INDEPENDENT AUDITORS' REPORT

To the Plan Administrators
Indian Creek Foundation Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Indian Creek Foundation Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years ended June 30, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Indian Creek Foundation Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in the supplementary information to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrators
Indian Creek Foundation Retirement Plan

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Indian Creek Foundation Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Indian Creek Foundation Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute

To the Plan Administrators
Indian Creek Foundation Retirement Plan

assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Indian Creek Foundation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Indian Creek Foundation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrators
Indian Creek Foundation Retirement Plan

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As discussed in Note I to the financial statements, the 2024 financial statements have been restated to correct an error. Our opinion is not modified with respect to this matter.

INDIAN CREEK FOUNDATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2025 and 2024

NOTE A – DESCRIPTION OF PLAN

The following description of the Indian Creek Foundation (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Indian Creek Foundation ("Indian Creek"). Employees are eligible for salary reduction contributions immediately upon attaining age 21. Those employees who are age 21 or older and have completed one year of service of at least 1,000 hours are eligible for matching and discretionary profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Board of Trustees oversees governance of the Plan, determines appropriateness of the Plan's investment offerings, and monitors investment performance.

2. Contributions

The Plan is established under provisions of section 401(k) of the Internal Revenue Service code. The Plan permits participants to defer 100% of compensation by means of a salary reduction arrangement subject to stated Internal Revenue Service (IRS) limitations. Such deferred amounts are not subject to federal income tax until they are distributed from the Plan. The participants can increase or decrease their deferred percentage a maximum of four times in each plan year. Participants who attained age 50 before the end of the year are eligible to make catch up contributions. The Plan permits that amounts may be rolled over from another qualified plan and should be fully vested.

Indian Creek may match a uniform percentage of salary deferred and make profit sharing contributions to the Plan. Such contributions are determined annually by Indian Creek. The Plan sponsor may elect to forgo the profit sharing contribution in any year. The match totaled \$162,345 and \$162,303 for the years ended June 30, 2025 and 2024, respectively.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

3. Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor's contributions, allocations of investment income or loss and forfeitures of terminated participants' non-vested accounts, and charged with an allocation of administrative expenses. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan. The Plan offers various mutual funds and insurance investment options for participants.

4. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon. Vesting in the Plan Sponsor's matching contributions plus actual earnings or losses thereon is based upon years of continuous service. A participant is 20% vested after two years of credited service and 20% per year thereafter and, thus, is 100% vested after six years of service, as defined. The interest of each participant should also become 100% vested upon the earlier of the date on which the participant attains age 55 with five years of service, age 65, or termination by reason of death or total and permanent disability.

5. Payment of Benefits

On termination of service, if participant's vested benefit does not exceed \$1,000, the balance will be distributed in a single lump sum payment. If the balance exceeds \$1,000, the participant may elect to receive benefits in the form of a lump sum payment or equal installments. Benefits are recorded when paid.

6. Forfeited Accounts

Employees who are terminated or leave Indian Creek are entitled to 100% of their vested balances and any earnings thereon. These employees forfeit their unvested balances, which may be used for several purposes, including payment of Plan expenses. The remainder is added to the discretionary profit sharing or used to reduce Indian Creek's matching contribution. For the years ended June 30, 2025 and 2024, plan forfeitures were \$17,386 and \$10,743, respectively. Forfeited funds were held in a forfeited non-vested account that was utilized to reduce Indian Creek's contribution to the plan.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

7. Administrative Expenses

Certain expenses of administering the Plan are paid by Indian Creek and are excluded from these financial statements, such as staff plan administration and audit fees. The Plan pays for third party administration of the plan document, compliance testing, and consultation, as well as contract administration with John Hancock. Investment related expenses are included in the net appreciation of fair value of investments.

8. Plan Termination

Although there has been no expressed intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. Notes Receivable from Participants

Under the terms of the Plan, participants may obtain loans from the Plan, utilizing funds accumulated in their account. The minimum amount which may be borrowed is \$1,000. Participants may only have one loan outstanding at any time. The loan interest rates ranged from 5.75% to 9.50% for both of the years ended June 30, 2025 and 2024. Outstanding loans to participants at June 30, 2025 and 2024 were \$162,437 and \$102,311, respectively.

The loans are repaid to the Plan through after-tax payroll deductions. The loan repayments and interest earned are allocated to each of the investment funds based upon the participant's contribution election percentages. The terms of the loan are by mutual agreement between the Plan Sponsor and the participant.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and reported additions and deductions from net assets. Actual results could differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk.

