Independent Auditor's Report

To the Plan Administrator
The Chicago High School for the Arts
403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of The Chicago High School for the Arts 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Chicago High School for the Arts 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Chicago High School for the Arts 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chicago High School for the Arts 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Chicago High School for the Arts 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chicago High School for the Arts 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2025 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of June 30, 2025 and delinquent participant contributions for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor’s Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of The Chicago High School for the Arts 403(b) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated March 20, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025, AND 2024**

1. Description of Plan

The following description of The Chicago High School for the Arts 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General:

The Plan is a defined-contribution plan covering eligible employees of The Chicago High School for the Arts (the Organization) that was adopted on July 1, 2009. Employees are eligible to participate immediately following or coincident with the date the employee is hired. Employees regularly scheduled to work less than 20 hours per week are excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee contributions:

Participants may contribute up to 100% of eligible compensation on a pre-tax basis within certain specified limitations. Contributions are limited in accordance with Internal Revenue Service (IRS) regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans.

Employer contributions:

The employer may match up to 100% of 4% of the total pre-tax earnings that a participant contributes to the Plan on an annual basis once an employee has worked at least 1,000 hours in a specified 12-month period, as long as the employee is not an academic teacher participating in the Public School Teachers' Pension and Retirement Fund of Chicago (CTPF), an academic teacher receiving non-elective employer contributions, or an employee regularly scheduled to work less than 1,000 hours. The Plan requires non-elective employer contributions for union employees subject to a collective bargaining agreement equal to 7% of employee compensation for the year. Non-elective contributions are not made for employees who are not full-time academic teachers and any academic teachers participating in the CTPF.

Participant's accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution(s) and (b) Plan earnings and charged with an allocation of administrative expenses not paid by the Organization. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants self-direct their contributions and their share of the Organization's contribution among various investment options.

1. Description of Plan (continued)

Vesting:

Participants are always 100% vested in their employee deferral contributions, rollover contributions and earnings thereon. Participants are also fully vested if their employment with the Organization terminates after normal retirement age (65) or for reasons due to death or permanent disability.

Union employees subject to a collective bargaining agreement are always 100% vested in their employer contributions and earnings thereon. All other participants vest in their employer contributions and earnings thereon in accordance with the following table:

Years of service	Vested portion
Less than 3 years	0%
3 years	100%

Participant loans:

A participant may borrow from their fund accounts amounts not to exceed the lesser of \$50,000 or 50% of the vested portion of the balance with the minimum loan amount being \$1,000. The term of all loans shall be 60 months or less, unless the loan is for the purchase of a primary residence, in which case, the loan may be up to 15 years. Only one outstanding loan is allowable at any time for each participant. The loans are secured by the balance in the participants' accounts and bear interest at 1% plus the Prime rate (7.50% and 8.50% at June 30, 2025 and 2024, respectively) at the time of issuance. Principal and interest are paid ratably through payroll deductions.

Payment of benefits:

A participant becomes entitled to benefits under the Plan upon reaching normal retirement age (as defined by the Plan), death, permanent disability or resignation from the Organization, to be paid in a manner specified in the Plan. Upon death, disability or reaching normal retirement age, a participant's account balance becomes fully vested. Upon resignation, participants are entitled to receive the vested portion of their account balance.

The Plan also allows in-service withdrawals from a participant's elective deferral account balance for hardship withdrawals or from all vested account balances upon attaining age 59 1/2.

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's investments are stated at fair value except for the fully benefit-responsive group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian, as applicable. See Note 5 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions:

Participants' contributions are recognized by the Plan when withheld from the participants' paychecks by the Organization.

Payment of benefits:

Benefits are recorded when paid.

Notes receivable from participants:

As described in Note 1, the Plan allows participants to borrow against their vested account balance, and the loans are secured by the participants' account balances. Participant loans are valued at their unpaid principal balance plus any accrued interest. Participant loans are repaid ratably through regular payroll deductions, and loan defaults are treated as distributions.

