INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Public Preparatory Network, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Public Preparatory Network, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Public Preparatory Network, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Public Preparatory Network, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Public Preparatory Network, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Public Preparatory Network, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Public Preparatory Network, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes and delinquent participant contributions, both as of June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PUBLIC PREPARATORY NETWORK, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Public Preparatory Network, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Public Preparatory Network, Inc. (the “Organization”) originally adopted the Plan on July 1, 2010, and subsequently amended and restated the Plan for the employees of Public Preparatory Network, Inc., (“PPN”) and Public Prep Academies (“PPA”). The Plan is a defined contribution plan with a 403(b) salary reduction agreement covering all eligible employees of PPN and PPA (together the “Organizations”). Participation in the Plan is at the election of the employee. Eligible employees are permitted to enter the Plan upon date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees of the Organization controls and manages the operation and administration of the Plan.

Contributions

Contributions are made to the Plan by the Organizations on behalf of each eligible participant based upon the participant's elected compensation deferral through payroll deductions. The deferrals are funded by the Organizations at the end of each payroll period. Eligible participants may defer an amount up to the Elective Deferral Dollar Limit and the Code § 415 Limitation. Participants age 50 or over may elect to contribute an additional amount (“catch-up contributions”) over the base statutory limit in accordance with the Economic Growth and Tax Relief Reconciliation Act of 2001. Participants may also elect to make Roth contributions to the Plan. The IRS imposes a maximum limit on the total amount of contributions a participant may receive under this Plan. The limit applies to all contributions the Organization makes on behalf of the participants, all contributions participants contribute to the Plan, and any forfeitures allocated to any of the participant accounts during the plan year. Under this limit, the total of all contributions under the Plan cannot exceed a specific dollar amount or 100% of the participant's annual compensation, whichever is less. The Plan also permits employees to contribute balances from other qualified plans (“rollover contributions”). Participants direct the investment of their contributions into various investment options offered by the Plan. The Organizations are permitted to make discretionary matching contributions. The discretionary matching contribution for each of the years ended June 30, 2025 and 2024 was 100% of a participant's deferral, up to a maximum of 5% of eligible compensation. All the Organizations' contributions are invested at the participant's discretion among the fund elections. Participant and Organization contributions are recorded in the period the Organization makes the payroll deduction.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Organizations' contributions and (b) Plan earnings or losses, offset by (c) withdrawals and (d) Plan administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. All participants hired prior to October 1, 2013 are also immediately vested in all employer matching contributions and earnings thereon. For participants hired after October 1, 2013, employer contributions are fully vested after the completion of three years of service. Effective July 31, 2019, the Plan was amended to use the Elapsed Time method in calculating years of service.

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2025 AND 2024

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Participant notes receivable

Participants may borrow from their accounts up to the maximum amount equal to the lesser of \$50,000 less the highest outstanding loan balance during the past 12 months or 50% of their vested account balance less any current outstanding loan balance (minimum loan amount of \$1,000). Each participant's loan is collateralized by the participant's vested account balance and is charged an interest rate equal to the prime rate on the date of loan origination plus 2.0% for loans issued through June 30, 2024. Effective July 1, 2024, the interest rate was reduced to the prime rate on the date of loan origination plus 1%. The loans are payable over terms up to five years (longer if for the purchase of a principal residence but in no event shall it exceed the usual repayment period required by commercial lenders for similar loans). At June 30, 2025, loans bear interest rates from 5.25% to 8.50% and are due at various dates through June 2027. Participant notes receivable are measured and valued at their unpaid principal balance plus any accrued but unpaid interest and their carrying value approximates fair value. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Investment options

Participants may direct their contributions to a variety of money market and mutual funds, as well as guaranteed income investment options. These funds include a variety of investment options with various objectives and degrees of financial risk.

Forfeited amounts

Any forfeitures arising under the Plan can be used to pay plan expenses or to reduce the Organizations' future contributions to the Plan. During the years ended June 30, 2025 and 2024, \$32,479 and \$118,612 respectively, of forfeitures were used to reduce employer contributions. The remaining forfeiture amounts at June 30, 2025 were \$82,915. There were no remaining forfeiture amounts at June 30, 2024.