Due to the level of risk associated with these investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the participants' account balances and amounts reported in the statement of net assets available for plan benefits.

4. Payment of Benefits

Benefit payments are recorded when paid.

5. Investment Valuation and Income Recognition

The Plan investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies by referencing information provided by the custodian.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

6. Tax-Exempt Status

Indian Creek adopted a defined contribution plan in which the IRS reviewed the Plan under its volume submitter program. The IRS informed the volume submitted plan author by letter dated March 31, 2008 that the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") for use by employers on behalf of their employees. The Plan has been amended since receiving that letter. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

In accordance with ASC 740-10, *Income Taxes*, the plan administrator has reviewed its current and past federal income tax positions and has determined, based on clear and unambiguous tax law and regulations, that the tax positions taken are certain and that there is no likelihood that a material tax assessment would be made if a respective government agency examined tax returns subject to audit. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. Tax-Exempt Status (continued)

Currently, the 2022, 2023 and 2024, tax years are open and subject to examination by the IRS. However, the Plan is not currently under audit, nor has the Plan been contacted by this jurisdiction. Interest and penalties related to income taxes are included in income tax expense when incurred.

7. Subsequent Events

The Plan evaluated subsequent events through April 15, 2026, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN TRUSTEES

At June 30, 2025, the assets of the Plan were allocated among various investment options. The investment funds are administered by independent managers. The plan administrator has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, the custodian has certified the following information was complete and accurate as of June 30:

	2025	2024
Investments at fair value	\$ 8,307,113	\$ 7,889,273
Total investments	\$ 8,307,113	\$ 7,889,273

This information has not been audited by independent accountants except for comparing such information to the related information included in the financial statements and supplementary information.

NOTE D – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by John Hancock. John Hancock is the third party administrator of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Investment management fees paid by the Plan are included in net appreciation in fair value of net assets and totaled \$4,023 and \$3,907 for the years ended June 30, 2025 and 2024, respectively. The Plan also pays recordkeeping fees and third party administrator fees.

NOTE E – COMMITMENTS AND CONTINGENCIES

In the normal course of business, there are various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the plan administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE F – FAIR VALUE MEASUREMENTS

The Plan follows Statement ASC 820, *Fair Value Measurements and Disclosures*, which defines fair value under generally accepted accounting principles in the United States of America, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. This standard defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value.

The following provides a description of the three levels of inputs that may be used to measure fair value under the standard, the types of Plan investments that may fall under each category, and the valuation methodologies used to measure these investments at fair value.

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan determines the fair value of its assets using unadjusted quoted prices in active markets (Level 1) or pricing inputs that are observable (Level 2) whenever that information is available. The Plan uses unobservable inputs (Level 3) to estimate fair value only when relevant observable inputs are not available.

The Plan classifies assets within the fair value hierarchy based on the lowest level of input that is significant to the fair value measurement of each individual asset taken as a whole. The Plan determines fair value for assets classified as Level 1 by multiplying the market price by the quantity of the asset. The Plan primarily determines fair value measurements classified as Level 2 or Level 3 using the income valuation approach, which involves discounting estimated cash flows using assumptions that market participants would use in pricing the asset.

NOTE F – FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Values Measured on Recurring Basis

Fair values of assets measured on a recurring basis were as follows at June 30:

		Quoted prices in Active markets for Identical assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2025	Fair Value			
Pooled separate accounts	\$ 8,229,606	\$ -	\$ 8,229,606	\$ -
Guaranteed Investment Contracts	77,507	-	-	77,507
Total	<u>\$ 8,307,113</u>	<u>\$ -</u>	<u>\$ 8,229,606</u>	<u>\$ 77,507</u>

		Quoted prices in active markets for identical assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2024	Fair Value			
Pooled separate accounts	\$ 7,813,318	\$ -	\$ 7,813,318	\$ -
Guaranteed Investment Contracts	75,956	-	-	75,956
Total	<u>\$ 7,889,274</u>	<u>\$ -</u>	<u>\$ 7,813,318</u>	<u>\$ 75,956</u>

Following is a description of the valuation methodologies used for Level 2 and Level 3 assets measured at fair value:

- Pooled separate accounts – valued at the net asset value of units held by the Plan at year end. The net value is measured by the custodian daily based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based on quoted market prices in an active market. Participant transactions may occur daily, including purchase and sales. In the event the Plan were to initiate a full redemption of the pooled separate accounts, the custodian reserves the right to delay such redemption for the time necessary to ensure that asset liquidations can be carried out in an orderly manner.
- Guaranteed investment contracts – the guaranteed investment contracts with the insurance company are not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contracts is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

NOTE F – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table provides further details of the Level 3 fair value measurements using significant unobservable inputs.

