Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **CROWE LLP**

(2) EIN: **35-0921680**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)		☒	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	☒		
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☒ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year **0**.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

INDEPENDENT AUDITOR'S REPORT

To the Retirement Committee of
Maverick Services, LLC 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Maverick Services, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period from January 1, 2025 to June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2025 and December 31, 2024, and for the period from January 1, 2025 to June 30, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MAVERICK SERVICES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and December 31, 2024

NOTE 1 – DESCRIPTION OF PLAN

The Maverick Services, LLC 401(k) Plan (the “Plan”) was a participant-directed defined contribution plan adopted by Maverick Natural Resources, LLC (the “Company” or “Maverick”), originally effective October 1, 1995 by Breitburn Energy Partners, L.P., and amended and restated effective January 1, 2019 to change the plan sponsor from Breitburn Energy Partners, L.P. to Maverick Natural Resources, LLC. The Plan was amended and restated effective January 1, 2022 and subsequently amended effective May 1, 2024. The Plan was established to provide employees with the opportunity to save for retirement on a tax-advantaged basis and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The summary of significant provisions of the Plan presented below provides general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Administration: The Plan was sponsored and administered by the Company. Empower Trust Company and Empower Annuity Insurance Company handled the day-to-day recordkeeping, accounting, and administrative functions of the Plan.

Plan Transfer / Merger into DGOC Employee Savings Plan: Effective June 30, 2025, the Plan was merged into the DGOC Employee Savings Plan (the “DGOC Plan”) in connection with Diversified Gas & Oil Corporation’s acquisition of the Company. As a result of the merger, participant account balances and substantially all Plan assets were transferred to the DGOC Plan. Accordingly, net assets available for benefits were \$-0- at June 30, 2025. The accompanying statement of changes in net assets available for benefits includes a plan transfer of \$46,626,005, which represents the net assets conveyed to the DGOC Plan on June 30, 2025. The merger was effected through the transfer of Plan investments and related participant account balances to the DGOC Plan’s trustee.

Eligibility: All employees except part-time, temporary, or seasonal employees (employees whose regularly scheduled service is less than 1,000 hours of service per computation period) were eligible to participate in the Plan at the date of hire. However, if a part-time employee completes 1,000 hours of service during an eligibility computation period, the employee will enter the Plan on the next regular entry date.

Contributions: Participants could elect to defer a percentage of their eligible compensation into the Plan on a pre-tax or Roth basis. Total deferrals in any taxable year could not exceed a dollar limit which is set by law. Participants who are projected to be age 50 or older by the end of a taxable year may defer additional amounts as catch-up contributions. Participants can increase, decrease, suspend, or resume their deferral contributions at any time. The Company may make a discretionary matching contribution equal to the lesser of 6% of a participant’s gross eligible earnings or 100% of the participant’s elective deferral, on a per pay period basis. During 2025, the Company made discretionary matching contributions of \$2,140,979.

Participants could also roll over a part or all of any eligible rollover distribution they receive from another eligible retirement plan into the Plan as rollover contributions.

Participant Accounts: Each participant’s account was credited with the participant’s contributions and an allocation of (a) the Company contributions, (b) Plan earnings and losses, and (c) forfeitures of employer contributions, and was charged with his or her withdrawals and an allocation of administrative expenses. Allocations were based on participant contributions, eligible compensation, participant account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment in his or her account to any of the investment options available under the Plan.

Vesting: Participants were always 100% vested in their contributions and actual Plan earnings thereon. Vesting in the employer contribution portion of their accounts was based on periods of service. Participants became 100% vested after one year of service.

MAVERICK SERVICES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and December 31, 2024

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Retirement, Death, and Disability: A participant was entitled to 100% of his or her account balance upon retirement, death, or disability.

Notes Receivable from Participants: Each participant may obtain loans against his or her vested account balance, subject to certain restrictions and limitations. Any loans made to a participant are secured by the participant's vested interest in his or her investment fund subaccounts. No loan may exceed the lesser of 50% of the participant's vested account balance or \$50,000. The minimum loan amount is \$1,000. A participant can have one conventional loan and one residential loan outstanding at a time. The minimum term for repayment of any loan is six months and the maximum term is five years for a conventional loan and 30 years for a residential loan. Loans bear a fixed rate of interest equal to the prime lending rate published in The Wall Street Journal on the last business day of the month preceding the date the loan is made plus 1%. Upon termination of employment, including death, any outstanding loan balance becomes due and payable, and the participant may elect to repay it or treat it as a partial distribution.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers various mutual funds, collective trust fund, pooled separate accounts, and a guaranteed income fund as investment elections for participants. Additional diversification can be obtained through the self-directed brokerage account, which offers funds in mutual funds and common stock. Participants may make changes to their investment direction as allowed under the Plan, including transferring any contributions from one investment option to another at any time.

Payment of Benefits: Upon termination of service, a participant's vested account balance will be distributed in a single lump-sum payment in cash, given that the participant's account balance does not exceed \$5,000. However, the participant may elect whether to receive the distribution or to rollover the distribution to another retirement plan such as an individual retirement account (IRA). If the amount of the distribution is more than \$1,000 (including any rollover contribution) and the participant does not elect either to receive or to rollover the distribution, the Plan automatically will rollover the distribution to an IRA. The IRA provider will invest the rollover funds in a type of investment designed to preserve principal and to provide a reasonable rate of return and liquidity (e.g., an interest-bearing account, a certificate of deposit or a money market fund). If less than \$1,000 remains in their vested account, the participant will receive the value of his or her account balance. Any unvested amounts are forfeited upon termination of service. Participants may receive a distribution from the Plan from certain accounts prior to their termination of employment provided they have attained the age 59½. A hardship distribution may also be made to satisfy certain immediate and heavy financial needs that a participant has.

