## **Report of Independent Auditors**

To the Participants and Trustees of  
Central Midwest Regional Council of Carpenters  
Defined Contribution Pension Plan

### ***Opinion***

We have audited the financial statements of Central Midwest Regional Council of Carpenters Defined Contribution Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Central Midwest Regional Council of Carpenters Defined Contribution Pension Plan as of June 30, 2025, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Emphasis of Matter - Merger***

As described in Note 11, effective July 1, 2024, the respective Boards of Trustees of Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Plan (the Defined Contribution Pension Plan) and Ohio Carpenters' Annuity Plan (the Annuity Plan) approved to merge the Annuity Plan into the Defined Contribution Pension Plan, which was renamed Central Midwest Regional Council of Carpenters Defined Contribution Pension Plan. Although the merger had an effective date of July 1, 2024, in order to be consistent with the merging plans's filings and disclosures, the Plan recorded the transfer of net assets during the year ended June 30, 2024. Our opinion is not modified with respect to this matter.

***Other Matter - 2024 Financial Statements***

The financial statements of Central Midwest Regional Council of Carpenters Defined Contribution Pension Plan as of June 30, 2024, and for the year then ended, were audited by other auditors whose report dated February 7, 2025, expressed an unmodified opinion on those statements.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Central Midwest Regional Council of Carpenters  
Defined Contribution Pension Plan**

**Notes to Financial Statements**

June 30, 2025 and 2024

**Note 1. Summary of Significant Accounting Policies**

**Method of Accounting** - The accompanying financial statements of Central Midwest Regional Council of Carpenters Defined Contribution Pension Plan (the Plan) have been prepared using the accrual basis of accounting.

**Investments** - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

**Contributions Receivable** - Employer contributions due and unpaid prior to year end are recorded as contributions receivable and include amounts for liquidated damages and underpayments. Employer contributions due as determined by payroll compliance audits are recorded upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

**Employer Contribution Income** - Employer contributions are recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rate set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose as described in Note 2 within a jurisdiction primarily located in the states of Indiana, Kentucky and Ohio.

**Service Revenue Reimbursements** - Effective with the merger described in Note 11, the Plan receives reimbursements of service revenue fees paid to John Hancock Retirement Plan Services LLC (John Hancock) or its affiliates under contracts with investment option issuers. This revenue is used to offset certain amounts owed to John Hancock for its administrative services to the Plan. Reimbursements received for the year ended June 30, 2025 totaled \$2,201,244.

## **Note 1. Summary of Significant Accounting Policies (continued)**

**Reciprocal Contributions** - The Plan is signatory to reciprocity agreements with various other multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the local unions. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union (reciprocating local). When a participant of the home local works in the territory of a reciprocating local, the latter is to make contributions to the former's fringe benefit plans on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local fringe benefit plans. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Employer contributions include reciprocal contributions of \$11,908,344 and \$12,775,409 for the years ended June 30, 2025 and 2024, respectively, from various other retirement plans under the terms of reciprocity agreements. The Plan remitted a total of \$6,513,773 and \$4,944,298 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended June 30, 2025 and 2024.

**Payment of Benefits** - Benefit payments to participants are recorded upon distribution. Amounts allocated to participants who elected a withdrawal from the Plan but were not yet paid amounted to \$381,582 and \$0 at June 30, 2025 and 2024, respectively.

**Expenses** - Certain investment related expenses are included in net appreciation in fair value of investments.

**Reclassifications** - Certain prior year amounts have been reclassified to conform to the current year presentation.

**Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Subsequent Events** - Subsequent events have been evaluated through April 13, 2026, which is the date the financial statements were available to be issued.

## **Note 2. Description of the Plan**

The Plan was established as a result of collective bargaining to provide benefits for eligible participants upon retirement, termination, death or disability. The Plan is primarily funded by employer contributions as specified in the collective bargaining agreements. Participant contributions are not permitted under the Plan. However, the Plan allows participants to roll over contributions from other qualified retirement plans into this Plan. The Plan is a multiemployer defined contribution retirement plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Each participant's account is credited with employer contributions paid on the participant's behalf and investment earnings or losses. In addition, each participant's account is charged a quarterly fee of \$5 to cover the administrative costs incurred by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Contributions to the Plan are invested as directed by the participant in one or more of the custom investment options established by the Plan. In the absence of direction, contributions are invested in a default investment fund chosen by the Trustees. Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by the investments selected by the participants may cause their balances to be lower than the amounts contributed on their behalf.