		Guranteed Investment Contracts
Balance - July 1, 2023	\$	70,948
Purchases, Sales, Issuances, and Settlements (NET)		5,008
Balance - June 30, 2024		75,956
Purchases, Sales, Issuances, and Settlements (NET)		1,551
Balance - June 30, 2025	\$	77,507

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended June 30, 2025 and 2024 there were no transfers between Levels 1 and 2 and no transfer into or out of Level 3.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at June 30 to Form 5500:

NOTE H – RELIANCE OF TRUSTEE'S REPORT

The administrator of the Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Under that section, no auditing procedures are required to be performed with respect to the information certified by the Custodian of the Plan, John Hancock Life Insurance Company, other than comparing such information to that contained in the financial statements and supplementary information. Accordingly, the amounts included in the financial statements and supplementary information as of June 30, 2025 and 2024, and for the years then ended, and the information contained in NOTE C have been prepared from statements certified as complete and accurate by the Custodian in accordance with Department of Labor regulations 29 CFR 2520.103-8.

NOTE I – RESTATEMENT

During the June 30, 2025 audit, it was noted that the Plan had previously recorded contribution receivable related to profit sharing contributions, a benefit which was not collected from the company and was recorded in error in a prior year. Accordingly, the Plan has restated its net assets available for plan benefits balances for June 30, 2023 and 2024. The result of this restatement in 2023 was a decrease in employer contributions receivable and a corresponding decrease in net assets available for plan benefits of \$148,174. The result of this restatement in 2024 was a decrease in employer contributions receivable of 148,174, and increase in unrealized gain of 2,251, and corresponding decrease in net assets available for plan benefits of \$145,923.

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Indian Creek Foundation Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Indian Creek Foundation Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute

To the Plan Administrators
Indian Creek Foundation Retirement Plan

assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Indian Creek Foundation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Indian Creek Foundation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As discussed in Note I to the financial statements, the 2024 financial statements have been restated to correct an error. Our opinion is not modified with respect to this matter.

INDIAN CREEK FOUNDATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2025 and 2024

NOTE A – DESCRIPTION OF PLAN

The following description of the Indian Creek Foundation (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Indian Creek Foundation ("Indian Creek"). Employees are eligible for salary reduction contributions immediately upon attaining age 21. Those employees who are age 21 or older and have completed one year of service of at least 1,000 hours are eligible for matching and discretionary profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Board of Trustees oversees governance of the Plan, determines appropriateness of the Plan's investment offerings, and monitors investment performance.

2. Contributions

The Plan is established under provisions of section 401(k) of the Internal Revenue Service code. The Plan permits participants to defer 100% of compensation by means of a salary reduction arrangement subject to stated Internal Revenue Service (IRS) limitations. Such deferred amounts are not subject to federal income tax until they are distributed from the Plan. The participants can increase or decrease their deferred percentage a maximum of four times in each plan year. Participants who attained age 50 before the end of the year are eligible to make catch up contributions. The Plan permits that amounts may be rolled over from another qualified plan and should be fully vested.

Indian Creek may match a uniform percentage of salary deferred and make profit sharing contributions to the Plan. Such contributions are determined annually by Indian Creek. The Plan sponsor may elect to forgo the profit sharing contribution in any year. The match totaled \$162,345 and \$162,303 for the years ended June 30, 2025 and 2024, respectively.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

3. Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor's contributions, allocations of investment income or loss and forfeitures of terminated participants' non-vested accounts, and charged with an allocation of administrative expenses. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan. The Plan offers various mutual funds and insurance investment options for participants.

4. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon. Vesting in the Plan Sponsor's matching contributions plus actual earnings or losses thereon is based upon years of continuous service. A participant is 20% vested after two years of credited service and 20% per year thereafter and, thus, is 100% vested after six years of service, as defined. The interest of each participant should also become 100% vested upon the earlier of the date on which the participant attains age 55 with five years of service, age 65, or termination by reason of death or total and permanent disability.

