Independent Auditor's Report

Board of Directors
Public Employees Supervisors' Union Dental Plan Trust
Newark, New Jersey

Opinion

We have audited the accompanying financial statements of the Public Employees Supervisors' Union Dental Plan Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of Public Employees Supervisors' Union Dental Plan Trust as of June 30, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Public Employees Supervisors' Union Dental Plan Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about Public Employees Supervisors' Union Dental Plan Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

RRBB Advisors, LLC, and its subsidiary entities are not licensed CPA firms.

Board of Directors
Public Employees Supervisors' Union Dental Plan Trust

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Public Employees Supervisors' Union Dental Plan Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Public Employees Supervisors' Union Dental Plan Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA
Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at the end of the year is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Board of Directors
Public Employees Supervisors' Union Dental Plan Trust

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan:

The following brief description of the Public Employees Supervisors' Union Dental Plan Trust ("the Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. The final Plan agreement has yet to be executed.

General

The Plan provides several health benefits covering substantially all active members of the Public Employees Supervisors' Union ("the Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health and welfare benefits such as dental, disability, group life and accidental insurance, hospitalization, surgical, major-medical, and optical benefits, to full-time employees of the Sponsor (with at least 1,000 hours of service each year). Participants elect levels of coverage desired and the corresponding member cost is deducted by their employer.

Current dental and disability claims are provided under group insurance contracts and some self-insurance plans. The medical benefits are provided under a self-insurance plan when applicable. Benefits are recognized when paid.

Contributions

Per the Collective Bargaining Agreement renegotiated in 2025, Essex County is to contribute the amount of $199,519 annually beginning in 2024. This Plan has been funded through December 31, 2026, with the amount unchanged. The Plan received this amount for the years ended June 30, 2025 and 2024. Included in Sponsor contribution receivable is $19,597 which represents retroactive increases for 2025 and 2024 which were received in July 2025. The retroactive increase for 2024 of $9,799 was included in Sponsor contributions for the year ending June 30, 2025. Participants contributed $51,338 and $42,902 for the years ended June 30, 2025 and 2024, respectively, to obtain enhanced dental benefits.

Contingencies

Loss contingencies from legal proceedings and claims may occur from a wide range of matters, including government investigations, lawsuits, product and environmental liability, contractual claims and tax matters. Accruals are recognized when it is probable that a liability will be incurred and the amount of loss can be reasonably estimated. Gain contingencies are not recognized until realized. Legal fees are expensed as incurred.

Fund termination

Although it has not expressed any intent to do so, the trustees reserve the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, the net assets of the Plan will be allocated, generally to provide benefits in the following order: All claims submitted for eligible benefits will be paid in full based upon the applicable plan payment schedule and then any remaining vendor invoices will be paid.

Basis of accounting

The Plan's policy is to prepare its financial statements on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP).

2. Summary of Significant Accounting Policies:

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Claims incurred but not reported

Actuarial present values are computed assuming annual interest of 0.0% as of June 30, 2025 and June 30, 2024. These amounts include a liability for estimated medical reimbursements. The claims incurred but not reported were $33,500 and $34,850 at June 30, 2025 and 2024, respectively.

Cash and cash equivalents

Cash and cash equivalents include checking accounts held at banks. The Plan considers all highly liquid debt instruments with a maturity of three months or less considered to be cash equivalents. There were no cash equivalents as of June 30, 2025 or 2024.

Fair value of financial instruments

The Plan's financial assets and liabilities measured at fair value on a recurring basis consist of investments, receivables, advance from related party and accrued expenses. The carrying value amount of receivables, advance from related party and accrued expenses approximate fair value because of the short-term maturity of such investments. We have categorized our assets and liabilities that are valued at fair value on a recurring basis into a three-level fair value hierarchy in accordance with U.S. GAAP. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities (Level 1) and lowest priority to unobservable inputs (Level 3).

Assets and liabilities recorded in the balance sheets at fair value are categorized based on a hierarchy of inputs, as follows:

Level 1 -- Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 -- Quoted prices for similar assets or liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument.

Level 3 -- Unobservable inputs for the asset or liability.

The Plan had no Level 2 or 3 assets or liabilities that were required to be valued at fair value as of June 30, 2025 or 2024. See Note 7 for Level 1 investments.

3. Benefit Obligations:

Dental and disability costs incurred by participants are covered by insurance contracts. It is the present intention of the Sponsor and the Plan to continue obtaining insurance coverage for benefits. The maximum annual benefit provided for medical/optical benefits combined is $475 for calendar year 2025 and $425 for calendar year 2024. The benefit is administered by the Plan. All administrative costs are paid by the Plan.

4. Income Taxes:

The Plan is qualified pursuant to Section 501(c)(5) of the Internal Revenue Code (IRC) and accordingly, the Plan's net investment income is exempt from income taxes. Plan management and Plan's counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, however, the Plan document has not yet been executed by the Plan's Trustees. The Plan has not been audited by the tax authorities and the tax years 2022, 2023 and 2024 are still open and subject to tax authorities' examination.

5. Concentrations and Credit Risk:

The Plan maintains various cash accounts with various financial institutions. Accounts are insured by the Federal Deposit Insurance Corporation up to $250,000. In the normal course of business, the Trust may have deposits that exceed the insured balance. There were no uninsured cash balances at June 30, 2025 and 2024.

6. Advance from Related Organization:

The Plan received an advance from the labor organization that benefits under the Plan. The advance is non-interest bearing and has no specific repayment terms.

7. Certificates of Deposit:

Certificates of deposit, valued at fair value, at June 30, 2025 and 2024 consist of three deposits at banks and savings and loan associations, with interest rates ranging from 3.68% to 4.88% with maturities of eighteen months or less. These three deposits total $178,704 and $171,647, which were not in excess of federally insured limits at June 30, 2025 and 2024, respectively. These investments are considered Level 1 in the fair value hierarchy.

8. Commitments:

The Plan entered into an office usage agreement for rental of office space for a period of 12 months from October 2018 through September 2019 for a monthly usage fee of $800. After that date the lease continued on a month to month basis for the same fee. Rent expense for both years ended June 30, 2025 and 2024 was $9,600.

9. Fair Value Measurements:

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 "Fair Value Measurements and Disclosures", establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). All investments held by the Plan are considered level 1.

10. Parties-in-Interest Transactions:

The Plan's investments are held at Santander Bank, Flagstar Bank and Columbia Savings Bank, thus each is a party in interest. Also, certain other professionals, officers and employees of the Plan, perform administrative functions and are compensated by the Plan. Such transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory or administrative exemptions from the IRS and ERISA's rules on prohibited transactions.

11. Date of Management Review and Subsequent Events:

Management has evaluated subsequent events through April 13, 2026, the date on which the financial statements were available to be issued. There were no subsequent events that were material to be disclosed or recorded in the financial statements upon the issuance of the report.
