INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
403(b) Thrift Plan for Employees of
Special Service for Groups, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan for Employees of Special Service for Groups, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 30, 2025 and 2024, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan for Employees of Special Service for Groups, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Employees of Special Service for Groups, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of Special Service for Groups, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Employees of Special Service for Groups, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of Special Service for Groups, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR EMPLOYEES OF SPECIAL SERVICE FOR GROUPS, INC.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of 403(b) Thrift Plan for Employees of Special Service for Groups, Inc. ("the Plan") provides only general information. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) tax-deferred plan, established on January 1, 2013, under the provisions of the Internal Revenue Code and covers substantially all employees of Special Service for Groups, Inc. ("SSG"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). SSG is the plan sponsor and serves as the plan administrator.

Contributions

A participant becomes eligible to make contributions to the Plan on the date of hire and has reached the "entry date" as defined in the Plan. Participants may contribute a percentage, or a fixed amount of their eligible compensation as defined in the Plan. In addition, participants qualifying for age-based provisions may contribute an additional catch-up deferral. Participants with at least 15 years of service with SSG after testing required for eligibility are also able to make special catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans.

Employees who are at least 21 years of age and have completed at least one year of service (1,000 hours) are entitled to receive employer base contributions for each plan year equal to 7.5% of compensation whether or not any salary reduction is made to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution; the allocation of SSG's base contribution, and the Plan earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested, at all times and in all events, in their contributions. A participant is 100% vested in the employer base contributions upon completion of five years of service.

Notes Receivable from Participants

Loans to participants are not permitted under the plan.

403(b) THRIFT PLAN FOR EMPLOYEES OF SPECIAL SERVICE FOR GROUPS, INC.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Payments of Benefits

In general, on termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the fair value of the participant's account balance or a purchase of a guaranteed lifetime or a uniform monthly annuity.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeited non-vested amounts may be used to reduce the Plan expenses and any remaining forfeitures may be used to reduce any employer contribution. At June 30, 2025 and 2024, there were \$13,911 and \$10,128, respectively, of forfeited non-vested accounts. Forfeitures used to reduce plan expenses and employer contributions during June 30, 2025 and 2024 were \$444,485 and \$327,474, respectively.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

403(b) THRIFT PLAN FOR EMPLOYEES OF SPECIAL SERVICE FOR GROUPS, INC.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs – quoted prices in active markets for identical assets

Level 2 inputs – quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs – estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific technique used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with certain investment securities, that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Administrative Expenses

SSG absorbs all administrative expenses of the Plan other than the contract services fees charged by the trustees. During 2025 and 2024, total administrative expenses were \$39,685 and \$23,319, respectively.

Subsequent Events

Management has evaluated subsequent events through April 14, 2026, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

403(b) THRIFT PLAN FOR EMPLOYEES OF SPECIAL SERVICE FOR GROUPS, INC.

NOTES TO FINANCIAL STATEMENTS

3. Information Prepared and Certified by the Trustees

No auditing procedures were performed on investments and Plan income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Vestwell and Matrix Trust Company, the trustees of the Plan, as of June 30, 2025 and 2024, respectively:

	<u>2025</u>	<u>2023</u>
Mutual funds	\$66,587,012	\$60,112,512
General account	8,076,830	2,638,897
Cash and cash equivalents	52,768	-
	<u>\$74,716,610</u>	<u>\$62,751,409</u>

During the years ended June 30, 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the year) had a net appreciation of \$7,662,591 and \$7,932,650, respectively, attributed to mutual funds.

4. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>June 30, 2025</u>				
Mutual funds	\$66,587,012	\$ -	\$ -	\$66,587,012
Investments measured at net asset value*				<u>8,076,830</u>
Total investments at fair value and net asset value				<u>\$74,663,842</u>
<u>June 30, 2024</u>				
Mutual funds	\$60,112,512	\$ -	\$ -	\$60,112,512
Investments measured at net asset value*				<u>2,638,897</u>
Total investments at fair value and net asset value				<u>\$62,751,409</u>

The fair value of mutual funds in the fair value hierarchy has been measured on a recurring basis using quoted prices for identical assets in active markets (Level 1 inputs).

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

403(b) THRIFT PLAN FOR EMPLOYEES OF SPECIAL SERVICE FOR GROUPS, INC.

NOTES TO FINANCIAL STATEMENTS

5. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of June 30, 2025 and 2024:

Investments	Fair Value as of June 30,		Unfunded	Redemption	Redemption
	2025	2024	commitments	frequency (if currently eligible)	notice period
General account	<u>\$8,076,830</u>	<u>\$2,638,897</u>	n/a	Daily	12 months

6. Plan Termination

Although it has not expressed any intent to do so, SSG has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA.

7. Tax Status

The Plan presently does not have a tax determination letter from the Internal Revenue Service ("IRS") since the IRS has not established a process for issuing determination letters for individually designed 403(b) plans. However, the plan administrator and the plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

8. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

403(b) THRIFT PLAN FOR EMPLOYEES OF SPECIAL SERVICE FOR GROUPS, INC.

NOTES TO FINANCIAL STATEMENTS

8. Related Party and Party-in-Interest Transactions, continued

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as SSG's payment of certain Plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were \$39,685.

The Plan's investment options include funds managed by Vestwell and Matrix Trust Company or its affiliates. As trustees and recordkeeper, Vestwell and Matrix Trust Company's transactions qualify as exempt parties-in-interest transactions.

9. Operational Error

During the Plan year ended June 30, 2025, the Plan sponsor identified an operational error related to employer nonelective contributions whereby certain highly compensated employees received employer contributions in excess of applicable Internal Revenue Code limits and certain eligible employees did not receive the full 7.5 percent employer contribution specified by the Plan; the Plan sponsor, in consultation with its third party administrator, is correcting the error in accordance with applicable IRS correction guidance, including funding additional employer contributions (plus applicable earnings) for affected participants and taking appropriate corrective action with respect to excess contributions, and management does not expect these corrections to have a material effect on the Plan's net assets available for benefits.