Under current Plan provisions of the Plan, each participant's account is immediately vested. Upon death, disability, separation from service for 12 months, or retirement, participants are entitled to receive the amount in their account. In addition, participants may withdraw their benefits under the hardship provisions of the Plan.

Prior to October 1, 2024, participants of the former Indiana/Kentucky/Ohio Regional Council of Carpenters Defined Contribution Pension Plan needed 18 months of separation from service to be entitled to receive the amount in their account, and the participants of the former Ohio Carpenters' Annuity Plan were not allowed to take hardship distributions.

Net assets available for benefits include unallocated amounts which are available to pay future administrative expenses. Unallocated accounts totaled approximately \$5,855,000 and \$9,283,000 at June 30, 2025 and 2024, respectively.

Participants should refer to the summary plan description for more complete information.

**Note 3. Priorities upon Termination**

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries and participants. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at the time and the priority of those benefits.

**Note 4. Tax Status**

The Plan's latest determination letter is dated September 10, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress.

**Note 5. Funding Policy**

The participating employers contribute such amounts as specified in the collective bargaining agreements, which vary depending on the geographic area as well as type of work performed. The hourly contribution rates for the years ended June 30, 2025 and 2024 ranged from \$0.23 to \$9.35.

## Note 6. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

### Basis of Fair Value Measurement

|         |                                                                                                                                                                       |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities                              |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable                                                     |

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of June 30, 2025 and 2024. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## **Note 6. Fair Value Measurements (continued)**

### Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

### Level 2 Measurements

Other investments represented corporate bonds in default that have been substantially written off.

### Measurements Using Net Asset Value as a Practical Expedient

Certain investments are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair values of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The collective investment funds and stable value fund are direct filing entities (DFEs) that file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the investment strategies of DFE investments. Redemptions are available on a daily basis without notice.

The real estate investment fund is also a DFE investment. Redemptions are available on a quarterly basis with a 90-day notice period.

## **Note 7. Related Organizations**

The Plan shares certain common governance with several related tax-exempt organizations, which included a defined benefit pension plan, a health and welfare plan, two regional councils and a service corporation.

Central Midwest Regional Council of Carpenters' Fringe Benefit Funds, Inc. (the Fringe Benefit Fund) is a service corporation whose purpose is to collect employer contributions on behalf of the Plan and other affiliated entities. Amounts due from the Fringe Benefit Fund at June 30, 2025 and 2024 of \$5,222,276 and \$1,533,957 respectively, represent contributions received by the service corporation but not yet remitted to the Plan at year end.

**Note 7. Related Organizations (continued)**

Contributions for this Plan and other related organizations are received and deposited in a shared lockbox account. On a regular basis, contributions due to the Plan are transferred from the lockbox account into the Plan's cash account. Amounts due from this lockbox account at June 30, 2025 and 2024 of \$7,934,389 and \$8,380,262 respectively, represent contributions received by the lockbox but not yet remitted to the Plan at year end.

Amounts due from related organizations as of June 30, 2024 are net of an amount owed for an inadvertent deposit of \$21,995 made into the Plan's checking account, which represented a reimbursement owed to the related health and welfare plan.

**Note 8. Party-in-Interest Transactions**

The Plan incurs expenses and receives reimbursements under several arrangements with service providers and affiliated entities, and receives contributions from employers under the terms of collective bargaining agreements.

Matrix Trust Company (Matrix) and John Hancock Retirement Plan Services LLC (John Hancock) and its affiliates are responsible for participant recordkeeping and distributions to Plan participants at the direction of the Board of Trustees. Matrix and John Hancock maintain custody of a majority of Plan assets.

These transactions are considered exempt party-in-interest transactions under ERISA

**Note 9. Concentration of Plan Investments**

The Plan had a significant portion of its assets invested in one collective investment fund and one mutual fund at June 30, 2025, that collectively represented approximately 73% of the Plan's net assets available for benefits. There were no significant concentrations of Plan assets at June 30, 2024. It is reasonably possible that changes in the values of these investments could materially affect the participant's account balances and amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial investments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.
