Independent Auditors' Report

Plan Administrator and Management
Critical Path Institute 403(B) Plan
Tucson, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Critical Path Institute 403(B) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Critical Path Institute 403(B) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a nonqualified institution as agent for a qualified institution and from a qualified institution as of June 30, 2025 and 2024 and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Critical Path Institute 403(B) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Critical Path Institute 403(B) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Critical Path Institute 403(B) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Critical Path Institute 403(B) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and of assets (held at end of year) as of and for the year ended June 30, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Critical Path Institute 403(B) Plan

Notes to Financial Statements

Year Ended June 30, 2025

1. Description of plan:

The following description of the Critical Path Institute 403(B) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan was established July 1, 2005, and has been amended several times since that date.

General:

The Sponsor of the Plan is Critical Path Institute (Sponsor).

The Plan is a defined contribution retirement plan with 403(b) provisions consisting of a salary reduction arrangement. All employees of the Sponsor working more than twenty hours per week are eligible to participate in the Plan upon hire. Participants must complete one month of service prior to becoming eligible for the safe harbor matching and discretionary non-elective provisions of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant contributions:

Participants can elect to defer a percentage of their pre-tax compensation to the Plan, subject to current statutory limits determined annually and prescribed by the Internal Revenue Service (IRS). The Plan also permits eligible participants to make additional voluntary contributions of Roth deferrals and qualified rollovers from other retirement plans.

Employer contributions:

Under the safe harbor provisions of the Plan, the employer will contribute and allocate to each participant's matching account an amount equal to 100% of the participant's elective deferrals, up to 5% of the participant's compensation. The Sponsor shall also make additional non-elective contributions of 3% of compensation to each eligible participant's account. Employer contributions are invested in the same funds and increments as directed by the participant for the participant's contributions. Contributions are subject to statutory limitations.

Participants' accounts:

Each participant's account is credited with the participant's elective deferral, employer, and rollover contributions, actual earnings thereon, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their elective deferral contributions, safe harbor contributions, non-elective employer contributions and any rollover contributions made to the Plan, plus actual earnings thereon.

Critical Path Institute 403(B) Plan

Notes to Financial Statements (continued)

Year Ended June 30, 2025

1. Description of plan (continued):

Investment options:

Upon enrollment in the Plan, a participant may direct contributions into any of several investment options. Participants may change their investment options at any time.

Payment of benefits:

On termination of service due to death, disability, retirement, or election at age 59½, a participant will receive the value of the participant's vested interest in his or her account as a lump-sum distribution or may elect to take partial payments, installment payments or purchase an annuity contract, pursuant to the terms of the Plan. Participants with account balances less than \$1,000 must take a lump-sum distribution as soon as practicable following termination.

Participant loans:

Participants may obtain loans from the Plan. All loans require written spousal consent, cannot exceed 50% of the vested portion of the participant's account (or \$50,000 if less), and must be a minimum of \$1,000. The loan must be repaid within five years unless the entire proceeds are used to purchase the participant's primary residence, in which case the loan may be repaid over a longer period. All loans will provide for the repayment of interest at the prime rate on the date of the loan. The participant's individual account serves as collateral for the loan and, in the event of default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable. Because the participant's account collateralizes the loan in its entirety, the credit quality of the participant is not assessed by the Plan Administrator. Unpaid loans will be treated as a taxable distribution from the Plan.

For financial reporting purposes, participants' loans are included in the statement of net assets available for benefits as notes receivable from participants.

Hardship withdrawals:

If approved by the Plan Administrator, a participant may withdraw the elective deferral portion of his/her individual account balance to satisfy any of the following immediate and heavy financial needs: unreimbursed medical expenses for qualified persons, purchase of a principal residence, to prevent eviction from or foreclosure on a principal residence, to pay for post-secondary education expenses for qualified persons, funeral expenses, or for expenses that qualify as a casualty deduction under the Internal Revenue Code (IRC).

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Critical Path Institute 403(B) Plan

Notes to Financial Statements (continued)

Year Ended June 30, 2025

2. Summary of significant accounting policies (continued):

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payments of benefits:

Benefits paid to participants are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid for by the Sponsor. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent event:

The Plan has evaluated the events that have occurred subsequent to June 30, 2025 through April 15, 2026, the date that the financial statements were available to be issued. The Plan has no responsibility to update these financial statements for events and circumstances occurring after this date.

Critical Path Institute 403(B) Plan

Notes to Financial Statements (continued)

Year Ended June 30, 2025

3. Federal income tax status:

The Sponsor has adopted a volume submitter 403(b) plan as published by Ascensus LLC, who obtained its latest opinion letter on January 1, 2018, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan Sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust tax-exempt.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets or active markets that the Plan does not have access to;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. Fair value measurements (continued):

At June 30, 2025, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments in the fair value hierarchy:				
Interest-bearing cash	\$ 225,134	\$ -	\$ 225,134	\$ -

Investment contracts with insurance company	<u>1,745,152</u>	<u>-</u>	<u>-</u>	<u>1,745,152</u>
	<u><u>\$ 25,973,082</u></u>	<u><u>\$ 24,002,796</u></u>	<u><u>\$ 225,134</u></u>	<u><u>\$ 1,745,152</u></u>

At June 30, 2024, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments in the fair value hierarchy:				
Interest-bearing cash	\$ 212,593	\$ -	\$ 212,593	\$ -
Registered investment companies	11,965,938	11,965,938	-	-
Pooled separate accounts	8,434,351	8,434,351	-	-
Investment contract with insurance company	<u>1,734,991</u>	<u>-</u>	<u>-</u>	<u>1,734,991</u>
	<u><u>\$ 22,347,873</u></u>	<u><u>\$ 20,400,289</u></u>	<u><u>\$ 212,593</u></u>	<u><u>\$ 1,734,991</u></u>

Following is a description of the valuation methodologies used for assets measured at fair value:

Interest-bearing cash: Consists of highly liquid instruments that generate interest income. The carrying value of interest-bearing cash is its fair value.

