INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Tiegerman School Employees Retirement Plan
100 Glen Cove Avenue
Glen Cove, NY 11542

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Tiegerman School Employees Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – Schedule of Assets (Held At End of Year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Tiegerman School Employees Retirement Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Tiegerman School Inc. (hereinafter, the "Plan Sponsor") management, which is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. During the year ended June 30, 2025, the Plan's investment gains (including gains and losses on investments bought and sold, as well as held during the year) were \$ 4,977,216.

Payment of Benefits:

Benefits are recorded when paid to the Plan's participants.

Plan Expenses:

Certain administrative, accounting and audit expenses for the Plan were paid directly by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the distributions to participants are charged directly to the participant's account and are included in administrative expenses. Accounting and audit expenses may be paid from the forfeiture account, and if so, are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Events Occurring After Report Date:

The Plan Sponsor evaluated events and transactions that occurred between July 1, 2025 and April 15, 2026, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility:

The Plan was originally established July 1, 2002, by the School for Language and Communication Development (the "School") as a noncontributory defined contribution plan for the benefit of its eligible employees. In 2015, the Plan was amended to include Able Community Services, Inc. ("Able"), as a participating employer. On June 20, 2017, Able changed its name to Tiegerman Community Services, Inc. ("Community Services"). Effective October 17, 2017, the School for Language and Communication Development changed its name to the Tiegerman School and the Plan was amended to change its name from School for Language and Communication Development Employees Retirement Plan to Tiegerman School Employees Retirement Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a combination custodial account and annuity contract. The Plan assets are held by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal Trust"), the Trustee or Custodian, and Principal Life Insurance Company ("Principal"), is the recordkeeper. The Plan Sponsor uses Loren D. Stark Company as third-party administrators of the Plan. Employees are eligible for employer contributions if they complete one year of service with 1,000 hours. Employees who qualify under the equivalency method are credited with 45 hours of service each week in which an employee would be credited with one hour of service. In addition, the employee must be employed on the last day of the Plan year. The Plan excludes the following employees from participating in the plan (1) employees covered under a collective bargaining agreement, (2) non-resident aliens who do not receive any compensation from U.S. sources, (3) employees working in programs funded by the Office for People with Developmental Disabilities ("OPWDD"), and (4) employees on a leave of absence.

Contributions:

The School's profit-sharing contributions are discretionary and are determined by the School's Board of Directors annually. Employer contributions, if any, are allocated to eligible employees based on certain designated groups under the Plan. In conjunction with the Plan amendments, effective July 1, 2024, rollovers are permitted by the Plan.

PLAN EIN: 11-2739039

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2025

NOTE 2 – DESCRIPTION OF THE PLAN *(continued)*

Employer contributions are allocated based on groups. The Plan currently divides employees in the following groups:

Group	Years of Service	Compensation	Program
1	10 or more	Highly compensated	Non-pre-school
2	Less than 10	Highly compensated	Non-pre-school
3	10 or more	Non-highly compensated	Non-pre-school
4	Less than 10	Non-highly compensated	Non-pre-school
5	10 or more	Highly compensated	Pre-school
6	Less than 10	Highly compensated	Pre-school
7	10 or more	Non-highly compensated	Pre-school
8	Less than 10	Non-highly compensated	Pre-school

For the years ended June 30, 2025 and 2024, the School provided discretionary profit-sharing contributions of \$1,400,000 and \$2,250,000, respectively. For the 2025 Plan year, the employer contribution was based on three elements 1) the participant's classification 2) the participant's home department and 3) the participant's years of service. The participant classification indicates whether the individual is considered highly compensated. After each participant is assigned to the appropriate classification, department, and service tier, they receive the contribution rate associated with their home department.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts:

Participants have the option of directing their employer contributions into any of the various investment options offered by the Plan and may change the allocation at any time.

Vesting:

Participants who leave the Plan because of death, early or normal retirement (normal retirement date is the later of attaining age 65 or the participant's fifth anniversary in the Plan) or disability retirement, as defined by the plan document, are considered 100 percent vested. Participants that leave the Plan due to reasons not mentioned above will have their employer's contributions and earnings thereon vested in accordance with the following schedule:

Years of Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE 2 – DESCRIPTION OF THE PLAN (continued)

In-Service Withdrawals:

In-service withdrawals are permitted by the Plan under limited circumstances.

Payment of Benefits:

Upon termination of service, a participant may elect to receive the vested value of the participant's account in the form of a single lump sum, a partial lump sum, installments, or to purchase an annuity. Withdrawals other than for termination are permitted under circumstances provided by the Plan.

