Report of Independent Auditors

To the Participants and Trustees of
Journeyman & Apprentices of
Local 188 Annuity Fund

Opinion

We have audited the financial statements of Journeyman & Apprentices of Local 188 Annuity Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Journeyman & Apprentices of Local 188 Annuity Fund as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Journeyman & Apprentices of Local 188 Annuity Fund

Notes to Financial Statements

June 30, 2025 and 2024

Note 1. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements of Journeyman & Apprentices of Local 188 Annuity Fund (the Plan) have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Dividend income is recorded on the ex dividend date. Interest income is recorded on the accrual basis.

Employer Contributions Receivable - Employer contributions due at year end are recorded as contributions receivable. Employer contributions determined by payroll compliance audits are recorded upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Employer Contribution Income - Employer contributions are recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rates set forth in the applicable collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 2 in the plumbing, pipefitting and HVAC industry within a jurisdiction covering Bryan, Bulloch, Candler, Chatham, Effingham, Emanuel, Evans, Liberty, Long, Montgomery, Screven, Tattnall, Toombs, Treutlen and Wheeler counties in southern and coastal Georgia.

Note 1. Summary of Significant Accounting Policies (continued)

Reciprocal Contributions - The Plan is signatory to reciprocity agreements with various other multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union. When a participant works in the territory of a reciprocating local union, the other plan is required to make contributions to the participant's home local benefit plans on the participant's behalf. The Plan's contribution revenue includes monies received pursuant to reciprocity agreements. The Plan uses the same recognition and measurement criteria for such revenue as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Employer contributions included reciprocal contributions of \$877,523 and \$547,884 for the years ended June 30, 2025 and 2024, respectively, from various other retirement plans under the terms of reciprocity agreements. The Plan remitted a total of \$42,302 and \$28,182 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended June 30, 2025 and 2024, respectively. Reciprocal contributions payable at June 30, 2025 and 2024 totaled \$0 and \$878 respectively.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. No benefits were due and not paid as of June 30, 2025 and 2024.

Expenses - Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through April 14, 2026, which is the date the financial statements were available to be issued.

Note 2. Description of the Plan

The Plan is a multiemployer defined contribution retirement plan covering substantially all eligible individuals employed under the terms of a collective bargaining agreement between Local Union No. 188 of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada and the South Georgia Mechanical and Erectors Association or employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was established to provide retirement benefits for eligible participants. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Contributions to the Plan are invested as directed by Plan participants in various investment options. In the absence of participant direction, contributions are deposited in a default target date investment fund. Participants can change their investment options as permitted under Plan provisions. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investments selected by the participants may cause their balances to be lower than the amounts contributed to the Plan on their behalf.

Participants' accounts are credited with employer contributions made on their behalf, as well as allocations of Plan earnings or losses, net of an administrative fees. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which participants are entitled is the benefit that can be provided from their account.

The Plan allows individuals to roll over contributions from other qualified retirement plans.

Under current provisions of the Plan, each participant's account is immediately vested in all employer contributions paid on the participant's behalf. Upon death, disability, retirement or separation from service for more than one year, participants are entitled to receive their account balance subject to the payment provisions of the Plan.

Participants should refer to the summary plan description for more complete information.

Note 3. Funding Policy

The Plan is primarily funded by employer contributions. Participant contributions are not permitted under the Plan. Participating employers contribute such amounts as specified in the collective bargaining agreements. The hourly employer contribution rate was \$2.90 for the year ended June 30, 2024. For the year ended June 30, 2025, the hourly employer contribution rate increased from \$2.90 to \$3.00 effective in August 2024.

Note 4. Priorities upon Termination

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries and participants, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

Note 5. Tax Status

The Plan obtained its latest determination letter dated February 20, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken and uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

Note 6. Fair Value Measurements (continued)

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of June 30, 2025 and 2024. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		Fair Value Measurements at 6/30/25 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total			
Registered investment companies	\$ 560,987	<u>\$ 560,987</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value:				
Common collective trusts	16,548,962			
Total	<u>\$ 17,109,949</u>			

Note 6. Fair Value Measurements (continued)

		Fair Value Measurements at 6/30/24 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
		Total		
Registered investment companies	\$ 292,837	<u>\$ 292,837</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value:				
Common collective trusts	13,593,481			
Total	<u>\$ 13,886,318</u>			

Level 1 Measurements

Registered investment companies represent shares held in mutual funds. The fair values of the funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The Plan's investments in common collective trusts are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair values of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trusts are direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are generally allowed daily without notice.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Related Organizations

The Plan is related to a health and welfare plan, a pension plan, a training fund and a local union, all of which are tax-exempt.

The Plan shares the cost of fringe benefit coordinator fees with the health and welfare plan and pension plan, which are initially paid by the local union. Reimbursements are made monthly, based on estimates of time spent and costs incurred. Shared fringe benefit coordinator fees totaled \$18,473 the year ended June 30, 2025. No such fees were incurred for the year ended June 30, 2024.

Note 9. Party-in-Interest Transactions

The Plan incurs expenses under several arrangements with service providers and affiliated entities, and receives contributions from employers under the terms of collective bargaining agreements.

John Hancock Trust Company LLC (John Hancock) and its affiliates are responsible for participant recordkeeping and distributions to Plan participants at the direction of the Board of Trustees. John Hancock is the trustee of the Plan's investment assets and also manages one investment option for the Plan.

John Hancock provides certain administrative services to the Plan pursuant to a service agreement. Administrative services are primarily paid through the quarterly administrative fee charged to participants.

These transactions are considered exempt party-in-interest transactions under ERISA.

Report of Independent Auditors on Supplemental Schedules

To the Participants and Trustees of
Journeyman & Apprentices of
Local 188 Annuity Fund

We have audited the financial statements of Journeyman & Apprentices of Local 188 Annuity (the Plan) as of and for the years ended June 30, 2025 and 2024, and our report thereon dated April 14, 2026, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