2. Summary of significant accounting policies (continued)

Administrative expenses:

All administrative costs, charges and expenses are paid by the Plan to the extent not paid by the Organization.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the end of the Plan year and the reported amounts of changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates.

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through April 10, 2026, the date the financial statements were available to be issued.

3. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Investments (information prepared and certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the Trustee))

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in these financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of June 30, 2025 and 2024.

<u>June 30,</u>	<u>2025</u>	<u>2024</u>
Investments at fair value:		
Registered investment companies	\$ 3,716,000	\$ 3,059,634
Investment at contract value:		
Insurance company general account	5,681	5,610
<u>Total</u>	<u>\$ 3,721,681</u>	<u>\$ 3,065,244</u>

The Trustee certified the completeness and accuracy of the dividend and interest income of \$69,582, interest on participant loans of \$4,755 and net appreciation in fair value of investments of \$392,074 for the year ended June 30, 2025.

Notes receivable from participants of \$46,040 and \$59,689 were also certified by the Trustee at June 30, 2025 and 2024, respectively. The interest rates on these receivables ranged from 5.75% to 9.50% as of June 30, 2025 and 2024, as certified by the Trustee.

**THE CHICAGO HIGH SCHOOL FOR THE ARTS
403(b) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025, AND 2024**

5. Fair value measurements

There are three levels of inputs used to measure fair value. The definition of each input is described below:

Level 1	Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	--

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs that are unobservable inputs for the asset or liability.
---------	---

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**THE CHICAGO HIGH SCHOOL FOR THE ARTS
403(b) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025, AND 2024**

5. Fair value measurements (continued)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2025, and 2024.

Registered investment companies: Valued at the market value of shares held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. For the year ended June 30, 2025, there were no significant transfers in and out of Level 1 investments.

Investments at fair value:

June 30,	2025	2024
	Level 1	
Registered investment companies	\$ 3,716,000	\$ 3,059,634

6. Investment contract with the Trustee

The Plan has a fully benefit-responsive group annuity contract with the Trustee, which is called the Principal Fixed Income Guaranteed Option. The Trustee maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**THE CHICAGO HIGH SCHOOL FOR THE ARTS
403(b) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025, AND 2024**

6. Investment contract with the Trustee (continued)

Certain events limit the Plan's ability to transact at contract value with the Trustee. Such events include the following: (1) premature termination of the contracts by the Plan, (2) facility closings, (3) layoffs, (4) Plan termination, (5) bankruptcy and (6) early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The Trustee may not terminate the contract at any amount less than the contract value.

The Trustee is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the Trustee. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The actual average yield earned by the Plan for the group annuity contract is derived by averaging the Plan's quarterly interest rates. The average for the year ended June 30, 2025 was 1.56%.

7. Party-in-interest transactions

One of the Plan's investments is an insurance company general account managed by the Trustee. Therefore, this transaction qualifies as a party-in-interest transaction. Fees paid by the Plan to the Trustee for contract administration services totaled \$24,664 for the year ended June 30, 2025.

8. Plan termination

In its audited financial statements for the year ended June 30, 2025, the Organization reported substantial doubt about its ability to continue as a going concern. The Organization experienced a significant decrease in net assets and negative cash flows from operating activities for the year ended June 30, 2025. The Organization's Comprehensive Educational Services and Performance Agreement with Chicago Public Schools expires on June 30, 2026 and the Organization has not submitted a renewal application. By vote of the Chicago Public Schools Board on November 4, 2025, effective July 1, 2026, The Chicago High School for the Arts will become a district-managed fine and performing arts school and Chicago Public Schools may assign a formal school name prior to July 1, 2026 in accordance with its policies and procedures.

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025, AND 2024**

9. Tax status

The Plan has been designed to qualify under Section 403(b) of Internal Revenue Code (the Code). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The Plan Administrator believes that the Plan is operating in accordance with the applicable requirements of Section 403(b) of the Code and, therefore, believes that the Plan is qualified and the related custodial accounts are tax-exempt.

