To the Trustees
Minnesota Coaches Family of Companies Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of Minnesota Coaches Family of Companies Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Minnesota Coaches Family of Companies Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section:

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Minnesota Coaches Family of Companies Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Minnesota Coaches Family of Companies Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements for the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Minnesota Coaches Family of Companies Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Minnesota Coaches Family of Companies Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of Minnesota Coaches Family of Companies Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated April 11, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

June 30, 2025 and 2024

Note 1 - Plan Description and summary of significant accounting policies

The following description of Minnesota Coaches Family of Companies Retirement Fund (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan which was established on July 1, 2019 and covers all eligible employees of Metro Bus Service, Inc., Round Trip Services, Inc., Family Bus Service, Inc., Ready Bus Company, Inc., Ottertail Transportation, Inc., and Faribault Transportation Service, Inc., and their affiliates (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Participation

Under the terms of the Plan, employees are eligible to make elective deferrals on the first day of the first calendar quarter that begins at least 30 days after the date of hire. Employees are eligible to receive discretionary nonelective contributions if they have completed 500 hours of service during the computation period and are employed as of the last day of the Plan Year.

Contributions

Each year, participants may contribute from 1% to 100% of pretax or post tax compensation not to exceed the limits of the Internal Revenue Code (IRC), as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions in any amount up to the limits prescribed by law. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their elective deferral contributions into various investment options offered by the Plan.

The Company may contribute to the Plan discretionary nonelective contributions. The Company's nonelective contribution, if any, is allocated to participants eligible to share in the contribution based upon a percentage calculated by dividing the participant's eligible plan compensation by the total eligible plan compensation of all eligible participants. The Company's contributions do not exceed the maximum deduction allowable under the regulations of the IRC.

Participant accounts

Each participant's account is credited with the participant elective deferrals, nonelective profit sharing contributions and an allocation of Plan earnings, and is charged with administrative expenses for certain transactions as defined by the Plan. Allocations of earnings are credited in accordance with the earnings reported by the funds in which the participant has invested.

Notes receivable from participants

The Plan does not allow for participants to borrow from their fund accounts.

Minnesota Coaches Family of Companies Retirement Fund

Notes to Financial Statements June 30, 2025 and 2024

Vesting and forfeitures

Participants are immediately vested in any amounts rolled over from other qualified plans, other than those related to the Plan through common ownership. Additionally, the salary deferral portion of participant accounts is 100% vested at all times.

Vesting in Company contributions is based upon years of service. A participant is zero percent vested after one and two years of service and is 100% vested after three years of credited service. A participant who terminates employment before fully vesting, forfeits that portion of their allocation of the Company's contributions in which they had not yet fully vested.

A participant will be immediately 100% vested upon death, disability or the later of reaching normal retirement age or the fifth anniversary of the date on which the employee first became eligible to participate in Company contributions, as defined in the plan document.

Payment of benefits

A participant is eligible for a distribution of the vested portion of their profit sharing account after terminating employment and incurring a one-year break in service. A participant is eligible for a distribution of their elective deferral account when their employment with all contributing employers has been terminated, or when they have reached normal retirement age.

If a participant's combined account balance exceeds \$5,000, he or she may elect to defer the benefit payment in accordance with Plan guidelines. If a participant's vested account balance is less than \$7,000, the Plan may distribute the vested account balance without the written consent of the participant. The participant has the option to take the distribution in cash or as a rollover. If no election is made, the Plan will make the distribution to an individual retirement account for the participant.

In-service distributions, including hardship distributions, are allowed from a participant's elective deferral and rollover portions of their account balances. Benefit payments are recorded upon distribution to participants.

Investment valuation and income recognition

Investments are reported at fair value, which is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

All purchases and sales of securities have been recorded on a trade-date basis. Income is recorded as earned. The increase or decrease in the fair value of investments represents the net difference between the current value of securities held at the beginning of the year or cost of securities purchased during the year and the current value of securities held at the end of the year.