Registered investment companies: Valued at the closing price reported on the active market on which the individual securities are traded.

Critical Path Institute 403(B) Plan

Notes to Financial Statements (continued)

Year Ended June 30, 2025

4. Fair value measurements (continued):

Pooled separate accounts - TIAA Real Estate Fund: This account invests primarily in real estate properties and real estate related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. The account sometimes holds securities to facilitate liquidity. The securities are priced using values obtained from independent pricing sources. The unit value of this fund (net asset value) is calculated daily. The fund's daily net asset value is available at www.TIAA.org.

Pooled separate accounts - All Other: These funds' assets are invested in registered investment companies. The funds are valued at the net asset value of units of the separate account. The net asset value of the units is determined daily and includes adjustments for investment fees. The funds' daily net asset value is available at www.TIAA.org.

Investment contracts with insurance company: Fair value is determined by TIAA and CREF by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth a summary of certain changes in the fair value of the Plan's level 3 assets for the year ended June 30, 2025:

	Investment contracts with insurance company
Transfers in	-
Transfers out	-
Purchases	80,442
Issuances	-

5. Investment certification:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at June 30, 2025 and 2024, and net appreciation in fair value of investments, interest income and dividends for the year ended June 30, 2025, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by TIAA and CREF and Ascensus LLC, as a representative for Ascensus Trust Company and Newport Trust Company.

6. Related party and party in interest transactions:

Certain Plan investments are managed by TIAA and CREF and Ascensus, LLC. The Plan paid expenses to TIAA and CREF and Ascensus, LLC and other service providers during 2025 related to plan administration and investment activity. These transactions qualify as exempt party in interest transactions under ERISA.

Expenses that are paid directly by the Sponsor are excluded from these financial statements. Employees of the Sponsor perform certain accounting and administrative functions for the Plan, however, no employee receives compensation from the Plan.

7. Investment contracts with insurance company:

The Plan holds an investment contract with TIAA totaling \$1,397,644 and \$1,394,462 at June 30, 2025 and 2024. TIAA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the participant. The crediting rate is based on a formula established by the contract issuer, but may not be less than 3%. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. Because the investment contract is executed between the participant and TIAA, rather than between the Plan and TIAA as required under the fully benefit-responsible investment contract criteria, the contract has been reported at fair value in the accompanying statements of net assets available for benefits.

Critical Path Institute 403(B) Plan

Notes to Financial Statements (continued)

Year Ended June 30, 2025

7. Investment contracts with insurance company (continued):

The Plan holds a non benefit-responsive investment contract with TIAA totaling \$347,508 and \$340,529 at June 30, 2025 and 2024. TIAA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the participant. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The contract is reported at fair value in the accompanying statements of net assets available for benefits. Fair value approximates contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

8. Reconciliation of financial statements to Form 5500:

The following is a reconciliation of interest-bearing and non-interest bearing cash per the financial statements to the Form 5500 at June 30, 2025 and 2024:

	2025	2024
Interest-bearing cash per the financial statements	\$ 225,134	\$ 212,593
Non-interest bearing cash per the financial statements	-	7,943
Difference due to rounding	-	1
Interest-bearing cash per the Form 5500	<u>\$ 225,134</u>	<u>\$ 220,537</u>

The following is a reconciliation of pooled separate accounts and registered investment companies reported on the financial statements compared to the Form 5500 at June 30, 2025 and 2024:

	2025	2024
Registered investment companies per the financial statements	\$ 16,131,065	\$ 11,965,938
Pooled separate accounts per the financial statements	7,871,731	8,434,351
	<u>\$ 24,002,796</u>	<u>\$ 20,400,289</u>
Value of interest in registered investment companies per the Form 5500	\$ 23,761,466	\$ 20,156,039
Value of interest in pooled separate accounts per the Form 5500	241,330	244,251

	<u>\$ 24,002,796</u>	<u>\$ 20,400,289</u>

Critical Path Institute 403(B) Plan

Notes to Financial Statements (continued)

Year Ended June 30, 2025

8. Reconciliation of financial statements to Form 5500 (continued):

The Plan's investments in pooled separate accounts, with the exception of the TIAA Real Estate fund, are reported on the Form 5500, Schedule H as registered investment companies because a DFE Form 5500 has not been filed by the sponsor of the pooled separate accounts.

The following is a reconciliation of net investment income per the financial statements to Form 5500 for the year ended June 30, 2025:

Net investment income per the financial statements	<u>\$ 2,835,991</u>
Interest per Form 5500	\$ 9,844
Dividends per Form 5500	295,819
Net investment gain from registered investment companies per Form 5500	<u>2,530,328</u>
	<u>\$ 2,835,991</u>

9. Plan termination:

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

10. Risks and uncertainties:

The Plan invests in securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage backed securities, including securities backed by subprime mortgage loans. The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rate. In addition, the Plan invests in various investment securities that are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. Reclassifications:

The 2024 financial statements have been reclassified in order to conform to the 2025 financial statement presentation. The reclassifications had no effect on net assets available for benefits at June 30, 2024 or on net increase in net asset available for benefits for the year then ended.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name:

(2) EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a			
4b			
4c			
4d			
4e			
4f			
4g			
4h			
4i			
4j			
4k			
4l			
4m			
4n			

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)