Plan Termination: The Company reserved the right to terminate the Plan at any time. Upon termination, no further contributions would be made to the Plan and all amounts credited to participants' accounts would become 100% vested. The Plan was merged into the DGOC Plan effective June 30, 2025.

Forfeited Accounts: Forfeitures were used to pay any administrative expenses and reduce any Company-matching contributions. As of June 30, 2025 and December 31, 2024, forfeitures of \$-0- and \$167,381, respectively, were available for future use.

Administrative Expenses: Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value investments.

Subsequent Events: The Plan has evaluated subsequent events through April 15, 2026, the date the financial statements were available to be issued.

(Continued)

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments other than the fully benefit-responsive investment contract are reported at fair value as further described in Note 3 and 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal of the most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contract, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, with no allowances for credit losses, as repayments of principal and interest are received through payroll deductions and notes are collateralized by the participants' account balance. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan held various investments. Investments are exposed to various risks such as interest rate, market, liquidity, credit, and global event risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The Plan uses the market approach for valuing all investments, based on observable inputs including quoted prices, net asset values (NAVs), and recent transaction prices provided by fund managers. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

- *Level 1* – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- *Level 2* – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

(Continued)

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

- *Level/ 3* – Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments. There have been no changes in the methodologies used at June 30, 2025 and December 31, 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: The fair values of participating units held in a collective trust fund are based on the net asset values per unit as reported by the fund managers. The collective trust provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Pooled Separate Accounts: The fair values of participation units held in pooled separate accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. Each pooled separate account provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the fund's net asset value per unit.

Self-Directed Brokerage Account: The self-directed brokerage accounts are controlled by individuals who may elect any stock or mutual fund within the terms of the arrangement with PRI. These accounts held by the participants in individual brokerage accounts generally hold securities with publicly quoted prices and traded in active markets and are classified within level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future net values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

MAVERICK SERVICES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2025 and December 31, 2024

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

As of June 30, 2025, the Plan held no investments measured at fair value and no investments measured at net asset value (NAV) as a practical expedient; accordingly, no fair value hierarchy table is presented for that date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	December 31, 2024			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 38,827,453	\$ -	\$ -	\$ 38,827,453
Self-directed brokerage account	<u>21,093</u>	<u>-</u>	<u>-</u>	<u>21,093</u>
Investments in fair value hierarchy	<u>\$ 38,848,546</u>	<u>\$ -</u>	<u>\$ -</u>	38,848,546
Collective trust fund measured at net asset value*				4,980,076
Pooled separate accounts measured at net asset value*				<u>5,291,157</u>
Total investments at fair value				<u>\$ 49,119,779</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

Investments measured at NAV as a practical expedient: As of December 31, 2024, the Plan's investments measured at NAV as a practical expedient consisted of a collective trust fund and pooled separate accounts. These investments permit daily redemptions at NAV with no advance notice requirement. There were no redemption restrictions and no unfunded commitments related to these investments at December 31, 2024.

As of December 31, 2024, the Plan held only Level 1 investments and investments measured at NAV. There were no investments measured using Level 2 or Level 3 inputs.

NOTE 4 – GUARANTEED INCOME FUND

The Plan held a fully benefit-responsive investment contract with Empower Annuity Insurance Company (EAIC), which was determined to be a fully benefit responsive investment contract and, therefore, is recorded at contract value. The contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. EAIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. EAIC guarantees a minimum rate of interest and will credit interest that exceeds the guaranteed minimum rates. The crediting rate is subject to minimum contractual guarantees. The crediting rate is reviewed for resetting.

(Continued)

NOTE 4 – GUARANTEED INCOME FUND (Continued)

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts, because that is the amount received by participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by EAIC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants can ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to review amounts is dependent on EAIC's ability to meet its financial obligations. EAIC's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at June 30, 2025 and 2024 was \$-0- and \$8,601,555, respectively.

There are certain events that may limit the ability of the Plan to transact at contract value with EAIC. Such events include the amendments to the plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, and the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Certain events allow EAIC to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, or a material amendment to the agreement without the consent of EAIC.

NOTE 5 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2025 and December 31, 2024, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period January 1, 2025 to June 30, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company and Empower Trust Company.

NOTE 6 – PARTY IN INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan held an investment managed by Empower Annuity Insurance Company. Notes receivable from participants also reflect party-in-interest transactions. Certain professional fees for the administration and audit of the Plan were paid by the Company. Various administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. During 2025, the Plan paid administrative fees to various service providers including an investment advisor and the Plan's recordkeeper. These reflect party-in-interest transactions.

(Continued)

NOTE 7 – TAX STATUS

The Company adopted a volume submitter profit sharing plan with CODA sponsored by Empower Retirement LLC and received a favorable opinion letter from the Internal Revenue Service (IRS) dated September 16, 2022, which stated that the volume submitter plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC).

Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan is subject to nondiscrimination and compliance testing under the Internal Revenue Code. As of the date the financial statements were available to be issued, the Plan's compliance testing for the plan year ended June 30, 2025 had not been completed. Plan management expects the Plan to satisfy the applicable nondiscrimination and compliance requirements and, accordingly, no liability has been recorded in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.
