Investments measured at net asset value (a)	\$ -	\$ -	\$ -	\$ -
Investments at fair value	\$ -	\$ -	\$ -	\$ -
Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Investments measured at net asset value (a)	\$ -	\$ -	\$ -	\$ 8,494,048
Investments at fair value	\$ -	\$ -	\$ -	\$ 8,494,048

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments were pooled separate accounts of John Hancock. John Hancock is the Custodian of the Plan's assets and, therefore, transactions associated with these investments are considered party-in-interest transactions. The Plan's pooled separate accounts incur fees of the invested balance for services provided by John Hancock plus other administrative expenses. Fees paid by the Plan for investment management services are included in administrative expenses and net appreciation in fair value of investments. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities occurred in the near term prior to the final liquidation of June 18, 2025, and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits (in liquidation).
