INDEPENDENT AUDITOR'S REPORT

To the Trustees
Clean Harbors Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Clean Harbors Savings and Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Clean Harbors Savings and Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Clean Harbors Savings and Retirement Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Clean Harbors Savings and Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Clean Harbors Savings and Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Clean Harbors Savings and Retirement Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLEAN HARBORS SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of Clean Harbors Savings and Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a contributory defined-contribution plan established April 6, 1985, for the purpose of providing an opportunity for retirement income and increased savings to the employees of Clean Harbors Environmental Services, Inc. (the "Company") who meet minimum length of service requirements. Plan assets acquired under this Plan as a result of employee contributions, Company discretionary matching and non-elective contributions, investment income, and other additions to the Plan will be administered for the exclusive benefit of the participants and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company acquired HEPACO, LLC in March 2024. The HEPACO, LLC 401(k) Plan was merged into the Plan effective August 19, 2024. In conjunction with the merger of this Plan, \$18,363,071 of assets, including \$912,883 of notes receivable from participant, were transferred into the Plan.

Contributions: Participants may elect to contribute an amount up to a certain percentage of annual compensation as defined in the Plan. The Plan allows some or all of the participants' contributions to be designated as after-tax, Roth deferral contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Unless directed otherwise by the participant, upon becoming eligible to participate in the Plan, 4% of a participant's eligible compensation will be contributed to the Plan.

In any Plan year, the Company may contribute to each eligible participant's account a discretionary matching contribution. During 2024, the Company matched 50% of employee deferrals up to 6% of an employee's eligible compensation with a cap of \$3,200.

Additionally, the Company may make a discretionary non-elective employer contribution ("Company nonelective contribution") in an amount determined by the Board of Directors. To be eligible for an allocation of the Company non-elective contribution for a Plan year, a participant must have worked 1,000 hours during the year and must be an active employee of the Company on the last day of the Plan year unless their termination of employment is due to an authorized leave of absence, disability, death or retirement on or after age 65. There was no Company non-elective contribution for the year ended December 31, 2024.

Participant Accounts: Each participant's account is credited with the participant's contribution, allocations of Company discretionary matching and non-elective contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CLEAN HARBORS SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Vesting: Participants are immediately 100% vested in their voluntary contributions and rollover contributions, plus the investment earnings thereon. Company discretionary matching and discretionary non-elective employer contributions and related earnings are subject to a vesting schedule based on the number of years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year but less than 2	33%
2 years but less than 3	67%
3 years or more	100%

Participants' interest in their accounts shall become 100% vested and non-forfeitable without regard to their credited years of service if they are employed by the Company on or after age 65, incur a permanent and total disability, or die while employed by the Company. If a participant who is not fully vested terminates employment with the Company, the participant shall be entitled to the vested portion of their accounts.

Forfeited Accounts: At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,115,617 and \$1,306,014, respectively. These accounts may be used to reduce future Company contributions, and to pay administrative expenses of the Plan. During the year ended December 31, 2024, \$2,339,807 of forfeited non-vested accounts were used to reduce employer contributions.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options as determined by the rules applicable to each investment.

Payment of Benefits: Benefits can be paid upon attainment of age 59½, severance from employment (including retirement and disability), death, or proven hardship. Participants will receive the value of their vested benefits in a single lump-sum payment. In any event, payment of benefits must commence when the participant reaches age 70½ or, if later, following the year they terminate employment. However, a 5% owner of the Company will be required to begin receiving minimum distributions from their account by the April 1 following attainment of age 70½ regardless of whether they have terminated employment at that time. The Plan Agreement contains a more complete description of these provisions and should be referred to by participants.

Notes Receivable from Participants: Participants may borrow a minimum of \$1,000 and a maximum of the lesser of 50% of their vested account balance or \$50,000. Interest rates on outstanding loans, determined quarterly, is set at 1% above the prime rate, as defined (3.25% - 9.50% at December 31, 2024). Loans must be repaid within five years, unless the loan is taken for the purchase of a primary residence, which may be repaid over a period in excess of five years. Principal and interest is typically repaid by participants through payroll deductions. If participants are terminating or retiring, they will have the choice of making arrangements to continue repayment after termination or having the loan offset from their account. The offset loan amount will be considered a taxable distribution.