5. Payment of Benefits

On termination of service, if participant's vested benefit does not exceed \$1,000, the balance will be distributed in a single lump sum payment. If the balance exceeds \$1,000, the participant may elect to receive benefits in the form of a lump sum payment or equal installments. Benefits are recorded when paid.

6. Forfeited Accounts

Employees who are terminated or leave Indian Creek are entitled to 100% of their vested balances and any earnings thereon. These employees forfeit their unvested balances, which may be used for several purposes, including payment of Plan expenses. The remainder is added to the discretionary profit sharing or used to reduce Indian Creek's matching contribution. For the years ended June 30, 2025 and 2024, plan forfeitures were \$17,386 and \$10,743, respectively. Forfeited funds were held in a forfeited non-vested account that was utilized to reduce Indian Creek's contribution to the plan.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

7. Administrative Expenses

Certain expenses of administering the Plan are paid by Indian Creek and are excluded from these financial statements, such as staff plan administration and audit fees. The Plan pays for third party administration of the plan document, compliance testing, and consultation, as well as contract administration with John Hancock. Investment related expenses are included in the net appreciation of fair value of investments.

8. Plan Termination

Although there has been no expressed intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. Notes Receivable from Participants

Under the terms of the Plan, participants may obtain loans from the Plan, utilizing funds accumulated in their account. The minimum amount which may be borrowed is \$1,000. Participants may only have one loan outstanding at any time. The loan interest rates ranged from 5.75% to 9.50% for both of the years ended June 30, 2025 and 2024. Outstanding loans to participants at June 30, 2025 and 2024 were \$162,437 and \$102,311, respectively.

The loans are repaid to the Plan through after-tax payroll deductions. The loan repayments and interest earned are allocated to each of the investment funds based upon the participant's contribution election percentages. The terms of the loan are by mutual agreement between the Plan Sponsor and the participant.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and reported additions and deductions from net assets. Actual results could differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk.

Due to the level of risk associated with these investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the participants' account balances and amounts reported in the statement of net assets available for plan benefits.

4. Payment of Benefits

Benefit payments are recorded when paid.

5. Investment Valuation and Income Recognition

The Plan investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies by referencing information provided by the custodian.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

6. Tax-Exempt Status

Indian Creek adopted a defined contribution plan in which the IRS reviewed the Plan under its volume submitter program. The IRS informed the volume submitted plan author by letter dated March 31, 2008 that the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") for use by employers on behalf of their employees. The Plan has been amended since receiving that letter. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

In accordance with ASC 740-10, *Income Taxes*, the plan administrator has reviewed its current and past federal income tax positions and has determined, based on clear and unambiguous tax law and regulations, that the tax positions taken are certain and that there is no likelihood that a material tax assessment would be made if a respective government agency examined tax returns subject to audit. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. Tax-Exempt Status (continued)

Currently, the 2022, 2023 and 2024, tax years are open and subject to examination by the IRS. However, the Plan is not currently under audit, nor has the Plan been contacted by this jurisdiction. Interest and penalties related to income taxes are included in income tax expense when incurred.

7. Subsequent Events

The Plan evaluated subsequent events through April 15, 2026, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN TRUSTEES

At June 30, 2025, the assets of the Plan were allocated among various investment options. The investment funds are administered by independent managers. The plan administrator has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, the custodian has certified the following information was complete and accurate as of June 30:

	2025	2024
Investments at fair value	\$ 8,307,113	\$ 7,889,273
Total investments	\$ 8,307,113	\$ 7,889,273

This information has not been audited by independent accountants except for comparing such information to the related information included in the financial statements and supplementary information.

NOTE D – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by John Hancock. John Hancock is the third party administrator of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Investment management fees paid by the Plan are included in net appreciation in fair value of net assets and totaled \$4,023 and \$3,907 for the years ended June 30, 2025 and 2024, respectively. The Plan also pays recordkeeping fees and third party administrator fees.

NOTE E – COMMITMENTS AND CONTINGENCIES

In the normal course of business, there are various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the plan administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE F – FAIR VALUE MEASUREMENTS

The Plan follows Statement ASC 820, *Fair Value Measurements and Disclosures*, which defines fair value under generally accepted accounting principles in the United States of America, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. This standard defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value.

The following provides a description of the three levels of inputs that may be used to measure fair value under the standard, the types of Plan investments that may fall under each category, and the valuation methodologies used to measure these investments at fair value.

