**Part III Welfare Benefit Contract Information**

If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

## INDEPENDENT AUDITORS' REPORT

To the Trustees of the  
Just Kids 401(k) Plan  
Middle Island, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the Just Kids 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audits of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### ***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedules, including the Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of June 30, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2025**

---

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of the Just Kids 401(k) Plan (the “Plan”) is presented to assist in understanding the Plan’s financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Cam-Held Enterprises, Inc.’s (the “Employer” or “Plan Sponsor”) management, who is responsible for the integrity and objectivity of the financial statements. Cam-Held Enterprises, Inc. and Just Kids Diagnostic and Treatment Center, Inc. are related entities under common ownership. The Plan covers eligible employees of both entities. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements and supplemental schedules.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a further discussion of fair value measurements. The Plan’s fully benefit-responsive investment account was reported at contract value (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the Plan year. During the year ended June 30, 2025, the Plan’s net investment gains (including gains and losses on investments bought and sold, as well as held during the year) were \$1,454,900.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid to the Plan’s participants.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2025**

---

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Events Occurring After the Report Date: The Plan Sponsor has evaluated events and transactions that occurred between July 1, 2025, and April 14, 2026, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Any such disclosures have been reflected within the financial statements.

**NOTE 2 - DESCRIPTION OF THE PLAN**

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document, which is available from the Plan administrator, for a more complete description of the Plan's provisions.

General: The Plan, established January 1, 1989, is a participant-directed defined contribution plan covering all eligible employees of the Plan Sponsor who have completed at least six months of service and are age 21 or older. Effective July 1, 2022, the Plan was amended to allow union employees to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Retirement, LLC ("Empower Retirement") served as the Plan record-keeper through June 30, 2024. Empower Retirement uses Empower Trust Company, LLC, formerly known as Great West Trust Company, LLC as well as Empower Life & Annuity Insurance Company of New York (the "prior Custodian"), for its trustee and custodial services. The Plan Sponsor elected to change the Plan's record-keeper and custodian with a planned effective date of July 1, 2024. On June 28, 2024, the Plan's investments, excluding the guaranteed investment account, were liquidated and transferred to the new custodian (refer to Note 5 for transfer of guaranteed investment account). Service contracts for the new record-keeper and custodian did not begin until July 1, 2024. As of July 1, 2024, Vanguard Retirement Plan serves as the Plan record-keeper and Ascensus Trust Company serves as the Plan custodian (the "current Custodian"). The Plan Sponsor uses United Benefit Pensions, Inc. as its third-party administrator.

Contributions: Contributions are subject to certain limitations. Employees may elect to defer a maximum amount not to exceed Internal Revenue Service ("IRS") limits for the Plan year ended June 30, 2025. In addition, if the participant reaches age 50 in calendar year 2025, the participant is eligible to make catch-up contributions into the Plan. Effective January 1, 2025, the Plan allows for higher catch-up limits for participants ages 60 to 63. Each year, participants may contribute to the Plan a percentage of eligible compensation, as defined in the Plan document, or in specific dollar amounts. Eligible compensation for the Plan is defined by the Plan document as W-2 wages, excluding compensation in addition to base pay, plus elective deferrals. Participants may also contribute amounts distributed from other qualified plans.

The Plan also allows participants to designate a portion of their contributions to be treated as "Roth" contributions. A contribution treated as a Roth contribution is subject to current federal income tax at the time it is contributed to the Plan.

**NOTE 2 - DESCRIPTION OF THE PLAN (continued)**

However, if certain requirements are satisfied prior to the distribution of such amounts from the Plan, distributions of amounts attributable to Roth contributions (including earnings thereon) will not be subject to federal income tax at the time of distribution.

Effective July 1, 2021, the Plan was amended to include an automatic enrollment feature known as an eligible automatic contribution arrangement. Unless participants elect otherwise, participants will be automatically enrolled to defer 3% of eligible compensation. There is no automatic escalation feature. Contributions will be invested in a qualified default investment alternative until changed by each participant. Although the Plan was amended effective July 1, 2022 to allow union employees to participate, union employees were excluded from the eligible automatic contribution arrangement.

The Plan also provides for non-elective employer contributions. Participants are eligible to receive employer contributions upon working 950 hours during the Plan year and if they are employed on the specified Allocation Date. The Allocation Date was originally defined as the last day of the Plan year. The Plan was amended effective May 2025 to define the Allocation Date as the last day of the school year. Non-elective employer contributions are calculated by employee classification. Contributions are subject to certain IRS limitations.

Participant Accounts: Each participant's account is credited with each participant's contribution, any employer contributions, earnings and an allocation of administrative expenses. As a participant-directed plan, each participant's investment choices determine his/her share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Plan Sponsor contributions are vested in accordance with the following schedule:

| <u>Years of<br/>Credited Service</u> | <u>Percentage of<br/>Vested Interest</u> |
|--------------------------------------|------------------------------------------|
| 1                                    | 33.33%                                   |
| 2                                    | 66.67%                                   |
| 3                                    | 100%                                     |

Forfeitures: Forfeitures are applied against any employer contributions made during the Plan year or used to pay Plan expenses. The forfeiture balance at June 30, 2025 and 2024 totaled \$16,619 and \$56,599, respectively. For the 2025 Plan year, forfeitures of \$55,000 were used for employer contributions.

