To the Board of Directors
The Whole Child
401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Whole Child 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 30, 2025 and 2024, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Whole Child 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of June 30, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Whole Child 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Whole Child 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Whole Child 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Whole Child 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE WHOLE CHILD

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of The Whole Child 401(K) Plan (“the Plan”) provides only general information. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

General

The Whole Child - Mental Health & Housing Services (“the Employer”) established the defined contribution plan effective August 1, 2008. The Plan is a 401(K) salary deferral plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, (“ERISA”) as amended. The Employer is the Plan’s sponsor and serves as the Plan administrator.

Contributions

Participants may elect to defer a percentage of their eligible compensation on a pre-tax and/or post-tax basis, subject to applicable limitations under the Internal Revenue Code (“IRC”), as adjusted annually. The Plan permits participants who are age 50 or older (or who will attain age 50 by the end of the plan year) to make additional catch-up contributions, in accordance with IRC provisions.

All participant contributions are subject to the IRC §402(g) elective deferral limits and the overall contribution limits under IRC §415.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the allocation of the Plan sponsor’s contribution, and the Plan’s earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are fully vested in both their contributions and employer safe harbor contributions immediately. Employer contributions vest based on years of continuous service. A participant is 100% vested immediately upon hire (i.e., Safe Harbor Plan).

Forfeitures

A participant’s non-vested balance is forfeited at the time of termination of employment. Forfeitures are used to offset future employer contribution. No forfeitures were used during 2025.

THE WHOLE CHILD

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Plan Loans

The Plan allows for loans to participants. Participants may borrow from the Plan using a portion of their plan account as collateral for the loan. Plan loans are not treated as a distribution from the Plan and are not considered plan assets. Therefore, plan loans are not reported on the statements of net assets available for benefits. A participant may apply for a plan loan to be made from his or her vested account balance in the Plan not to exceed the lesser of 50% of the participant's vested account balance or \$50,000 and must be for at least \$1,000. All loans are to be paid back over a period not to exceed five years, excluding loans to acquire the participant's principal residence, which may permit a longer repayment term.

Participants will be charged an interest rate equal to 2% above the prime rate. The interest will be fixed for the duration of the loan. Principal and interest are paid by the participant through payroll deductions.

The plan administrator has concluded that these loans are not plan assets, and that such arrangements are party-in-interest transactions for which a statutory exemption exists. The balances of outstanding loans as of June 30, 2025 was \$90,102.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may receive distributions of their vested interest in his or her account in the form of a single lump sum payment.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Notes Receivable

Notes receivable from the Plan and participants on the Statements of Net Assets Available for Benefits as of June 30, 2025 and 2024, and are recorded at their unpaid balance. Interest income on notes receivable from participants is recorded when it is earned, and the related fees are recorded as administrative expenses and expensed when incurred.

THE WHOLE CHILD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Administrative Expenses

The costs of the plan for accounting and administration expenses are the responsibility of the plan. Expenses made from the Plan's assets can either be allocated to all participants in the Plan or simply allocated to an individual's account, depending on the type of expense.

continued

**THE WHOLE CHILD
401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with certain investment securities that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan's investments include concentrations of credit risk. As of June 30, 2025, investments in J.P. Morgan Smart Retirement 2050 R2, J.P. Morgan Smart Retirement 2040 R2, and American Century Equity Growth R represented 60% of the Plan's total investments. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various asset classes and the utilization of investment managers.

Subsequent Events

Management has evaluated subsequent events through XXXX, 2026, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable

Notes receivable from participants are repaid through monthly installments, bearing interest at various rates and maturing over differing terms. Loans to participants outstanding at June 30, 2025 and 2024 were \$90,102 and \$114,932, respectively.

4. Information Prepared and Certified by the Custodian

No auditing procedures were performed on investments and dividend income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Empower, the custodian of the Plan at June 30, 2025 and 2024, respectively:

	<u>2025</u>	<u>2024</u>
Investments at fair value

4. Information Prepared and Certified by the Custodian, continued

During the years ended June 30, 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the years) appreciated in value by \$362,261 and \$713,804, respectively, attributable to mutual funds.

5. Fair Value Measurements

The table below sets forth, by level within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of June 30, 2025 and 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>June 30, 2025</u>				
Pooled separate accounts	\$ -	\$6,286,882	\$ -	<u>\$6,286,882</u>
General account		128,609		<u>128,609</u>
Total investments at fair value				<u>\$6,415,491</u>
<u>June 30, 2024</u>				
Pooled separate accounts	\$ -	\$5,417,895	\$ -	<u>\$5,417,895</u>
General account		103,414		<u>103,414</u>
Total investments at fair value				<u>\$5,521,309</u>

The fair value of pooled separate accounts and general account have been measured on a recurring basis using quoted prices for similar assets in inactive markets (Level 2 inputs).

6. Investments in Fully Benefit Responsive Investment Contracts

The following summarizes investments measured at contract value per share as of December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
General account	<u>\$128,609</u>	<u>\$103,414</u>

The General Account is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets of the portion of the Great West general accounts that is used to determine the Guaranteed Interest Account's crediting rate compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset at least annually and no more frequently than quarterly for some contracts. The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2024 is 2.08% and for 2025 is 2.85%. The actual average yield earned by the plan for the benefit responsive fund can be derived by averaging the plan's quarterly interest rates. That average for 2024 is 2.08% and for 2025 is 2.85%. The contract outlines the events that may limit the fund's ability to transact at contract value, as well as the circumstances under which the issuer may terminate the contract. Refer to the contract or plan description for a full explanation of investment details.

THE WHOLE CHILD

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

7. **Related Party and Party-in-Interest Transactions**

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Plan's payment of certain plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were \$3,685.

The Plan's investment options include funds managed by Empower or its affiliates. As custodian and recordkeeper, Empower's transactions qualify as exempt parties-in-interest transactions.

8. **Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

9. **Tax Status**

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the IRC and, accordingly, the trust's net investment income is exempt from income taxes. The Plan is designed to operate as a volume submitter 401(k) profit sharing plan based on a favorable determination letter issued to the prototype sponsor that provides tax-exempt status under appropriate sections of the IRC. The plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.