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan determines the fair value of its assets using unadjusted quoted prices in active markets (Level 1) or pricing inputs that are observable (Level 2) whenever that information is available. The Plan uses unobservable inputs (Level 3) to estimate fair value only when relevant observable inputs are not available.

The Plan classifies assets within the fair value hierarchy based on the lowest level of input that is significant to the fair value measurement of each individual asset taken as a whole. The Plan determines fair value for assets classified as Level 1 by multiplying the market price by the quantity of the asset. The Plan primarily determines fair value measurements classified as Level 2 or Level 3 using the income valuation approach, which involves discounting estimated cash flows using assumptions that market participants would use in pricing the asset.

NOTE F – FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Values Measured on Recurring Basis

Fair values of assets measured on a recurring basis were as follows at June 30:

		Quoted prices in Active markets for Identical assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2025	Fair Value			
Pooled separate accounts	\$ 8,229,606	\$ -	\$ 8,229,606	\$ -
Guaranteed Investment Contracts	77,507	-	-	77,507
Total	<u>\$ 8,307,113</u>	<u>\$ -</u>	<u>\$ 8,229,606</u>	<u>\$ 77,507</u>

		Quoted prices in active markets for identical assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2024	Fair Value			
Pooled separate accounts	\$ 7,813,318	\$ -	\$ 7,813,318	\$ -
Guaranteed Investment Contracts	75,956	-	-	75,956
Total	<u>\$ 7,889,274</u>	<u>\$ -</u>	<u>\$ 7,813,318</u>	<u>\$ 75,956</u>

Following is a description of the valuation methodologies used for Level 2 and Level 3 assets measured at fair value:

- Pooled separate accounts – valued at the net asset value of units held by the Plan at year end. The net value is measured by the custodian daily based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based on quoted market prices in an active market. Participant transactions may occur daily, including purchase and sales. In the event the Plan were to initiate a full redemption of the pooled separate accounts, the custodian reserves the right to delay such redemption for the time necessary to ensure that asset liquidations can be carried out in an orderly manner.
- Guaranteed investment contracts – the guaranteed investment contracts with the insurance company are not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contracts is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

NOTE F – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table provides further details of the Level 3 fair value measurements using significant unobservable inputs.

		Guranteed Investment Contracts
Balance - July 1, 2023	\$	70,948
Purchases, Sales, Issuances, and Settlements (NET)		5,008
Balance - June 30, 2024		75,956
Purchases, Sales, Issuances, and Settlements (NET)		1,551
Balance - June 30, 2025	\$	77,507

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended June 30, 2025 and 2024 there were no transfers between Levels 1 and 2 and no transfer into or out of Level 3.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at June 30 to Form 5500:

	2025	2024
Net assets available for plan benefits per the financial statements	\$ 8,469,550	\$ 7,991,585
Net assets available for benefits per Schedule H of Form 5500	\$ <u>8,469,550</u>	\$ <u>7,991,585</u>

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of contributions per the financial statements at June 30 to Form 5500:

	<u>2025</u>	<u>2024</u>
Contributions per the financial statements	\$ 569,091	\$ 558,753
Transfers In	<u>14,324</u>	<u>27,385</u>
Contributions per Schedule H of Form 5500	\$ <u><u>583,415</u></u>	\$ <u><u>586,138</u></u>

NOTE H – RELIANCE OF TRUSTEE'S REPORT

The administrator of the Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Under that section, no auditing procedures are required to be performed with respect to the information certified by the Custodian of the Plan, John Hancock Life Insurance Company, other than comparing such information to that contained in the financial statements and supplementary information. Accordingly, the amounts included in the financial statements and supplementary information as of June 30, 2025 and 2024, and for the years then ended, and the information contained in NOTE C have been prepared from statements certified as complete and accurate by the Custodian in accordance with Department of Labor regulations 29 CFR 2520.103-8.

NOTE I – RESTATEMENT

During the June 30, 2025 audit, it was noted that the Plan had previously recorded contribution receivable related to profit sharing contributions, a benefit which was not collected from the company and was recorded in error in a prior year. Accordingly, the Plan has restated its net assets available for plan benefits balances for June 30, 2023 and 2024. The result of this restatement in 2023 was a decrease in employer contributions receivable and a corresponding decrease in net assets available for plan benefits of \$148,174. The result of this restatement in 2024 was a decrease in employer contributions receivable of 148,174, and increase in unrealized gain of 2,251, and corresponding decrease in net assets available for plan benefits of \$145,923.
