10-October-2025

To Whom it May Concern,

Storm Water Inspection & Maintenance Services is the plan sponsor for a 401k plan for our employees. Our plan record keeper is Empower. Due to a miscommunication between the plan sponsor and the plan record keeper, an audit has not been conducted on our 401k plan for the 2024 plan year. Our plan changed from a small plan to a large plan which has created the requirement for an audit to be conducted which we plan to do as soon as possible. However, we will be unable to have this completed by the 15-October-2025 deadline.

Therefore, we are planning to take the following steps:

1. We will submit an "unaudited" filing of our Form 5500 on or before 15-October-2025.
2. With this "unaudited" filing we will provide the best available data and information we have at this current time.
3. An independent audit company is currently being coordinated with to conduct an audit on our 401k plan.
4. Once that audit has been completed, we will file an "amended" Form 5500 referencing the original filing date with the independent audit attached.

If there is any additional information I can provide at this time, please let me know. Otherwise, we will submit an amended Form 5500 with an independent audit as soon as possible.

Thank you,

Sean Metter