CLEAN HARBORS SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

If a participant defaults on any outstanding loan, the unpaid balance, and any interest thereon, shall become due and payable in accordance with the terms of the underlying promissory note. If a participant terminates employment while any loan balance is outstanding, unless the participant makes arrangements to continue repayment after termination, the unpaid balance, and any interest due thereon, shall become due and payable in accordance with the terms of the underlying promissory note. If such amount is not paid to the Plan, it shall be charged against the amounts that are otherwise payable to the participant or the participant's beneficiary under the provisions of the Plan.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting. The financial statements and supplemental schedules have been prepared to satisfy the reporting and disclosure requirements of ERISA.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits: Benefits paid to participants are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, trustees, and other parties involved with the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses of the Plan: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

CLEAN HARBORS SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Uncertain Tax Positions: GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 3: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *"Fair Value Measurement and Disclosures"*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CLEAN HARBORS SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3: FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at the unit value based on the net asset value ("NAV") of the underlying mutual fund at year end. The NAV, as provided by the fund manager, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined that the fund will sell the investment for an amount different from the reported NAV.

Investment contract, non-benefit responsive: The Plan has a contract with Empower Annuity Insurance Company of America. Under the contract, which is considered non-benefit responsive, deposits of contributions received are invested in the contract. The contract is included in the financial statement at fair value using a discounted cash flow valuation methodology where the interest rate for the portfolio investment contract is reset at least as frequently as annually. Fair value of the investment contract, prior to contract termination, equals the contract value.

Common/collective trusts: The common/collective trusts invest primarily in mutual funds, domestic and international stocks, fixed income securities and guaranteed investment contracts, and these investments are valued at the NAV of units of the common/collective trust.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3: FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2024		
	Level 1	Level 2	Total
Investments measured at fair value:			
Mutual funds	\$ 294,473,742	\$ -	\$ 294,473,742

Investments measured at NAV (a)			<u>723,915,313</u>
Total investments, measured at fair value			<u>\$ 1,048,132,107</u>

(a) In accordance with Subtopic 820-10, the pooled separate accounts that was measured at NAV per share (or its equivalent) has not been classified in the fair value hierarchy. The fair value amounts in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investments in Entities that Use NAV: The following tables summarize investments measured at fair value based on the NAV per share as of December 31:

2024				
<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trusts	\$ 740,227,877	None	Daily	None

Common/collective trusts	\$ 627,883,927	None	Daily	None
Pooled separate accounts	\$ 96,031,386	None	Daily	None

NOTE 4: TAX STATUS OF THE PLAN

On June 30, 2020, the Internal Revenue Service stated the prototype adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the determination letter, however, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amount reported in the statements of net assets available for benefits.

CLEAN HARBORS SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6: RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan engages in investment transactions with funds managed by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the Trustees, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan pays various administrative expenses to service providers, which also qualify as party-in-interest transactions. Administrative expenses paid to parties-in-interest amounted to \$1,756,877 for the year ended December 31, 2024.

NOTE 7: PLAN REIMBURSEMENT ACCOUNT

As part of the recordkeeping and administrative service fee arrangement with Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the Trustees agreed to reimburse to the Plan investment fund related revenue received by the Trustees that are in excess of the agreed upon service fee structure. The reimbursement amounts, if any, are paid to the Plan in a Plan reimbursement account. The Plan reimbursement revenue may be used by the Plan to pay direct and necessary expenses of the Plan and is recorded net with administrative expenses in the statement of changes in net assets available for benefits. At December 31, 2024 and 2023, the revenue credit program account totaled \$87,602 and \$113,812, respectively. The amount applied toward expenses for the year ended December 31, 2024 was \$531,760.

NOTE 8: CERTIFICATION OF QUALIFIED INSTITUTIONS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the Trustees, certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) are complete and accurate.

NOTE 10: LATE REMITTANCES

As reported on Form 5500, Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, certain employee contributions for the year ended December 31, 2022, totaling \$473,014 were not remitted within the appropriate time period by the Company. These transactions constitute prohibited transactions as defined by ERISA. The Company is in the process of correcting the 2022 late remittances.

Additionally, the HEPACO, LLC 401(k) Plan, reported late contributions that were not corrected prior to the merger with the Plan. At December 31, 2024, there were \$273,336 of late contributions that were not remitted within the appropriate time period by the HEPACO, LLC. These transactions constitute prohibited transactions as defined by ERISA. The Company is in the process of correcting these late remittances.

NOTE 11: SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2024, the date of the most recent statement of financial position, have been evaluated for possible adjustment to the financial statements or disclosure is October 9, 2025, which is the date the financial statements were available to be issued.