Independent Auditor's Report

To the Plan Administrator
The Chicago High School for the Arts
403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of The Chicago High School for the Arts 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Chicago High School for the Arts 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Chicago High School for the Arts 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chicago High School for the Arts 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Chicago High School for the Arts 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Chicago High School for the Arts 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2025 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of June 30, 2025 and delinquent participant contributions for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor’s Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of The Chicago High School for the Arts 403(b) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated March 20, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025, AND 2024**

1. Description of Plan

The following description of The Chicago High School for the Arts 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General:

The Plan is a defined-contribution plan covering eligible employees of The Chicago High School for the Arts (the Organization) that was adopted on July 1, 2009. Employees are eligible to participate immediately following or coincident with the date the employee is hired. Employees regularly scheduled to work less than 20 hours per week are excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee contributions:

Participants may contribute up to 100% of eligible compensation on a pre-tax basis within certain specified limitations. Contributions are limited in accordance with Internal Revenue Service (IRS) regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans.

Employer contributions:

The employer may match up to 100% of 4% of the total pre-tax earnings that a participant contributes to the Plan on an annual basis once an employee has worked at least 1,000 hours in a specified 12-month period, as long as the employee is not an academic teacher participating in the Public School Teachers' Pension and Retirement Fund of Chicago (CTPF), an academic teacher receiving non-elective employer contributions, or an employee regularly scheduled to work less than 1,000 hours. The Plan requires non-elective employer contributions for union employees subject to a collective bargaining agreement equal to 7% of employee compensation for the year. Non-elective contributions are not made for employees who are not full-time academic teachers and any academic teachers participating in the CTPF.

Participant's accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution(s) and (b) Plan earnings and charged with an allocation of administrative expenses not paid by the Organization. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants self-direct their contributions and their share of the Organization's contribution among various investment options.

1. Description of Plan (continued)

Vesting:

Participants are always 100% vested in their employee deferral contributions, rollover contributions and earnings thereon. Participants are also fully vested if their employment with the Organization terminates after normal retirement age (65) or for reasons due to death or permanent disability.

Union employees subject to a collective bargaining agreement are always 100% vested in their employer contributions and earnings thereon. All other participants vest in their employer contributions and earnings thereon in accordance with the following table:

Years of service	Vested portion
Less than 3 years	0%
3 years	100%

Participant loans:

A participant may borrow from their fund accounts amounts not to exceed the lesser of \$50,000 or 50% of the vested portion of the balance with the minimum loan amount being \$1,000. The term of all loans shall be 60 months or less, unless the loan is for the purchase of a primary residence, in which case, the loan may be up to 15 years. Only one outstanding loan is allowable at any time for each participant. The loans are secured by the balance in the participants' accounts and bear interest at 1% plus the Prime rate (7.50% and 8.50% at June 30, 2025 and 2024, respectively) at the time of issuance. Principal and interest are paid ratably through payroll deductions.

Payment of benefits:

A participant becomes entitled to benefits under the Plan upon reaching normal retirement age (as defined by the Plan), death, permanent disability or resignation from the Organization, to be paid in a manner specified in the Plan. Upon death, disability or reaching normal retirement age, a participant's account balance becomes fully vested. Upon resignation, participants are entitled to receive the vested portion of their account balance.

The Plan also allows in-service withdrawals from a participant's elective deferral account balance for hardship withdrawals or from all vested account balances upon attaining age 59 1/2.

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's investments are stated at fair value except for the fully benefit-responsive group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian, as applicable. See Note 5 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions:

Participants' contributions are recognized by the Plan when withheld from the participants' paychecks by the Organization.

Payment of benefits:

Benefits are recorded when paid.

Notes receivable from participants:

As described in Note 1, the Plan allows participants to borrow against their vested account balance, and the loans are secured by the participants' account balances. Participant loans are valued at their unpaid principal balance plus any accrued interest. Participant loans are repaid ratably through regular payroll deductions, and loan defaults are treated as distributions.

