INDEPENDENT AUDITORS' REPORT

To the Executive Board of
International Union of Operating Engineers Local Union 953 Death Benefit Committee
Albuquerque, New Mexico

Opinion on the 2025 Financial Statements

We have audited the accompanying financial statements of International Union of Operating Engineers Local Union 953 Death Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits—modified cash basis as of June 30, 2025, and the related statement of changes in net assets available for benefits—modified cash basis for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits – modified cash basis of International Union of Operating Engineers Local Union 953 Death Benefit Plan as of June 30, 2025, and the changes in its net assets for benefits – modified cash basis for the year then ended in accordance with the modified cash basis of accounting as described in Note B.

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of International Union of Operating Engineers Local Union 953 Death Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Adjustments to 2024 Financial Statements

The financial statements of International Union of Operating Engineers Local Union 953 Death Benefit Plan as of June 30, 2024, were audited by other auditors whose report dated September 20, 2024, expressed an unmodified opinion on those statements. As more fully described in Note G to the financial statements, the Plan has adjusted its 2024 financial statements during the current year to correct errors resulting in the overstatement of amounts previously reported as receivable – operating account and the overstatement of participant contributions as of June 30, 2024 that were discovered by management during the current year. The other auditors reported on the 2024 financial statement before the restatement.

As part of our audit of the 2025 financial statements, we also audited the adjustments described in Note G that were applied to restate the 2024 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to International Union of Operating Engineers Local Union 953 Death Benefit Plan's 2024 financial statements other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2024 financial statements as a whole.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, due to fraud or error, and to issue and auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Union of Operating Engineers Local Union 953 Death Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Union of Operating Engineers Local Union 953 Death Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

INTERNATIONAL UNION OF OPERATING ENGINEERS
LOCAL UNION 953 DEATH BENEFIT PLAN
Notes to Financial Statements
For the Years Ended June 30, 2025 and 2024

NOTE A – DESCRIPTION OF ORGANIZATION

International Union of Operating Engineers Local Union 953 Death Benefit Plan (the Plan) was established on September 1, 2008 by the International Union of Operating Engineers Locals 953, 953A, 953B, 953C and 953RA (Locals). The Pan is administered by the International Union of Operating Engineers Local 953 Death Benefit Committee (Committee) which consists of the following officers of Local Union 953: Business Manager, President, Vice President, Financial Secretary, Treasurer, and Recording Corresponding Secretary and of one retired member of the Local in good standing who is selected by the other members of the Committee.

The Plan provides a death benefit and an additional accidental death and dismemberment benefit. Payments are made to the Fund by members of the locals in accordance with the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation – The financial statements of the Plan have been prepared in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the cash basis of accounting, only cash transactions are recognized in revenues and expenses.

Concentrations of credit risk – Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of cash and equivalents. The Plan maintains its cash and equivalents in a bank account that, at times, may exceed federally insured limits. The Plan's cash and equivalent accounts have been placed with high credit quality financial institutions. The Plan has not experienced, nor does it anticipate, any losses with respect to such accounts.

Use of estimates – The preparation of financial statements in conformity with the modified cash basis of account requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent events – Subsequent events have been evaluated by Plan management through April 15, 2026, which is the date the financial statements were available to be issued.

NOTE C – TAX STATUS

Income taxes – The Locals are exempt from income taxes under IRC Section 501(c)(5). Therefore, the Plan and the Fund are exempt as part of the Locals. The Locals have not been determine to be a private foundation by the Internal Revenue Service. No income taxes were paid or payable for the years ended June 30, 2025 and 2024. It is the opinion of the Plan's management that the Plan and the Fund are operating in accordance with the exemption.

NOTE C – TAX STATUS - continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions: however, there are currently no audits for any tax periods in progress.

The Plan and Fund are not exempt from the reporting and disclosure requirements under the Employee Retirement Income Security Act of 1974 based on compliance with regulations published by the U.S. Department of Labor and has filed a Form 5500.

Tax years 2023 – 2025 remain subject to examination for federal income tax purposes. The Plan uses a loss contingency approach for evaluating uncertain tax positions. The Plan continually evaluates expiring statutes of limitations, audits, changes in tax laws and new authoritative ruling.

NOTE D – FUNDING POLICY

Payments to the Plan are made by members in accordance with collective bargaining and other agreements. Payments are collected by the Locals. All benefits are funded solely by Local Union membership dues. None of the benefits that the Plan provides are insured by any contract of insurance. If the total benefit claims incurred in any one calendar month exceed the sum of $50,000 or in any one fiscal year (July 1, through June 30) exceeds the sum $100,000, neither the Death Benefit Committee nor the Locals will be liable for benefits in excess of the amount. In the event the total claims in any one calendar month or any fiscal year exceeds these limits, the Plan will pay claims on a “first come, first serve” basis.

NOTE E – PRIORITES IN TERMINATION

The Committee has the right, in its sole discretion, to terminate this Plan at any time or to merge into another plan established for like purposes.

NOTE F – ECONOMIC RISK

The Plan receives most of its cash receipts from employers who are obligated to pay contributions to the Plan and the Fund per collective bargaining agreements. The employers may discontinue such agreements in the future or if the status of the economy in the future was to deteriorate, some employers may cease operation. In addition, the number of members who participate may vary depending upon the economy.

NOTE G – PRIOR PERIOD ADJUSTMENT

During the year ended June 30, 2025, management discovered certain errors resulting in the overstatement of amounts previously reported receivable – operating account and the overstatement of Employee Contribution as of June 30, 2024. Accordingly, an adjustment has been made to net assets as of June 30, 2024 to correct the error. The effects of this adjustment on the beginning balance as of July 1, 2023 are as follows:

	As Previously Stated	Prior Period Adjustment	As Restated
Receivable - Operating account	$ 35,105	$ (35,105)	$ -
Net assets without donor restrictions	175,966	(35,105)	140,861