Notes Receivable from Participants:

Participants may not borrow from their plan accounts.

Forfeited Accounts:

As of June 30, 2025 and 2024, forfeited nonvested accounts totaled \$1,154,354 and \$484,253, respectively. These accounts are reallocated to participants in the same manner as employer contributions. For the year ended June 30, 2025, there were \$661,323 of new forfeitures and \$106,995 of forfeitures were used to pay Plan expenses. Forfeitures will be reallocated to the participant during the 2026 Plan year.

Plan Amendments:

The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was last amended on May 5, 2025, with a restatement effective date of July 1, 2024, for various provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE ACT"). In addition, the amendment updates the hours requirement and adds the ability to accept rollovers. The Plan Sponsor has until December 31, 2026, to amend the Plan for SECURE 2.0 Act provisions.

Plan Termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

Investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends for the year ended June 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 - If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2025 and 2024.

Mutual Funds (Registered Investment Companies):

Valued at the net asset value of shares held by the Plan at year-end. The net asset value is based upon quoted market prices.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 43,826,008	\$ -	\$ -	\$ 43,826,008
Total investments at fair value	\$ 43,826,008	\$ -	\$ -	\$ 43,826,008

PLAN EIN: 11-2739039

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2025

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 38,127,947	\$ -	\$ -	\$ 38,127,947
Total investments at fair value	\$ 38,127,947	\$ -	\$ -	\$ 38,127,947

NOTE 5 – GUARANTEED INTEREST ACCOUNT

The Principal Guaranteed Investment Contract ("GIC") is considered a fully benefit responsive investment contract ("FBRIC") and is reflected at contract value within net assets available for benefits which is \$2,764,791 and \$2,386,812 as of June 30, 2025 and 2024, respectively. Contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The GIC issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. The credited interest rate was between 2% and 2.5% for the year ended June 30, 2025.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events may not be limited to a participant termination of employment due to: (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan Sponsor's business. Such events also included: (1) removal from the plan of one or more groups or classifications of participants; (2) partial or complete plan termination; or (3) plan disqualification. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants occurred.

NOTE 6 – FORFEITURES

If employment is terminated at a time when an employee is only partially-vested (or totally non-vested), how the Plan treats an employees' non-vested portion of their employee account depends on whether or not an employee takes a distribution when they terminate employment. Based upon timing of distributions, forfeitures are treated as follows:

- Forfeiture upon distribution - if a distribution is taken upon termination, the entire non-vested balance will be forfeited in accordance with the terms of the Plan.

TIEGERMAN SCHOOL EMPLOYEES RETIREMENT PLAN

PLAN NUMBER: 003

PLAN EIN: 11-2739039

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2025

NOTE 6 - FORFEITURES (continued)

- If a distribution is taken upon termination and results in a non-vested balance being forfeited, re-hired employees have the right to repay the distributed amount to the Plan if the re-hired employee repays the amount distributed prior to reaching five consecutive years of a break in service. If the entire distribution amount is repaid, the employer will restore the entire non-vested benefit which was forfeited as a result of the original distribution.
- In order to restore forfeited benefits, repayment must be made to the Plan no later than five years following the re-hired employees reemployment date. If the employee received a “deemed” distribution because they were totally non-vested, the non-vested benefit will automatically be restored within a reasonable time following their reemployment, provided they have not incurred five consecutive years of a break in service prior to their reemployment.
- Forfeiture upon five consecutive years of a break in service - depending on the value of an employee’s vested benefits, they may be able to keep their benefits in the Plan when they terminate employment. If they do not take a distribution of their entire vested benefit when they terminate employment, their non-vested benefit will remain in their account until they have incurred five consecutive years of a break in service, at which time their non-vested benefit will be forfeited in accordance with the terms of the Plan. For this purpose, a participant will have a Break in Service for each year in which a participant works less than 501 hours. A participant’s vested benefits will not be forfeited under this forfeiture rule.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are managed by the Trustee, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

Fees paid directly by the Plan for contract administration totaled \$111,366 for the year ended June 30, 2025. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 8 - TAX STATUS

The Plan Sponsor elected to adopt the third-party administrator's non-standardized pre-approved profit-sharing/money purchase/CODA plan, which received a favorable opinion letter from the IRS dated November 30, 2020, stating that the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code. While the plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

TIEGERMAN SCHOOL EMPLOYEES RETIREMENT PLAN

PLAN NUMBER: 003

PLAN EIN: 11-2739039

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2025

NOTE 8 - TAX STATUS (continued)

Accounting principles generally accepted in the United States of America requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.