Payment of benefits

Participants are entitled to receive a distribution of the vested portion of their account upon reaching age 59 ½, termination of employment, disability, death, or in the event of financial hardship. A participant who has terminated employment and has a vested account balance greater than \$5,000 in the plan may receive a distribution from the Plan as soon as administratively feasible following the termination of employment; the participant must request a distribution before a distribution is made. If the participant does not consent to a distribution of his or her vested account balance, the balance will remain in the Plan. In the event of a vested account balance greater than \$1,000 but less than \$5,000, the participant may elect either a direct rollover to an individual retirement account ("IRA") or another qualified plan or a lump-sum amount equal to the value of the vested portion of his or her account upon termination of service. If an employee fails to make an election of one of these options within a reasonable period of time from the termination date, his or her vested account balance will automatically be directed to a rollover IRA selected by the employer. In case of participants with a vested account balance of less than \$1,000 at the time of termination of employment, their entire vested benefit will be distributed to them in a lump sum, even if they do not consent to a distribution. Payment of benefits prior to termination of service may be made under certain circumstances as defined by the Plan. Upon termination of service due to death, disability or retirement, a participant may elect to receive the value of their vested benefits as a lump-sum distribution, joint and survivor annuity or a combination of the two.

Withdrawals

Participants may request hardship withdrawals of amounts contributed to the Plan for extreme hardships pursuant to plan requirements.

PUBLIC PREPARATORY NETWORK, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2025 AND 2024

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual method of accounting.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain costs and expenses of administering the Plan are paid either directly by the Organizations or, where applicable, paid pro rata from each participant's account. Expenses that are paid directly by the Organizations are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Investment valuation and income recognition

Investments in mutual funds and money market funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Valuation of guaranteed income funds

The Plan holds an investment in a Guaranteed Income Fund which qualifies as a traditional fully benefit-responsive contract and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Since contract value is the relevant measurement, this investment is excluded from the fair value hierarchy table. There are no unfunded commitments.

Contributions made to the guaranteed investment contracts were invested in the Prudential Retirement Insurance and Annuity Company's Guaranteed Income Fund ("PRIAC GIF") through June 30, 2024. Effective upon the transfer of Plan assets to Ascensus in July 2024, funds held in the PRIAC GIF were transferred to the Empower Guaranteed Income Fund. The principal invested in the funds is guaranteed as long as the contract is in force. The Guaranteed Income Fund has interest rates established semi-annually, for the entire fund, regardless of when the funds are deposited. The credited interest rate may stay the same or change semi-annually.

The Guaranteed Income Fund is a general account product. The methodology for calculating the interest crediting rate is based on consideration of current economic and market conditions, the general interest rate environment and both the expected and actual experience of a reference portfolio within the issuer's general account. The interest crediting rates are established without a specific formula.

PUBLIC PREPARATORY NETWORK, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2025 AND 2024

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Generally, there are not any events that could limit the ability of the Plan sponsor and/or plan participants to transact at contract value with Empower. There are not any events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value, paid either within 90 days or over time.

The investment in guaranteed investment contracts is an alternative investment. Because alternative investments are not readily marketable, their estimated value is subject to uncertainty and therefore may differ from the value that would have been used had a ready market for such investments existed. Such difference could be material.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through April 13, 2026, which is the date the financial statements are available to be issued. See Note K.

NOTE C: FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 Measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PUBLIC PREPARATORY NETWORK, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2025 AND 2024

NOTE C: FAIR VALUE MEASUREMENTS, Cont'd

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are actively traded open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to report their daily net asset value and transact at that price.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

Assets at Fair Value				
	Level 1	Level 2	Level 3	Total
<u>June 30, 2025</u>

NOTE D: CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments, notes receivable from participants, interest and dividends, interest income attributable to notes receivable from participants, and net appreciation in fair value of investments for the years ended June 30, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company, Matrix Trust Company, and/or CMFG Life Insurance Company, the custodians of the Plan.

All information included in the attached supplemental Schedule of Assets Held for Investment Purposes at End of Year – June 30, 2025.