**NOTE 2 - DESCRIPTION OF THE PLAN (continued)**

Investment Options: Upon enrollment in the Plan, participants may direct the current Custodian to invest contributions in various investment options managed by the current Custodian, its affiliates, and other large investment management companies. Participants may change their investment options, transfer part or all of past investments to other funds, and change their deferral rates at any time.

Notes Receivable From Participants: Participants may borrow from their vested fund account balances, a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or one-half of the value of their vested fund account balances. The maximum payment term allowed for any loan is five years unless the loan qualifies as a residential mortgage loan, in which case the term may not exceed fifteen years. The loans are secured by the balance in each participant's account and bear interest at prevailing market rates at the time the loan is taken. Outstanding loans at June 30, 2025 bear interest ranging from 4.25% to 9.50% per year. Principal and interest is paid ratably through payroll deductions.

Deemed Distributions: When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) which could result in taxable income to the participant. During the year ended June 30, 2025, there were no deemed distributions.

In-Service Withdrawals: In-service or hardship withdrawals are permitted by the Plan for active employees when they reach the age of 59 ½ or in the event of financial hardship.

Payment of Benefits: On termination of service due to death, disability, or retirement as defined in the Plan, participants are generally entitled to payments of their full account balances in the form of lump-sum payments. On termination of service due to other reasons, the balance of a participant's vested account becomes distributable to him/her upon election. If a participant terminates with a vested account balance that does not exceed \$7,000 and did not consent to a distribution, the participant's account will be distributed into a rollover IRA to be established by the record-keeper on the participant's behalf.

Required minimum distributions as mandated by IRS regulations will commence when a participant attains age 72. Due to changes made by the Setting Every Community Up for Retirement Enhancement ("SECURE 2.0 Act of 2022"), effective January 1, 2023, the required minimum distributions age increased to age 73.

Administrative Expenses: The Plan pays for all investment-related expenses, while the Plan Sponsor pays for all other costs of maintaining and administering the Plan.

**NOTE 2 - DESCRIPTION OF THE PLAN (continued)**

Plan Amendments: The Plan Sponsor has a right under the Plan to amend the Plan at any time. The Plan Sponsor has until December 31, 2026 to amend the Plan document to include mandatory and voluntary SECURE Act and SECURE 2.0 Act provisions.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed pursuant to the Plan document.

**NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN**

Investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable held at June 30, 2025 and 2024, and the ERISA-required supplemental schedule, net appreciation in fair value of investments, interest and dividends, and notes receivable from participants for the year ended June 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the prior and current Custodians.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2025**

---

**NOTE 4 - FAIR VALUE MEASUREMENTS (continued)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used during the year ended June 30, 2025.

Mutual Funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV is based upon quoted market prices.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As described in Note 2, the Plan's investments, excluding the guaranteed investment account, were liquidated as of June 28, 2024 and held as cash and cash equivalents by Ascensus Trust Company until its service contract began on July 1, 2024. The assets were reinvested in accordance with the investment elections of the participants during July 2024.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025:

|                                       | <b>Level 1</b>       | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>         |
|---------------------------------------|----------------------|----------------|----------------|----------------------|
| Mutual funds.....                     | <u>\$ 13,947,284</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 13,947,284</u> |
| Total investments at fair value ..... | <u>\$ 13,947,284</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 13,947,284</u> |

**NOTE 5 - GUARANTEED INTEREST ACCOUNT**

The Plan held a fully benefit-responsive guaranteed interest account ("GIA") with the previous Custodian, Empower Retirement. Empower Retirement maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIA issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2025**

---

**NOTE 5 - GUARANTEED INTEREST ACCOUNT (continued)**

Because the GIA was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIA. Contract value, as reported to the Plan by Empower Retirement, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The GIA was invested in various variable annuities. There were no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract approximated fair value as of June 30, 2024. The crediting interest rate was based on a formula agreed upon with the issuer. Such interest rates were reviewed periodically for resetting by Empower Retirement. The credited interest rate was 1.85% for the year ended June 30, 2025.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events may not be limited to a participant termination of employment due to: (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan Sponsor's business. Such events also included: (1) removal from the plan of one or more groups or classifications of participants; (2) partial or complete plan termination; or (3) plan disqualification. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants occurred.

As described in Note 2, the Plan's GIA contract was not terminated as planned by July 1, 2024, and therefore, the asset balance was not liquidated and transferred to the current Custodian by July 1, 2024. Participants were able to transfer their balance to the current Custodian during the year ended June 30, 2025. The GIA account balance of \$225,593 was liquidated on June 27, 2025 and held as cash and cash equivalents by the current Custodian until assets could be reinvested in accordance with investment elections of the participants during July 2025.

**NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2025**

---

**NOTE 7 - TAX STATUS**

The Plan Sponsor elected to adopt the third-party administrator's non-standardized pre-approved profit sharing plan, which received a favorable opinion letter from the IRS dated June 30, 2020, which states that the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior 2022.

**NOTE 8 - TRANSACTIONS WITH PARTY-IN-INTEREST**

At June 30, 2025 and 2024, certain Plan investments were managed by the current and prior Custodians, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in administrative expenses. Participant loans also qualify as party-in-interest transactions.