2. Summary of significant accounting policies (continued)

Administrative expenses:

All administrative costs, charges and expenses are paid by the Plan to the extent not paid by the Organization.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the end of the Plan year and the reported amounts of changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates.

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through April 10, 2026, the date the financial statements were available to be issued.

3. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Investments (information prepared and certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the Trustee))

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in these financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of June 30, 2025 and 2024.

<u>June 30,</u>	<u>2025</u>	<u>2024</u>
Investments at fair value:		
Registered investment companies	\$ 3,716,000	\$ 3,059,634
Investment at contract value:		
Insurance company general account	5,681	5,610
<u>Total</u>	<u>\$ 3,721,681</u>	<u>\$ 3,065,244</u>

The Trustee certified the completeness and accuracy of the dividend and interest income of \$69,582, interest on participant loans of \$4,755 and net appreciation in fair value of investments of \$392,074 for the year ended June 30, 2025.

Notes receivable from participants of \$46,040 and \$59,689 were also certified by the Trustee at June 30, 2025 and 2024, respectively. The interest rates on these receivables ranged from 5.75% to 9.50% as of June 30, 2025 and 2024, as certified by the Trustee.

**THE CHICAGO HIGH SCHOOL FOR THE ARTS
403(b) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025, AND 2024**

5. Fair value measurements

There are three levels of inputs used to measure fair value. The definition of each input is described below:

Level 1	Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	--

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs that are unobservable inputs for the asset or liability.
---------	---

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**THE CHICAGO HIGH SCHOOL FOR THE ARTS
403(b) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025, AND 2024**

5. Fair value measurements (continued)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2025, and 2024.

Registered investment companies: Valued at the market value of shares held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. For the year ended June 30, 2025, there were no significant transfers in and out of Level 1 investments.

Investments at fair value:

June 30,	2025	2024
	Level 1	
Registered investment companies	\$ 3,716,000	\$ 3,059,634

6. Investment contract with the Trustee

The Plan has a fully benefit-responsive group annuity contract with the Trustee, which is called the Principal Fixed Income Guaranteed Option. The Trustee maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**THE CHICAGO HIGH SCHOOL FOR THE ARTS
403(b) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025, AND 2024**

6. Investment contract with the Trustee (continued)

Certain events limit the Plan's ability to transact at contract value with the Trustee. Such events include the following: (1) premature termination of the contracts by the Plan, (2) facility closings, (3) layoffs, (4) Plan termination, (5) bankruptcy and (6) early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The Trustee may not terminate the contract at any amount less than the contract value.

The Trustee is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the Trustee. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The actual average yield earned by the Plan for the group annuity contract is derived by averaging the Plan's quarterly interest rates. The average for the year ended June 30, 2025 was 1.56%.

7. Party-in-interest transactions

One of the Plan's investments is an insurance company general account managed by the Trustee. Therefore, this transaction qualifies as a party-in-interest transaction. Fees paid by the Plan to the Trustee for contract administration services totaled \$24,664 for the year ended June 30, 2025.

8. Plan termination

In its audited financial statements for the year ended June 30, 2025, the Organization reported substantial doubt about its ability to continue as a going concern. The Organization experienced a significant decrease in net assets and negative cash flows from operating activities for the year ended June 30, 2025. The Organization's Comprehensive Educational Services and Performance Agreement with Chicago Public Schools expires on June 30, 2026 and the Organization has not submitted a renewal application. By vote of the Chicago Public Schools Board on November 4, 2025, effective July 1, 2026, The Chicago High School for the Arts will become a district-managed fine and performing arts school and Chicago Public Schools may assign a formal school name prior to July 1, 2026 in accordance with its policies and procedures.

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)

9. Tax status

The Plan has been designed to qualify under Section 403(b) of Internal Revenue Code (the Code). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The Plan Administrator believes that the Plan is operating in accordance with the applicable requirements of Section 403(b) of the Code and, therefore, believes that the Plan is qualified and the related custodial accounts are tax-exempt.