Administrative expenses

The plan sponsor pays most costs and expenses incurred in connection with the operation of the Plan. Administrative expenses paid by the plan during the years ended June 30, 2025 and 2024 were for management of certain plan investments. These expenses are included on the statements of changes in net assets available for benefits.

Minnesota Coaches Family of Companies Retirement Fund

Notes to Financial Statements June 30, 2025 and 2024

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Regulatory changes

The Plan suspended required minimum distributions for 2020 as allowed under the Coronavirus Aid, Relief and Economic Security (CARES) Act. The Plan was not amended for this change since it is not required to be amended until the year ended June 30, 2026. Management intends to amend the Plan for this change prior to that date. No other changes to Plan provisions related to the CARES Act were in effect for the years ended June 30, 2025 and 2024.

Subsequent events

In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through April 13, 2026, the date the financial statements were available to be issued.

Note 2 - Certification of investments

The Trustees of the Plan have appointed The Standard Insurance Company (The Standard) as Custodian of the Plan's assets. The Standard has supplied the plan administrator with certifications as to the completeness and accuracy of total assets of the Plan invested by the Custodian aggregating \$27,650,941 and \$23,134,200 as of June 30, 2025 and 2024, respectively, and the related investment income of \$3,243,051 and \$2,626,013 for the years then ended, respectively. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule based on such certification from The Standard.

Under the terms of the Custodial agreement, the Custodian manages investment funds on behalf of the Plan. The Custodian has been granted discretionary authority concerning the purchases and sales of the investment funds.

Note 3 - Fair value measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Minnesota Coaches Family of Companies Retirement Fund

Notes to Financial Statements June 30, 2025 and 2024

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Pooled separate accounts

Pooled separate accounts are valued based upon the unit value of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although they are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements June 30, 2025 and 2024

The following tables reflect the Plan's investments within the fair value hierarchy at June 30, 2025 and 2024:

Note 4 - Forfeitures

Terminated participants forfeit their non-vested balance upon the earlier of the receipt of their vested benefits or after incurring five consecutive one-year breaks in service. Forfeitures can be used to pay plan expenses or can be allocated to the remaining participants in the Plan based on the percentage of the participant's compensation compared to the compensation of all eligible participants. For the plan years ended June 30, 2025 and 2024, forfeited non-vested accounts totaled \$574,500 and \$4,127, respectively. Forfeitures in the amount of \$26,679 and \$5,106 were used to pay plan expenses during the years ended June 30, 2025 and 2024, respectively.

As of June 30, 2025 and 2024, forfeited non-vested amounts totaling \$553,608 and \$2,787, respectively, were available to pay plan expenses or to be allocated to the participants.

Note 5 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6 - Plan tax status

The Plan administrator and the Plan's tax counsel believe that the Plan was, and is, designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Minnesota Coaches Family of Companies Retirement Fund

Notes to Financial Statements June 30, 2025 and 2024

Plan management evaluates all significant tax positions as required by generally accepted accounting principles in the United States of America. As of June 30, 2025, management does not believe that the Plan has taken any tax positions that would require the recording of any additional tax liability, nor does management believe that there are any unrealized tax benefits that would either increase or decrease within the next 12 months. The Plan's tax returns are subject to examination by the appropriate regulatory authorities as of June 30, 2025 and generally remain open for three years.

Note 7 - Risks and uncertainties

The Plan's assets are invested in a variety of investments in exchange traded funds and mutual funds with registered investment companies. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 - Party-in-Interest transactions

Transactions resulting in Plan assets being transferred to or used by a party-in-interest are considered prohibited transactions under ERISA unless a specific exemption exists. The plan custodian manages certain Plan investment transactions; therefore, the transactions qualify as party-in-interest transactions and are indicated as such on the supplemental Schedule of Assets (Held at End of Year). However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions. Additionally, certain employees of the Company provide to the Plan certain accounting and administrative services for which no fees are charged.

Note 9 - Reconciliation of financial statements to Form 5500

The financial statements are prepared on the accrual basis of accounting whereas the Form 5500 is prepared on the cash basis of accounting. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of June 30, 2025 and 2024:
