REPORT OF INDEPENDENT AUDITORS

Board of Directors
Hillcroft Services, Inc.
Retirement Plan
Muncie, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hillcroft Services, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and the supplemental schedule of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Board of Directors
Hillcroft Services, Inc.
Retirement Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HILLCROFT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

1. DESCRIPTION OF THE PLAN

The following description of the Hillcroft Services, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

On July 1, 1993, Hillcroft Services, Inc. (the Organization) adopted a Section 403(b) defined contribution plan. The Plan allows all eligible employees of the Organization to immediately enroll in the Plan on their date of hire in accordance with the universal availability standards. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Funding Policy

The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified retirement or 403(b) plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants must be 21 years of age and employed with the Organization for one year to be eligible for the employer match contribution. For the years 2025 and 2024, the Plan provided for safe harbor matching contributions equal to 100% of the first 3% of elective deferrals that a participant contributed to the Plan and 50% of each participant's elective deferrals in excess of 3% but not in excess of 5% of the participant's compensation. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the IRS.

Effective July 1, 2017, the Plan was amended to allow a discretionary additional matching contribution by the employer. No additional matching contributions outside of the basic match as noted above, were made in 2025 and 2024.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing their contribution into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contributions, the employer contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HILLCROFT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

Vesting and Forfeitures

Participants are immediately vested in their voluntary contributions, rollovers, and corresponding earnings. As of July 1, 2017, participants are also immediately vested in the safe harbor matching contribution.

For employer matches and corresponding earnings before the July 1, 2017 safe harbor amendment and for any employer additional matching contributions and corresponding earnings, the following vesting schedule applies:

Completed Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	100%

After termination of employment, the non-vested portion of the participant's account is called a forfeiture and remains in the Plan to reduce plan sponsor contributions and expenses. During 2025, no Plan assets were forfeited by participants and forfeitures were not used to offset plan sponsor contributions. At June 30, 2025 and 2024, forfeited non-vested accounts totaled \$-0-.

Due to Hillcroft Services, Inc. 457(b) Plan (457(b) Plan)

The amount due to 457(b) Plan represents a participant balance inadvertently transferred into the Plan during 2025 as part of a change in recordkeepers and custodians. The balance as of June 30, 2025 was approximately \$23,300. The balance has not been remitted to the 457(b) Plan as of June 30, 2025.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum or installment payment in the amount equal to the value of the participant's vested interest in his or her account. The Plan may make involuntary distributions of account balances of terminated vested participants of \$1,000 or less. If the participant's account balance is between \$1,000 and \$5,000, the plan administrator may elect to automatically roll over the account into an individual retirement account. In addition, participants may receive distributions of the employee deferral and discretionary additional matching contribution amounts for qualified financial hardships. At June 30, 2025 and 2024, there were no plan assets allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan, but have not yet been paid.

Expenses of the Plan

The Plan sponsor provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan sponsor and generally include audit and legal fees. The expenses paid by the Plan sponsor are excluded from these financial statements. Administrative expenses incurred by the Plan generally include certain administrative fees charged directly to the participants' accounts.

HILLCROFT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

Plan Termination

Although it has not expressed an intent to do so, the plan sponsor has the right under the Plan to discontinue its contributions and to terminate the Plan, subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for a fully benefit-responsive investment contract. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for a fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

As of June 30, 2024, the Plan held a group annuity contract that had a fixed interest annuity portion and a variable interest annuity portion. The fixed interest annuity earned a guaranteed rate of return established by American United Life Insurance Company and was backed by the American United Life Insurance Company's general account fund. The variable interest annuity was divided into investment accounts that invested in shares of specific funds or fund portfolios through pooled separate accounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

HILLCROFT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is April 14, 2026.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of June 30, 2025, the schedule of assets at June 30, 2025, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended June 30, 2025. Additionally, American United Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of June 30, 2024 and the investment activity reflected in the statement of changes in net assets available for benefits for the period July 1, 2024 through July 31, 2024.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

HILLCROFT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

- *Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Pooled separate accounts* - Investments in pooled separate accounts are valued based upon the NAV of the funds multiplied by the units held by the Plan at year-end. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The underlying investments of the pooled separate accounts consist solely of mutual funds and the investment strategy of the respective pooled separate accounts aligns directly with the investment strategy of the underlying mutual fund investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025. There were no assets within the fair value hierarchy as of June 30, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Total	Level 1	Level 2	Level 3
Assets				
Investments at fair value				
Mutual funds	\$ 2,903,827	\$ 2,903,827	\$ -0-	\$ -0-

The Plan's policy is to recognize transfers between levels as of the end of the reporting period. There were no significant transfers between levels during 2025 and 2024.

In accordance with Subtopic 820-10, the pooled separate account investments as of June 30, 2024 that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2024. There were no investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2025. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 2,191,720	Not applicable	Daily	None

HILLCROFT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan held an investment contract that is a traditional investment contract through July 2024. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on a quarterly basis for resetting. The contracts cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

HILLCROFT SERVICES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

6. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan sponsor and certain others. Transactions with parties-in-interest included administrative fees paid to the Plan's recordkeeper, Mutual of America Sec. Corp. LLC (Mutual of America), fees paid to the Plan's fiduciary, Wilshire Associates Inc., and auditing fees paid to Blue & Co., LLC. Fees paid to the Plan's recordkeeper were approximately \$20,500 in 2025. Certain expenses of the Plan are paid by the plan sponsor. The Plan held party-in-interest investments with Mutual of America as of June 30, 2025 and with American United Life Insurance Company as of June 30, 2024.

The plan sponsor provides certain administrative services at no cost to the Plan including accounting fees. These expenses qualify as party-in-interest transactions.

7. INCOME TAX STATUS

The Plan has adopted a volume submitter plan document sponsored by Mutual of America Financial Group, which has received an opinion letter from the Internal Revenue Service dated March 2, 2020, stating that the form of the volume submitter plan document, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the volume submitter plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