NOTE E: PLAN TERMINATION

Although it has not expressed any intention to do so, the Organizations have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts and their accounts will be paid to them as provided by the plan document.

NOTE F: TAX STATUS

The Plan sponsor adopted an ERISA volume submitter 403(b) plan which received a favorable opinion letter from the Internal Revenue Service dated January 1, 2018, which states that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

PUBLIC PREPARATORY NETWORK, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2025 AND 2024

NOTE G: TRANSACTIONS WITH PARTIES-IN-INTEREST

As described in Note B, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. Certain other administrative expenses of the Plan are paid by the Organizations on behalf of the Plan. These transactions are party-in-interest transactions under ERISA. However, these transactions are exempt from the prohibited transactions rules.

NOTE H: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I: LATE REMITTANCES

During 2025, the Organization failed to remit certain employee deferrals totaling \$5,234 to the Plan in a timely manner in accordance with DOL regulations. The Organization remitted these deferrals to the Plan during fiscal 2026, along with a contribution to compensate the participants for lost earnings relating to these prohibited transactions.

During 2024, the Organization failed to remit certain employee deferrals and loan payments totaling \$49,970 to the Plan in a timely manner in accordance with DOL regulations. The Organization remitted these deferrals to the Plan during the plan year, however, the contribution to compensate the participants for lost earnings relating to these prohibited transactions was not remitted until February and May 2025. Further, during 2024, the Organization failed to remit certain employee deferrals and loan repayments totaling \$6,734 to the Plan in a timely manner in accordance with DOL regulations. The Organization remitted these deferrals to the Plan during fiscal 2025, along with a contribution to compensate the participants for lost earnings relating to these prohibited transactions.

During 2022, the Organization failed to remit certain employee deferrals totaling \$1,296 to the Plan in a timely manner in accordance with DOL regulations. The Organization remitted these deferrals to the Plan during fiscal 2025, along with a contribution to compensate the participants for lost earnings relating to these prohibited transactions.

NOTE J: CUSTODIAN CHANGE

On July 1, 2024, the Organization changed its Plan custodians from Matrix Trust Company and CMFG Life Insurance Company to Ascensus Trust Company. Due to the change, the participants were given notice there was a blackout period from June 30, 2024 to August 4, 2024. During that time, participants were unable to initiate investment option changes, distributions, or withdrawals from their accounts. All assets with Matrix Trust Company and CMFG Life Insurance Company then transferred to Ascensus Trust Company. Subsequent to the blackout period, participants were able to initiate changes to their accounts. In connection with the change in trustee, the Plan adopted a new plan document effective July 1, 2024. No significant changes to Plan provisions were made.

JUNE 30, 2025 AND 2024

NOTE K: PLAN MERGER

In connection with its application for charter renewal effective July 1, 2025, PPA received approval from its charter authorizer to change its charter management organization from PPN to Excellence Community Schools, Inc., ("ECS"). As a result, PPN ceased to manage these schools effective as of June 30, 2025. Upon conclusion of its charter management responsibilities, PPN ceased operations. Due to the change in charter management responsibilities, Public Prep Academies adopted the Bronx Charter School for Excellence 403(b) Deferred Compensation Plan ("BCSE plan") as a participating employer effective July 1, 2025 and the Public Preparatory Network, Inc. 403(b) Plan subsequently became a member of the BCSE plan. Participant and employer contributions were remitted to the BCSE Plan effective July 1, 2025.

In March 2026, all Public Preparatory Network, Inc. 403(b) Plan assets were transferred into the BCSE Plan, which uses Empower as its custodian and recordkeeper, and the Public Preparatory Network 403(b) Plan ceased operations upon its merger into the BCSE Plan.

The BCSE Plan includes an automatic enrollment provision. Once eligibility is met, employees will be automatically enrolled in the Plan at an initial deferral percentage of 2% of eligible compensation. Employees have the option to change the deferral percentage at any time or opt out entirely. Vesting in employer matching contributions are subject to a graduated schedule, where participants are 40% vested after two years of service, increasing 20% each year and are fully vested after five years of service. All other plan provisions are similar to the Public Preparatory Network, Inc. 403(b) Plan.
