INDEPENDENT AUDITOR'S REPORT

To the Participants and Board of Directors of
The H.T. Hackney Co. and Plan Administrator of
The H.T. Hackney Co. Flexible Benefits Plan
Knoxville, Tennessee

Opinion

We have audited the accompanying financial statements of The H.T. Hackney Co. Flexible Benefits Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of June 30, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at year end and reportable transactions as of or for the year ended June 30, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE H.T. HACKNEY CO. FLEXIBLE BENEFITS PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The H.T. Hackney Co. Flexible Benefits Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan was established to provide health care benefits for eligible, full-time employees of The H.T. Hackney Co. and its subsidiaries (collectively, the Company or Plan Sponsor) and covered dependents. The Plan does not provide coverage for post-retirement benefits. For previous participants who are no longer employed, benefits may continue as required under federal law.

Certain plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions - In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

As permitted under Section 125 of the Internal Revenue Code, the Company offers a flexible benefits plan which allows participating employees to pay a designated amount of their plan contributions with pre-tax dollars.

Deposits - The Plan keeps an amount in an imprest bank account to be used to pay claims by the third-party processors.

Benefits - The Plan provides health care benefits (medical and prescription drugs). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-Insured Benefits - All plan benefits are self-insured. The claims for self-insured benefits are processed by United Healthcare and OptumRx, the Plan's third-party claim processors under an administrative service only (ASO) arrangement. The claims processors pay claims directly to or on behalf of participants and are reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan. Claim payments are recorded when paid.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop-Loss Coverage - The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits for medical, including prescription drugs, for individual participant claims over $300,000.

Administrative Expenses - The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrators and the trustee. These expenses are reported on the statements of changes in benefit obligations and net assets available for benefits as administrative expenses. Certain administrative expenses are paid by the Company on behalf of the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting and Use of Estimates - The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits - Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid. Amounts due that have yet to be reimbursed by the Plan are recorded as a payable in the accompanying statements of net assets available for benefits.

Income Recognition - Interest income is recorded on the accrual basis.

Benefit Obligations - Benefit obligations for incurred but not reported medical claims are estimated by the Plan's management based on historical information. The liability is based on estimates and while management believes that the amount is adequate, the ultimate obligation may be in excess or less than the amounts disclosed. Such amounts are reported at an undiscounted amount because the amounts are payable within one year. Any differences in the amounts estimated and actual amounts paid will be reported in future years.

Stop Loss - Premiums for stop loss insurance are included in excess loss insurance premiums in the accompanying statement of changes in net assets available for benefits. Stop loss reimbursement for claims in excess totaling $817,658 have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Refunds - Refunds due from the Plan's PBM which totaled $2,348,178 are recorded when received and have been netted with claims paid on the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended June 30, 2025.

Subsequent Events - The Plan's management has evaluated subsequent events for the Plan through April 14, 2026, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure.

NOTE 3 - CONCENTRATION OF CREDIT RISK

At various times during the year, the Plan has cash balances at a bank in excess of the FDIC federally insured limit of $250,000. The Plan has not experienced any losses in such accounts, and Plan management believes the Plan is not exposed to any significant credit risk in this regard.

NOTE 4 - MONEY MARKET DEPOSIT ACCOUNT

The Plan has entered into a money market deposit account agreement with Regions Institutional Services ("Regions Bank"). Regions Bank uses the Regions Trust Cash Sweep ("RTCS") to ensure that all cash in the account is invested daily. As investments in the account generate cash, this cash is automatically swept into RTCS each day where the cash earns interest rather than sitting idle before being distributed or reinvested. RTCS pays a standard interest rate based on the average taxable money market 7-day yield as published by iMoneyNet, Inc. The investment objective of RTCS is to produce current income with liquidity and stable principal.

RTCS is an FDIC-insured deposit in Regions Bank. Balances in excess of the standard maximum insured amount ($250,000 in the current year) are collateralized by marketable securities segregated by Regions Bank for purposes of securing these deposits.

There are no separate management fees associated with RTCS. The account fees based on the total market value of the account will include the RTCS assets in the calculation.

NOTE 5 - ADMINISTRATIVE CONTRACT

Medical and pharmacy claims of the Plan are administered by United Healthcare (UHC) and OptumRx, the Plan's third-party administrators under the terms of administrative contracts. The contracts require performance of services necessary for the operation and conduct of the day-to-day business of the Plan. As compensation for these services, the third parties receive a monthly fee based upon the number of participants in the Plan. During 2025, the fees paid related to these contracts were $783,858.

NOTE 6 - INCOME TAX STATUS

The VEBA trust has received an exemption letter stating that the trust is tax exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC), and, accordingly, the Trust's net investment income is exempt from income taxes. In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan, as amended, is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of June 30, 2025 and 2024, to the Form 5500:

	2025	2024
Net Assets Available for Benefits per the Financial Statements	$ 9,516,891	$ 8,000,204
Claims Payable and Claims Incurred but not Reported	(1,778,863)	(1,685,916)
Net Assets Available for Benefits per Form 5500	$ 7,738,028	$ 6,314,288

The following is a reconciliation of claims paid per the financial statements to the Form 5500 as of June 30, 2025:

Claims Paid per the Financial Statements	$ 22,686,795
Add: Amounts Currently Payable at June 30, 2025	1,778,863
Less: Amounts Currently Payable at June 30, 2024	(1,685,916)
Claims Paid per the Form 5500	$ 22,779,742

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets were invested in a money market deposit account held by the trustee of the Plan, Regions Bank (see Note 4). As described in Notes 1 and 5, the Plan has several arrangements with service providers. These transactions are considered party-in-interest transactions under ERISA regulations.

NOTE 9 - RISKS AND UNCERTAINTIES

The estimated benefit obligations for claims incurred but not reported is based on certain assumptions, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

NOTE 10 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to and contributions required of participants, or to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provisions of benefits for the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan participants.
